Admit and follow patients on medicine service.

Manage emergent medical issues in patients on non-medical services (e.g. orthopedics, neurosurgery, urology, psychiatry)

Supervise exercise, cardiolyte and persantine stress tests

Back up medical residents as needed.

08/2001-05/2003

Virginia Commonwealth University

Teaching Assistant, School of Engineering

Tutor and grader for Biology, Chemistry, Electrical engineering and Electrical Circuits

02 / 2001 - 07 / 2001

Manoj Clinic, Pune, India

Medical Officer (House physician)

Patient admission, history, physical examination, initial treatment, patient monitoring and minor surgical procedures

LICENSURE/CERTIFICATION

Board Certified, Internal Medicine ABIM, Expires: 12/2016

South Carolina: medical physician and surgeon, 31585

Pennsylvania: medical physician and surgeon, 12/2008 – 12/2010

DEA Expires: 09/30/2012

ACLS Expires: 03/2011

BCS Expires: 05/2011

ACADEMIC/RESEARCH INTERESTS

07/2006 – 03/2007

Thomas Jefferson University, PA

Artificial Pancreas Laboratory

Dr. Jeffery I Joseph

Develop protocols for testing of different glucose sensors and evaluate the utility of glucose sensors in monitoring of patients on continuous insulin infusions.

08/2005 – 06/2006

Abington Memorial Hospital, Abington, PA

Division of Endocrinology

Dr. Peter Gkonos

Study to evaluate the association of chromosome translocation with Endocrine Disorders in APSII

05/2005 – 06/2006

Abington Memorial Hospital, Abington, PA

Dept of Internal Medicine

Dr. Doron Schneider / Dr. Daniel Rosenberg

Performance improvement project to assess the adequacy of blood sugar control in patients with acute coronary syndromes admitted to a community based teaching hospital.

01 / 2002 – 05 / 2003

Virginia Commonwealth University

Department of Biomedical Engineering

Dr. Gerald Miller

Flow visualization of outlet cannulae of ventricular assist devices using particle image velocimetry and computational fluid dynamics techniques

PROFESSIONAL AFFILIATIONS

American College of Physicians

American Association of Clinical Endocrinologists

PUBLICATIONS/PRESENTATIONS/POSTER SESSIONS

Assessing Adequacy of Blood Glucose Control in patients with Acute Coronary Syndromes admitted to a Community Based Teaching Hospital, Ashwini Gore MD, Sagar Panse MD, Doron Schneider MD. 8th Scientific Forum on Quality of Care and Outcomes Research in Cardiovascular Disease and Stroke May 2007

Blood Glucose Control In Patients With Acute Myocardial Infarction, Ashwini Gore MD, Doron Schneider MD, Daniel Rosenberg MD. AACE annual session 2007.

A case of Leiomyosarcoma of Inferior Vena Cava, Sagar Panse MD, Ashwini Gore MD, Jason Damsker MD. Abstract presented at PCIM annual session 2006.

Hospitalization induced erythropoietin resistance in ESRD patients, Sagar Panse, MD^{*1}, Ashwini Gore, MD¹, Bhargavi Degapudi, MD¹ and Brian Cronin, MD¹.
¹Medicine, Abington Memorial Hospital, Abington, PA, United States. ASN Renal Week 2007

Effect of implementing iron protocol on hemoglobin and erythropoietin requirement in end stage renal disease patients during hospitalization. Bhargavi Degapudi, MD^{*1}, Sagar Panse, MD¹, Ashwini Gore, MD¹ and Brian Cronin, MD¹.
¹Medicine, Abington Memorial Hospital, Abington, PA, United States. ASN Renal Week 2007

HONORS/AWARDS

Gold Standard Employee Award of Abington Memorial Hospital, Nominee 2005-2006

Member of Abington Memorial Hospital medical jeopardy team (Finalists, Southeastern PA region)
