

CURRICULUM VITAE

Peter C. Gazes, M.D.

Medical University of South Carolina
Charleston, South Carolina 29425
(843) 792-2024

Business Address:

Department of Medicine/Cardiology Division
Medical University of South Carolina
Gazes Cardiac Research Institute
114 Doughty Street, MSC 772
Charleston, South Carolina 29425

Education:

Mitchell Elementary School, Charleston, SC	1927-1934
High School of Charleston, Charleston, SC	1934-1938
College of Charleston, Charleston, SC	1938-1941, B.S
Medical University of South Carolina, Charleston, SC	1941-1944, M.D

Post Graduate Training:

Intern, Rotating, Jersey City Medical Center
September 1, 1944 - June 30, 1945

Resident in Medicine, Philadelphia General Hospital
October 1, 1946 - June 30, 1948

Cardiology Research Fellowship, Philadelphia General Hospital
July 1, 1948 - June 30, 1949

Post Graduate Training (continued):

Teaching Fellowship in Cardiology and Pharmacology,
Medical University of South Carolina
July 1, 1949 - June 30, 1950

Academic Positions:

Medical University of South Carolina

Instructor in Medicine	July 1, 1950 - June 30, 1951
Associate in Medicine	July 1, 1951 - June 30, 1957
Assistant Professor of Medicine	July 1, 1957 - June 30, 1964
Associate Professor of Medicine	July 1, 1964 - June 30, 1967
Professor of Medicine	July 1, 1967 -
Director, Cardiovascular Division	July 1, 1967 - June 30, 1985
Distinguished University Professor of Cardiology	September 1, 1982 -
Executive Director of Cardiac Rehabilitation Program	1982-1985
Assistant Dean of Alumni Affairs	July 1, 1991 -

Military Service:

U.S. Navy, Medical Corps, July 1, 1945 - Sept 30, 1946
Highest Rank, Lt., j.g.

Organizations:

American Board of Internal Medicine, Certified	1952
Subspecialty Board, Cardiovascular Diseases, Certified	1958
American College of Physicians, Fellow	1957
American College of Cardiology, Fellow	1957
American College of Chest Physicians, Fellow	1960
American Heart Association	
Council of Clinical Cardiology, Fellow	1963
American Heart Association, South Carolina Heart Association	
South Carolina Representative to the Middle Atlantic Heart Committee	1975-1976
American Medical Association	
The South Carolina Medical Association	
The Charleston County Medical Association	
American Federation for Clinical Research	
Contributing Editor, Postgraduate Medicine	
Editorial Board, American Heart Journal	1972-1978
Cardiovascular Drug Committee for	
American Heart Association and American College of Cardiology	1976-1977
Assistant Editor, American Heart Journal	1978-1980

Organizations (continued):

Editorial Board, Primary Cardiology	1979-
National Heart, Lung and Blood Advisory Council	1979-1983
National Heart, Lung and Blood Institute	
National Institutes of Health	
The Association of University Cardiologists	1982-
Executive Committee of Council on Clinical	
Cardiology of the American Heart Association	1982-1984
Greek Archdiocesan Council	1997-1998

Offices:

American College of Cardiology, Governor of South Carolina	1957
South Carolina Heart Association, Vice President	1967
President	1968

Honors and Awards:

Sigma Alpha Phi, The College of Charleston	1941
First Honor Graduate, Medical University of South Carolina	1944
Alpha Omega Alpha, Medical University of South Carolina	1954
Student American Medical Association's Golden Apple Award	1960
	1961
	1972
Honorary Doctorate Degree from The College of Charleston	1978
Award for Excellence in Teaching, School of Medicine	
Class of	1979
	1980
	1981
The Peter C. Gazes Cardiology Society and Institute	
Founded in	1980
"Who's Who in America " (Marquis)	1982-1983
Honorary Membership in American Academy of Family	
Physicians	1982
Distinguished University Professor of Cardiology,	
Medical University of South Carolina	1982
American Medical Student Association Certificate	
Excellence in Teaching, Academic Year	1983-1984
Selected by Senior Class to give Oath Ceremony Address	1985
Distinguished Alumnus Award, Medical University	
of South Carolina	1985
Establishment of "Peter C. Gazes Honorary Fund"	
by Medicine Housestaff, MUSC	1985
Gazes Cardiac Research Institute, Founded in	1985
South Carolina Medical Association President's Award	
for 1987	1987
Honorary Doctorate Degree of Science from the Citadel	1988
<u>Honors and Awards: (continued)</u>	

