Honors, Awards and Publications:

- Medical University of South Carolina - Dean's List - 1998-99 academic year
- Published article: "Osteoarthritis: The Pathophysiologic Basis of New and Current Treatments", Advance for Physician Assistants, February 2000, pgs 51-57

Military Experience:

- Commissioned medical officer in South Carolina Army National Guard with current rank of Captain
- Attended US Army Primary Flight Surgeon Course with current subspecialty of Aeromedical Physician Assistant
- Attended Combat Casualty Care Course including successful audit of Advanced Trauma Life Support

Professional Experience:

- **Roper Emergency Physicians – 10/1/03 – present**
Certified Physician Assistant: Practice medicine alongside Board Certified Emergency Physicians in a 26,000 visit per year emergency room. A full range of patients were seen by the PA including emergent, urgent, and non-emergent patients in all age groups. As the lead PA, I also was the liaison with the physicians for any issues and was responsible for scheduling and other administrative duties.
- **South Carolina Sports Medicine and Orthopaedic Center – 9/00 – 9/03**
Certified Physician Assistant: Practice medicine under the direct supervision of an orthopaedic surgeon for all age groups in the office, OR, ER and inpatient hospital settings. More specific duties include extensive experience in both traumatic and operative wound closure, splinting and casting, histories and physicals, ordering and interpreting lab tests and x-rays, ER and hospital consults, and first assisting in the operating room.

- **Charleston Emergency Services – 8/1/02 – present**
Certified Physician Assistant: Practice medicine at Bon Secours St. Francis Xavier Hospital in the emergency department under the supervision of the emergency room attending physician. This includes duties both in the acute care section of the ER as well as the Care Express (fast track) area.
- **Medical University of South Carolina – 10/15/96 – 08/01/99**
Emergency Department Technician: Duties include assisting in all aspects of emergency care in a Level I trauma center such as taking patient histories, 12 lead EKG, phlebotomy, splinting and casting, and assisting with procedures including open thoracotomy, tube thoracostomy, Steinman pin placement, and halo vest placement.
- **South Carolina Stingrays Hockey Club – 09/01/93 – 05/30/95**
Head Athletic Trainer: Responsibilities included prevention, evaluation, management and rehabilitation of all illnesses and injuries for a professional ice hockey franchise under team physicians' supervision
- **Trident Sports Medicine and Rehabilitation Center – 05/17/93 – 05/01/96**
Staff Athletic Trainer: During off season from hockey, set up and administered rehabilitation protocols for various orthopedic injuries in various patient populations; provided sports medicine coverage of local community athletic events such as high school football and basketball, soccer tournaments and local marathons and triathlons
- **Washington Capitals Hockey Club – 10/01/90 – 05/15/93**
Athletic Trainer internship: During the end of my college career and my first year post graduation, assisted the training staff in all aspects of game night preparation and injury treatment/rehabilitation

Memberships and Certifications:
