

SOONHO KWON, M.D.

E-mail kwonso@musc.edu

EDUCATIONS

Diploma of Master, 1995
Hanyang University College of Medicine
Seoul, South Korea

M.D. 1988
Hanyang University College of Medicine
Seoul, South Korea

POST-GRADUATE TRAINING

Fellowship, July 2000-June 2003
Endocrinology, Diabetes & Medical Genetics
Medical University of South Carolina
Charleston, South Carolina

Research Fellowship, July 2000- June 2001
Endocrinology, Diabetes & Medical Genetics
Medical University of South Carolina
Charleston, South Carolina

Residency, July 1997-June 2000
Internal Medicine
St. Elizabeth Health Center
Northeastern Ohio University College of Medicine
Youngstown, Ohio

Fellowship, 1995-1997
Endocrinology, Diabetes & Metabolism
Samsung Medical Center
Sungkyunkwan University College of Medicine
Seoul, South Korea

Residency, 1988-1992
Internal Medicine
Samsung Medical Center
Sungkyunkwan University College of Medicine
Seoul, South Korea

SOONHO KWON, M.D.

PROFESSIONAL EXPERIENCES

Assistant Professor, July 2006-present
Endocrinology, Diabetes & Medical Genetics
Medical University of South Carolina
Charleston, South Carolina

Clinical Instructor, July 2003-June 2006
Endocrinology, Diabetes & Medical Genetics
Medical University of South Carolina
Charleston, South Carolina

Director of Internal Medicine, 1992-1995
Department of Internal Medicine
The 3rd Naval Hospital
Seoul, South Korea

RESEARCH EXPERIENCES

Co-Investigator of PANDA study
Endocrinology, Diabetes & Medical Genetics
MUSC

Co-Investigator of EDIC study
Endocrinology, Diabetes & Medical Genetics
Medical University of South Carolina
Charleston, South Carolina

Research Fellowship, July 2000-June 2001
Endocrinology, Diabetes & Medical Genetics
Medical University of South Carolina
Charleston, South Carolina

Clinical Research, 1995-1997
Endocrinology, Diabetes & Metabolism
Samsung Medical Center
Sungkyunkwan University College of Medicine
Seoul, South Korea

SOONHO KWON, M.D.

**LICENSURES
CERTIFICATIONS**

**American Board of Endocrinology, Diabetes
&Metabolism, Dec.2004
American Board of Internal Medicine, Nov. 2001
South Carolina Medical Board, Sep. 2001
ECFMG Standard Certificate, 1996
Korean Board of Internal Medicine, 1992**

MEMBERSHIPS

**American Association of Clinical Endocrinology
American Diabetes Association**

HONORS/AWARDS

Teacher of months on February, 2009

Physician of months on March, 2009

**Excellent Faculty Award selected by 4th Medical
Students, MUSC 2006, 2007, 2008**

**Endocrinology Fellows Forum of Excellence Winner
May, 2001**

Representative of Master of Medicine, 1995

Excellence in clinical medicine internship, 1989

SOONHO KWON, M.D.

SCIENTIFIC PRESENTATIONS

Poster Presentation

Jyotika Fernandes, Sara Shaughnessy, **Soonho Kwon**, Kelley Martin, Amy Hutto, Carolyn Dawkins, Bradley Newcomer, Helliner Vestri, Penny Wallace, Lidia Maianu, W. Timothy Garvey

“Relationship between Insulin Sensitivity and Intramyocellular Lipid during Short Term Very Low Calorie Diet in Obese Type 2 Diabetics”

ADA 63rd Scientific Session, New Orleans, LA, June 13-17, 2003

Poster Presentation

Lidia Maianu, **Soonho Kwon**, Sara Shaughnessy, Amy Hutto, Penny Wallace, Perry Bickel, W. Timothy Garvey.

“Flotillin-1 Expression in Skeletal Muscle Is Altered in Insulin-Resistant Humans”

ADA 62nd Scientific Sessions, San Francisco, CA, June 14-18,2002

Poster Presentation

Soonho Kwon, Eveline Waring, Kimberly Pugh, Peng Huang, Penny Wallace, Sara Shaughnessy, Alicia Jenkins, Richard L Klein and W. Timothy Garvey

“Effect of Insulin Resistance and Type 2 Diabetes on the Nuclear Magnetic Resonance Lipoprotein Subclass Profile”

ADA 61nd Scientific Sessions, Philadelphia, PA, June ,2001

Poster Presentation

Kimberly Pugh, Eveline Waring, **Soonho Kwon**, Peng Huang, Penny Wallace, Sara Shaughnessy, Alicia Jenkins, Richard L Klein and W. Timothy Garvey

“Effect of Race on the NMR Lipoprotein Profile and Insulin Resistance Syndrome: Lipids and Blood pressure are not influenced by Insulin Resistance in African Americans.

ADA 61nd Scientific Sessions, Philadelphia, PA, June ,2001

Poster Presentation, June 14,1996, San Francisco, CA

The 10th International Congress of the Endocrine Society

“The Clinical Study of Thyroid nodules in Korea”

Kwon SH, Kim BS, Kim BI, Jung ES, Lee SJ

SOONHO KWON, M.D.

Oral Presentation, Oct. 1995

The 8th Japan-Korea Diabetes Symposium

“Vascular dysfunction detected by Simplified Venous occlusion test in type 2 Diabetes”

Kwon SH, Chang NS, Lee MH, Lee SJ

Ube, Japan

Oral Presentation, May 1991

The 8th Japan-Korea Diabetes Symposium

“Clinical Study on Coronary Atherosclerosis in type 2 Diabetes”

Kwon SH, Lee MH, Jhoo YM, Lee SJ, Imm JW

Sendai, Japan

PUBLICATIONS

Youlian Liao, **Soonho Kwon**, Sara Shaughnessy, Penny Wallace, Amy Hutto, Alicia J. Jenkins, Richard L. Klein, and, W. Timothy Garvey.

“Critical Evaluation of ATP III Criteria in Identifying Insulin Resistance with Dyslipidemia “

Diabetes Care 27(4):978-983,2004

Soonho Kwon, Kathie Hermayer.

“ A case report of postpartum thyroiditis”

The Journal of SCMA 99 :342-345,2003

W.Timothy Garvey, **Soonho Kwon**, Eveline Waring, Kimberly Pugh, Peng Huang, Penny Wallace, Sara Shaughnessy, Alicia Jenkins, Richard L Klein

“Effect of Insulin Resistance and Type 2 Diabetes on the Nuclear Magnetic Resonance Lipoprotein Subclass Profile”