Plato Award, American Hellenic Education Progressive	1988
College of Charleston Founder's Medal	1989
Selected as Outstanding Cardiologist in Town and Country Directory	1989
Nominated by Student Council to give annual "Pearl's" Lecture	1987,88,89,90,91,92,95,97,99
Archon of the Ecumenical Patriarchate of Constantinople	1990
Academy of Achievement Award, AHEPA Educational Foundation	1992
Nomination for Student American Medical Association's Golden Apple Award	1993
Mastership in the American College of Physicians	1994
Department of Medicine, MUSC - The Auget Largiendo Award, Attending Physician of the Year	1995
Building named "Gazes Cardiac Research Institute" construction completed	1995
National Gifted Teacher Award, American College of Cardiology	1996
MUSC Health Sciences Foundation, Teaching Excellence Award (Educator-Mentor)	1997
Ellis Island Medal of Honor Award	1997
Award of Appreciation, Charleston Associate of Life Insurance Underwriters	1997
Distinguished Alumni Award, College of Charleston	1998
Distinguished Faculty Service Award, MUSC	August 26, 1998
Honorary Fellow, Charleston County Medical Society	November 13, 1998
The Order of the Palmetto (Highest State of South Carolina Honor) presented by Governor David M. Beasley	December 10, 1998
The Order of the Silver Crescent (State of South Carolina Honor) presented by Governor Jim Hodges	May 25, 1999
MUSC Grand Marshall, MUSC Commencement	May 18, 2001
American College of Cardiology Award for 25 th Anniversary of "Cardiology for the Primary Physician"	May 30, 2001
Fellow of the American Heart Association and the Council on Clinical Cardiology	July 1, 2001
Archbishop Iakovos Leadership 100	2002
American College of Cardiology Foundation, 30 years of service with the Live Programs	March 7, 2005
Dean's Award for Medical Education for Cardiology for the Primary Physician	May 31, 2006
Pre-medical Society's Outstanding Service Award in Medicine, College of Charleston Alumni Awards Banquet	November 8, 2007
Life Time Achievement Award – American Heart Association	May 10, 2008
Peter C. Gazes Endowed Chair in Clinical Cardiology	June 1, 2008

Clinical Cardiology, 1977, American Heart Association	October 13-15, 1977
Valvular Disease - Practical Diagnosis and Management, American College of Cardiology	October 19-21, 1978
New Concepts in Management of Congestive Heart Failure	October 11-13, 1979
The Recognition and Management of Ischemic Heart Disease, American Heart Association	October 30-November 1, 1980
Clinical Cardiology - Newer Trends in Diagnosis and Management, American College of Cardiology	September 24-26, 1981
Clinical Cardiology - Update in Diagnostic and Therapeutic Techniques, American College of Cardiology	October 14-16, 1982
(Seventh Annual) Clinical Cardiology - 1983 American College of Cardiology	October 13-15, 1983
(Eighth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 7-9, 1984
(Ninth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 23-25, 1985
(Tenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 5-7, 1986
(Eleventh Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 4-6, 1987
(Twelfth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 1-4, 1988
(Thirteenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 31-June 3, 1989
(Fourteenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 6-9, 1990
(Fifteenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 5-8, 1991
(Sixteenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 27-30, 1992
(Seventeenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 1-5, 1993
(Eighteenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 1-4, 1994
(Nineteenth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 31-June 3, 1995
(Twentieth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 28-June 1, 1996
(Twenty-First Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 28-May 31, 1997
(Twenty-Second Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 27-May 30, 1998

Program Director for the following 3-day Cardiology Seminars sponsored by the American College of Cardiology (continued)

(Twenty-Third Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 2-5, 1999
(Twenty-Fourth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 31-June 3, 2000
(Twenty-Fifth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	May 30-June 2, 2001
(Twenty-Sixth Annual) Update: Cardiology for the Primary Physician, American College of Cardiology	June 5-8, 2002
(Twenty-Seventh Annual) Update: Cardiology for the Primary Physician American College of Cardiology	May 28-31, 2003
(Twenty-Eighth Annual) Update: Cardiology for the Primary Physician American College of Cardiology	June 2-5, 2004
(Twenty-Ninth Annual) Update: Cardiology for the Primary Physician American College of Cardiology	June 1-4, 2005
(Thirtieth Annual) Update: Cardiology for the Primary Physician MUSC Division of Cardiology, MUSC CME	May 31-June 3, 2006
(Thirty-First Annual) Update: Cardiology for the Primary Physician MUSC Division of Cardiology, MUSC CME	May 30-June 2, 2007
(Thirty-Second Annual) Update: Cardiology for the Primary Physiciana MUSC Division of Cardiology, MUSC CME	May 28-May 31, 2008

Committees:

| | - | Member, Archdiocese Council, Greek Orthodox Archdiocese of North and South America |
| | - | Government Relations Legislative Committee - American College of Cardiology |
| | - | American College of Cardiology Extramural Continuing Education Committee |

PUBLICATIONS

Peter C. Gazes, M.D.

1. Fulminating Meningococemia (The Waterhouse-Friderichson Syndrome). H.R. Pratt-Thomas, W.H. Kelley and P.C. Gazes. Southern Medical Journal 38:229-235. April 1945: Abstract in Internal Medicine Digest 47:92-96, August 1945.
2. The Effect of Vomiting due to Intestinal Obstruction on the Serum Potassium. S.B. Bellet, M.D., C.S. Nadler, M.D., P.C. Gazes, M.D. and M. Lanning, B.S. Gastroenterology 12:49-56, January 1949.
3. The Effect of Vomiting due to Intestinal Obstruction on the Serum Potassium. Clinical and Electrocardiographic with Observations in 15 Cases. Preliminary report. S.B. Bellet, M.D., C.S. Nadler, M.D., P.C. Gazes, M.D. and M. Lanning, B.S. American Journal of Medicine 6:712-723, June 1949.
4. The Use of Spring Lever and Strain Gauge Equipment in Determining the Contractile Force of Heart Muscle in Open-chest and Closed-chest Mammalian Experiments. R.P. Walton, O.J. Brodie, J.S. Leary, M. deV. Cotten and P.C. Gazes. Abstract. American Journal of Physiology 159:594, December 1949.
5. Cardiac Arrhythmias. (Moving picture). P.C. Gazes, R.P. Walton, O.J. Brodie and J.S. Leary. American Journal of Physiology 159:569, 1949.
6. Electrocardiographic Patterns in Hypotassemia: Observations on 79 Patients. S. Bellet, W.A. Steiger, C.S. Nadler and P.C. Gazes. American Journal of the Medical Sciences 219:542-550, May 1950.
7. Factors Influencing Measurement of Contractile Force of Heart Muscle in situ. R.P. Walton, M. deV. Cotten, M.M. Brill and P.C. Gazes. American Journal of Physiology 161:489-504, June 1950.
8. Normal Unipolar Variants with Special Reference to the Q and T Waves. P.C. Gazes. American Heart Journal 40:30-46, June 1950.
9. The Effects of Intravenous Aminophylline upon the Coronary Blood Oxygen Exchange. E.L. Foltz, A. Rubin, W.A. Steiger and P.C. Gazes. Circulation 2:215-224, August 1950.
10. The Effect of Potassium on the Electrocardiogram in the Normal Dog and in Dogs with Myocardial Infarction. S. Bellet, P.C. Gazes and W.A. Steiger. American Journal of the Medical Sciences 220:237-246, September 1950.
11. The Effect of Different Grades of Myocardial Infarction upon the Tolerance to Potassium: An Experimental Study in Dogs. S. Bellet, W.A. Steiger and P.C. Gazes. American Journal of the Medical Sciences 220:247-256, September 1950.
12. Administration of Potassium to Patients with Prolonged Vomiting and Diabetic Acidosis.

- C.S. Nadler, S. Bellet, P.C. Gazes and W.A. Steiger. *Journal of Laboratory and Clinical Medicine* 35:342-353, June 1950.
13. The Effect of Digitalis and Other Drugs On Heart Contractile Force: Clinical Implications. R.P. Walton and P.C. Gazes. *Southern Medical Journal* 44:418-423, May 1951.
 14. Effects of Potassium Chloride on the Intestinal Motility in Human Beings and Dogs. P.C. Gazes, J.A. Richardson and M. deV. Cotten. *Journal of Laboratory and Clinical Medicine* 37:902-908, June 1951.
 15. Effects of Hyperpyrexia on the Heart in situ: Studies with Dicumerol, Dinitrophenol and External Heat. R.P. Walton, L.I. Goldberg, P.C. Gazes, J.S. Leary, H.K. Ezell, C.B. Hanna and R.S. Protowsky. *American Journal of Physiology* 169:78-93, April 1952.
 16. Heart Force Effects of Sympathomimetic Amines as a Basis for Their Use in Shock Accompanying Myocardial Infarction. P.C. Gazes, M.D., L.I. Goldberg, Ph.D. and T.D. Darby, B.S. *Circulation* 8:883-892, December 1953.
 17. Ballistocardiography as a Method for Drug Evaluation. L.I. Goldberg, T.D. Darby and P.C. Gazes. *Journal of Pharmacology and Experimental Therapeutics*. December 1953. 110:21, January 1953.
 18. Basis for the Use of Sympathomimetic Amines in Shock Accompanying Myocardial Infarction: Ballistocardiographic Evidence. P.C. Gazes, L.I. Goldberg, T.D. Darby. *Transactions of the American Heart Association. Clinical Section. Abstract No. 40, 1954, Chicago.*
 19. A Method of Obtaining Displacement-Velocity-Acceleration Ballistocardiograms of the Dog. T.D. Darby, L.I. Goldberg, P.C. Gazes, S.R. Arbeit. *Proc. Soc. Exp. Biol. and Med.* 86:673-676, August - September 1954.
 20. Effects of Cardiovascular Drugs on the Acceleration Ballistocardiogram of the Dog. T.D. Darby, L.I. Goldberg, P.C. Gazes and S.R. Arbeit. Presented before the section of cardiac drugs, American Society for Pharmacology and Experimental Therapeutics. Fall Meeting, 1954, Charlottesville, Va. *Journal Pharm. & Exp. Therap.* 113:14, January 1955.
 21. Contrasting Heart Force Effects of L-Norepinephrine and Neo-Synephrine Determined by Correlated Ballistocardiographic Tracings and Direct Force Measurements in Dogs and by Acceleration Ballistocardiographic Recordings in Patients. P.C. Gazes, L.I. Goldberg, T.D. Darby and S.B. Arbeit. Presented before the Second World Congress of Cardiology and the 27th Annual Scientific Sessions of the American Heart Association. September 1954, Washington, D.C. Abstract p239 of program.
 22. Effects of Sympathomimetic Amines and Nitroglycerin on the Acceleration Ballistocardiogram of the Dog. T.D. Darby, L.I. Goldberg, P.C. Gazes and S.R. Arbeit. Vol. 119, p 248, 2, Feb. 1957. *Journal Pharmacology and Exp. Therapeutics.*

23. Effects of Drugs on Ballistocardiographic Recordings: Correlation with Other Cardiovascular Measurements in the Dog and Man. T.D. Darby, R.P. Walton and P.C. Gazes. *American Journal of Cardiology* 3 (8):668-675, May 1959.
24. Plasma Catechol Amine Concentrations in Acute Myocardial Infarction and Angina Pectoris. P.C. Gazes, J.A. Richardson, E.F. Woods. *Circulation* 19:675, May 1959.
25. Acute Hemorrhage and Necrosis of the Intestines Associated with Digitalization. P.C. Gazes, Charles R. Holmes, Vince Moseley and H. Rawling Pratt-Thomas. *Circulation* 23:358-364, March 1961.
26. External or Closed-chest Cardiac Massage. Peter C. Gazes and John A. Boone. *Journal of the American Medical Association* 176:621-622, May 1961.
27. Evidence for the Pharmacological Basis of Nitroglycerin Therapy in Angina Pectoris. T.D. Darby, E.E. Aldinger and P.C. Gazes. *Bulletin of the Tulane University* 20:171-180, 1961.
28. Electrocardiographic Changes Correlated to Relative Weight, Blood Pressure and Cholesterol Values in Two Ethnic Groups in Charleston County, South Carolina. E. Boyle, R.V. Moore, M.Z. Nichaman and P.C. Gazes. *Circulation* 26:646-647, October 1962.
29. Fibrillatory Wave Size as a Clue to Etiological Diagnosis. M.R. Culler, J.A. Boone and P.C. Gazes. *American Heart Journal* 66:435-436, September 1963.
30. Adams-Stokes Disease - 1963. P.C. Gazes and M.R. Culler. *Journal of S.C. Medical Association* 59:354-359, October 1963.
31. The Diagnosis of Angina Pectoris. P.C. Gazes, M.R. Culler and J.K. Stokes. *American Heart Journal* 67:830-839, June 1964.
32. Ventricular Fibrillation with Acute Myocardial Infarction Successfully Treated by External Electric Countershock. Report of Three Cases, with Use of Direct Current in Two. M.R. Culler, P.C. Gazes, S.H. Westbrook, and H.S. Ellison. *Journal of S.C. Medical Association* 60:156-158, May 1964.
33. Sodium Heparin Versus Sodium Warfarin in Acute Myocardial Infarction (798 cases). A Group Study with Several Institutions. *Journal of the American Medical Association* 189:555-562, August 1964.
34. Congenital Familial Cardiac Conduction Defects. P.C. Gazes, M.R. Culler, E. Taber and T.E. Kelly. *Circulation* 32:32-34, July 1965.
35. Coronary Care Units: Their Use and Versatility. E.C. O'Bryan, Jr., L.W. Howard, Jr., and P.C. Gazes. *Journal of S.C. Medical Association* 63:188-190, May 1966.

36. Death Rate Among 795 Patients in First Year After Myocardial Infarction. P.C. Gazes, J.R. Kitchell, L.E. Meltzer, W.H. Rosenblatt and O. Roth. *Journal of the American Medical Association* 197, September 12, 1966.
37. DC-Cardioversion in the Treatment of Arrhythmias, with a Special Note on the Use of the Platinum-tipped Electrode for Diagnostic Purposes. E.C. O'Bryan, L.W. Howard and P.C. Gazes. *Journal of S.C. Medical Association* 62 (9), September 1966.
38. Cardiac Pacemakers in the Management of Heart Block. P. Hairston, J.P. Sutton, E.F. Parker, P.C. Gazes, W.H. Lee. *Journal of S.C. Medical Association* 63 (11), November 1967.
39. Arrhythmias Associated with Acute Myocardial Infarction. P.C. Gazes, G.L. Summer. *Circulation* 36 (4), October 1967. Supplement No. 11 p.11-118.
40. Coronary Drug Project Enters Enrollment Phase (Medical News). *Journal of the American Medical Association* 200:37-38, 1967.
41. Parsons, W.: Coronary Drug Project Deserves Support of Nations's Physicians. *Cardiology Digest* January 1967, pp. 13-16.
42. The Coronary Drug Project, Publication 1695. National Heart Institute, Public Health Service, 1968.
43. Cardiac Pacemakers: Vicissitudes and Vaxations. P. Hairston, J.P. Sutton, E.F. Parker, P.C. Gazes and W.H. Lee. *American Surgeon* 34 (8), August 1968.
44. False-positive Exercise Test in the Presence of the Wolff-Parkinson-White Syndrome. P.C. Gazes. *American Heart Journal* 78 (1), July 1969.
45. Continuous Radioelectrocardiographic Monitoring of Football and Basketball Coaches During Games. P.C. Gazes, B.F. Sowell, J.W. Dellastatious. *American Heart Journal* 78:509, October 1969.
46. Diagnostic Clues in Cardiovascular Disease. P.C. Gazes. *Postgraduate Medicine* 47 (2):70, February 1970.
47. The Diagnosis of Angina Pectoris. P.C. Gazes. *Postgraduate Medicine* 47 (4):176, April 1970. Summary. *Cardiology Digest* 5:15, August 1970.
48. Treatment of Acute Myocardial Infarction. Part I: General Management. P.C. Gazes. *Postgraduate Medicine* 47 (6):143, June 1970.
49. Treatment of Acute Myocardial Infarction. Part II: Ventricular Ectopic Arrhythmias. P.C. Gazes. *Postgraduate Medicine* 48 (1):168, July 1970.

50. Treatment of Acute Myocardial Infarction. Part III: Bradyarrhythmias. P.C. Gazes. Postgraduate Medicine 48 (2):141, August 1970.
51. Treatment of Acute Myocardial Infarction. Part IV: Other Complications, Post Hospital Care and Rehabilitation. P.C. Gazes. Postgraduate Medicine 48 (3):219, September 1970.
52. False Positive Exercise Test in Presence of Wolff-Parkinson-White Syndrome. Year Book of Medicine 1970.
53. How to Interpret Electrocardiographic Interpretations, Part I. P.C. Gazes. Postgraduate Medicine 48 (6):243, November 1970.
54. How to Interpret Electrocardiographic Interpretations, Part II. P.C. Gazes. Postgraduate Medicine 48 (6):113, December 1970.
55. The Coronary Drug Project Research Group: Control of Hyperlipidemia: 4. Progress in drug trials of secondary prevention with particular reference to the Coronary Drug Project, in Jones, R.J. (ed), Atherosclerosis (Proceedings of the Second International Symposium). New York, Springer-Verlag, 1970, pp. 586-595.
56. The Coronary Drug Project Research Group: The Coronary Drug Project: Initial findings leading to modifications of its research protocol. Journal of the American Medical Association 214:1303-1313, 1970.
57. Heart drug project yields good results (Medical News). Journal of the American Medical Association 213:954-956, 1970.
58. Noncardiac Surgery in Cardiac Patients. Part 1: Preoperative Evaluation. P.C. Gazes, Postgraduate Medicine 49 (2):170, February 1971.
59. Noncardiac Surgery in Cardiac Patients. Part 2: Preoperative and Operative Management. P.C. Gazes. Postgraduate Medicine 49 (3):172, March 1971.
60. Noncardiac Surgery in Cardiac Patients. Part 3: Postoperative Management. P.C. Gazes. Postgraduate Medicine 49 (4):184, April 1971.
61. Cardiac Failure in Adults: Signs and Symptoms. P.C. Gazes. Postgraduate Medicine 49 (6):130, June 1971.
62. Treatment of Angina Pectoris. P.C. Gazes. Postgraduate Medicine 50 (2):73, August 1971.
63. Adams-Stokes Syndrome: Indications for Permanent Pacemakers. P.C. Gazes. Postgraduate Medicine 50 (4):199, October 1971.
64. Treatment of Heart Failure, Part I. P.C. Gazes. Postgraduate Medicine 51 (4):199,

January 1972.

65. Treatment of Heart Failure, Part II. P.C. Gazes. *Postgraduate Medicine* 51 (4):209, February 1972.
66. The Coronary Drug Project Research Group: The Coronary Drug Project: Findings leading to further modifications of its protocol with respect to dextrothyroxine. *Journal of the American Medical Association* 220:996-1008, 1972.
67. The Coronary Drug Project Research Group: The natural history of myocardial infarction in the Coronary Drug Project: Prognostic indicators following infarction, in Tibblin, G., Keys, A., Werko, L. (eds.), *Preventive Cardiology*. Stockholm, Almqvist & Wiksell, 1972, pp. 54-64.
68. The Coronary Drug Project Research Group: The prognostic importance of the electrocardiogram after myocardial infarction: Experience in the Coronary Drug Project. *Annals of Internal Medicine* 77:677-689, 1972.
69. Preinfarction (unstable) Angina - Prospective Study - Ten Year Followup. P.C. Gazes, E. Mims Mobley, Henry M. Faris, Robert C. Duncan and G. Badger Humphries. Abstract - *Circulation Supplement II* 23, XLVI #4, 1972. *Circulation*, April 1973.
70. Noncardial Endocarditis Following Mitral Valve Replacement. P.C. Gazes, Nicholas D. Vlachakis, Peter Hairston. *Chest* 63 (2):276, February 1973.
71. Managing the Cardiac Emergency. *Medical World News*. *Cardiovascular Review*, p. 62. May 1973.
72. Preinfarction (unstable) Angina - A Prospective Study - Ten Year Followup. P.C. Gazes, E.M. Mobley, Jr., Henry M. Faris, Jr., R.C. Duncan and G.B. Humphries. *Circulation* 48 (2), August 1973.
73. Findings Leading to Discontinuation of the 2.5-mg/day Estrogen Group. The Coronary Drug Project Research Group. *Journal of the American Medical Association* 226 (6):652, November 5, 1973.
74. The Coronary Drug Project Research Group: The Coronary Drug Project: Design, methods, and baseline results (AHA Monograph No. 38). *Circulation* 47 (Suppl 1): II-150, 1973.
75. The Coronary Drug Project Research Group: Prognostic importance of premature beats following myocardial infarction: Experience in the Coronary Drug Project. *Journal of the American Medical Association* 223:1116-1124, 1973.
76. The Coronary Drug Project Research Group: The Coronary Drug Project: Findings leading to discontinuation of the 2.5-mg/day estrogen group. *Journal of the American Medical Association* 226:652-657, 1973.

 223. Coronary Disease Mortality and Risk Factors in Black and White Men: Results from the Combined Charleston, South Carolina and Evans County Georgia, Heart Studies. Archives of Internal Medicine, 155:1521-1527, 1995.
 224. The History and Physical Examination. P.C. Gazes. J S C Med Assoc, 95:451-455, 1999.
 225. Sudden Cardiac Death: Case Report and Pathological Findings. L.O. Butterfield, S.E. Conradi, P.C. Gazes. J S C Med Assoc, 97:410-411, 2001.
 226. Electrocardiographic Findings After Alcohol Septal Ablation Therapy for Obstructive Hypertrophic Cardiomyopathy. L.H. Runquist, C.D. Nielsen, D. Killip, P. Gazes, W.H. Spencer III. Am. J. Cardiol. 90(9):1020-2, 2002.
 227. Comparison of Cardiovascular Risk Factors for High Brachial Pulse Pressure Blacks vs Whites. Charleston Heart Study, Evans County Study, NHANES I and II Studies. P.C. Gazes, D.T. Lackland, W.K. Mountford, G.E. Gilbert, and R.A. Harley. Am. J. Cardiology, in press 2008.

BOOKS

CLINICAL CARDIOLOGY: A BEDSIDE APPROACH

Editor: Peter C. Gazes

Published by:	Year Book Medical Publishers	1975
	Paperback Edition	1977
	Translated into Italian	1978
	Translated into Japanese	1979

CLINICAL CARDIOLOGY: A BEDSIDE APPROACH - Second Edition

Editor: Peter C. Gazes

Published by: Year Book Medical Publishers, 1983

CLINICAL CARDIOLOGY - Third Edition

Editor: Peter C. Gazes

Published by: Lea and Febiger, 1990

CLINICAL CARDIOLOGY: A Cost-Effective Approach - Fourth Edition, 1997

Editor: Peter C. Gazes

Published by: Chapman & Hall, 1997 (Sold to Lippincott, 1998)

CARDIOLOGY PEARLS

Editor: Blase A. Carabello, William L. Ballard, Peter C. Gazes

Published by: Hanley and Belfus, 1994

CARDIOLOGY PEARLS – Second Edition

Editor: Blase A. Carabello and Peter C. Gazes

Published by: Hanley and Belfus, 2001

CHAPTERS IN BOOKS

Chronic Cor Pulmonale

P.C. Gazes

Chapter in book THE HEART

Editors: J.W. Hurst and R.B. Logue

Published by: McGraw-Hill, 1st Edition, 1966

2nd Edition, 1970

The Cardiac Glycosides

R.P. Walton and P.C. Gazes

Chapter in book DRILLS PHARMACOLOGY IN MEDICINE

Editor: Joseph R. DiPalma

Published by: McGraw-Hill, 3rd Edition, 1965

4th Edition, 1971

Premature Beats

P.C. Gazes

Chapter in book CURRENT THERAPY

Editor: Howard F. Conn

Published by: W.B. Saunders, 18th Edition, 1966

Edition, 1975

The Current Status of Intensive Coronary Care

A symposium presented by the American College of Cardiology

X. Dalle, P.C. Gazes, T. Killip, III, J.R. Kitchell, B. Lown, L.E. Meltzer, R. Pinneo and P. Unger

Published by: The Charles Press, July 15, 1966.

Congestive Heart Failure

P.C. Gazes

Chapter in book CURRENT DIAGNOSIS

Editors: Howard F. Conn and Rex B. Conn, Jr.

Published by: W.B. Saunders, 2nd Edition, 1968

Symposium on Exercise and the Heart

National Conference. Journal of South Carolina Medical Association. Supplement No. 1 to 12, Volume 65, December 1969.

P.C. Gazes, one of the editors and chairman of the Workshop Exercise and Stress Testing.

False Positive Exercise Test in Presence of Wolff-Parkinson-White Syndrome

P.C. Gazes

Abstracted by Year Book of Medicine. 1970, p. 388.

Errors Made in the Recognition and Treatment of Heart Disease

P.C. Gazes and R.B. Logue

Chapter in book THE HEART

Editors: J.W. Hurst and R.B. Logue

Published by: McGraw-Hill, 3rd Edition, 1974

Preinfarction (Unstable) Angina: A Prospective Study - Ten Year Follow-Up

P.C. Gazes

Chapter in book CORONARY ARTERY MEDICINE AND SURGERY: Concepts and Controversies.

Editor: John C. Norman

Published by: Appleton-Century-Crofts, 1975

Preinfarctional (Unstable) Angina: A Prospective Study - Ten Year Follow-Up: Prognostic Significance of Electrocardiographic Change

P.C. Gazes

Year Book of Medicine, 1974, p. 344.

Evaluation and Management of the Cardiac Patient in Oral Surgery

P.C. Gazes

Chapter in book CURRENT ADVANCES IN ORAL SURGERY, Volume II

Editor: William B. Irby

Published by: The C.V. Mosby Company, 1977

Errors Made in the Recognition and Treatment of Heart Disease

P.C. Gazes and R.B. Logue

Chapter in book THE HEART

Editors: J.W. Hurst and R.B. Logue

Published by: McGraw-Hill, 4th Edition, 1978

Pericarditis

P.C. Gazes

Chapter in book CURRENT THERAPY

Editor: Howard F. Conn

Published by: W.B. Saunders Publishing Co. 1981

MI in the First Few Days

P.C. Gazes

Chapter in book BACK TO BASICS: Common Emergencies in Daily Practice

Editor: Irvin J. Cohen

Published by: EM Books, N.Y., 1979

Pitfalls in the Recognition and Management of Cardiovascular Disease

P.C. Gazes and R.B. Logue

Chapter in book THE HEART

Editors: J.W. Hurst and R.B. Logue

Published by: McGraw-Hill, 5th Edition, 1982

Common Errors in Diagnosis and Treatment of Heart Disease

P.C. Gazes and R.B. Logue

Chapter in book CLINICAL ESSAYS ON THE HEART

Editor: J.W. Hurst

Published by: McGraw-Hill, 1984

Unstable Angina Pectoris

P.C. Gazes

Chapter in book CURRENT THERAPY IN CARDIOVASCULAR DISEASE 1984-1985

Editor: Nicholas J. Fortuin

Published by: B.C. Decker, Inc., 1984

Iatrogenic Heart Disease

P.C. Gazes

Chapter in book THE HEART

Editor: J.W. Hurst

Published by: McGraw-Hill, 6th Edition, 1986

Management of the Postinfarction Patient

R.B. Leman and P.C. Gazes

Chapter in book PRIMARY CARDIOLOGY, QUICK REFERENCE GUIDES TO
CARDIOVASCULAR MEDICINE

Editor: Norman Brachfeld

Published by: Physicians World Communications International, 1986

Coronary Heart Disease Mortality and Its Predictors Among Charleston, South Carolina Women

J.E. Keil, P.C. Gazes, C.B. Loadholt, H.A. Tyroler, S. Sutherland, A.J. Gross,
M. Knowles, P.F. Rust.

Chapter in book CORONARY HEART DISEASE IN WOMEN

Editor: Elaine D. Eaker, SCD; Barbara Packard, MD, PhD; Nanette Kass Wenger, MD; Thomas
B. Clarkson, DVM; H.A. Tyroler, MD

Published by: Haymarket Doyma Inc., 1987

CHAPTERS IN BOOKS (continued)

Classification of Angina Pectoris

P.C. Gazes

Chapter in book TRANSACTIONS OF THE ASSOCIATION OF LIFE INSURANCE
MEDICAL DIRECTOR OF AMERICA - NINETY-SEVENTH ANNUAL MEETING, VOL.
LXXII

Editor: C. B. Arnold, M.D., M.P.H.

Published by: Joe B. Klay and Sons, Inc., 1989

Predictors of Mortality and Physical Disability in the Charleston Heart Study

J.E. Keil, S.E. Sutherland, P.C. Gazes, M.C. Weinrich, H.A. Tyroler

Chapter in book TRANSACTIONS OF THE ASSOCIATION OF LIFE INSURANCE
MEDICAL DIRECTOR OF AMERICA - NINETY-SEVENTH ANNUAL MEETING, VOL.
LXXII

Editor: C. B. Arnold, M.D., M.P.H.

Published by: Joe B. Klay and Sons, Inc., 1989

Non Cardiac Surgery in the Cardiac Patient

P.C. Gazes

Chapter in book THE HEART

Editor: J.W. Hurst

Published by: McGraw-Hill, 7th Edition, 1990

Noncardiac Surgery in Patients with Heart Disease

P.C. Gazes

Chapter in book CURRENT THERAPY IN CARDIOVASCULAR DISEASE

Editor: J.W. Hurst

3rd Edition, 1984; 4th Edition 1994

Published by Mosby Year Book

Evaluation and Management of Patients with Heart Disease who Undergo Noncardiac Surgery

P.C. Gazes

Chapter in book THE HEART, COMPANION HANDBOOK

Editor: Robert C. Schlant

J.W. Hurst

Published by: McGraw-Hill Inc., 1990

Predictors of Coronary Heart Disease in Blacks

J.E. Keil, H.A. Tyroler, P.C. Gazes

Chapter in book CARDIOVASCULAR DISEASES IN BLACKS

Editor: Elijah Saunders

Published by: F.A. Davis, 1991

TAPES

Update of Congestive Heart Failure

Symposium at AMA Meeting in San Francisco. Sponsored by American College of Cardiology
Audio-Digest Vol 20, #30, August 7, 1972

The Immediate Evaluation and Treatment of Acute Myocardial Infarction

Practical Review in Emergency Medicine, October 28, 1975

Published by Educational Review, Inc., Leeds, Alabama

Use of Digitalis and Pacemakers in Patients with Prior Myocardial Infarction Going for
Noncardiac Surgery

Practical Review in Anesthesiology, January 1977

Published by Educational Review, Inc., Leeds, Alabama

Anginal Syndrome

The American Academy of Family Physicians 1978 Scientific Assembly in San Francisco,
California, September 1978

Audio-Digest

Management of Acute Myocardial Infarction, 1993.

How I Read an Electrocardiogram

Southern Medical Association, Dial Access, Cardiovascular Diseases Section, 1995.

How to Use the Electrocardiogram to Properly Diagnose Cardiac Arrhythmias

Southern Medical Association, Dial Access, Cardiovascular Diseases Section, 1995.
