

**JOSEPH ROMAGNUOLO** MD, FRCPC, MSc (Epid), FASGE, FACG  
**GASTROENTEROLOGY, ADVANCED ERCP & ENDOSCOPIC ULTRASOUND  
OUTCOMES RESEARCH**  
**DIRECTOR OF CLINICAL RESEARCH**

**OFFICE ADDRESS:** Medical University of South Carolina  
25 Courtenay Drive, ART 7100A  
MSC 290  
Charleston, SC  
29425-2900 USA

**PHONE:** (843) 876-4261  
Admin Assistant: Margie Jones  
**FAX:** (843) 876-7232

**EDUCATION:**

<b>INSTITUTION/LOCATION</b>	<b>YEARS</b>	<b>DEGREE/DATE</b>	<b>FIELD OF STUDY</b>
University of Toronto	1988 to 1990	N/A (early MD acceptance)	Biochemistry
University of Toronto	1990 to 1994	MD (June 1994)	Medicine
University of Toronto & Univ. of Alberta, Edmonton	1994 to 1999	FRCPC (Aug 6, 1998)	Internal Medicine with GI
McGill University, Montreal	1999 to 2001	MSc (Epid) (Nov 2001)	Epidemiology & Biostatistics

**INTERNSHIP:**

	<b>PLACE</b>	<b>DATES</b>
PGY-I, Internal Medicine	University of Toronto St. Michael's Hospital, Toronto, Ontario, Canada Drs. T. Moore & J. Tenenbaum, Program Directors	1994-1995

**RESIDENCIES OR POST DOCTORAL:**

	<b>PLACE</b>	<b>DATES</b>
PGY-II, Internal Medicine	University of Toronto St. Michael's Hospital, Toronto, Ontario, Canada Drs. T. Moore & J. Tenenbaum, Program Directors	1995-1996
PGY-III, Internal Medicine	University of Toronto The Toronto Hospital, Toronto, Ontario, Canada Drs. H. Ho Ping Kong & J. Tenenbaum, Program Directors	1996-1997
PGY-IV, Int. Med. & GI "overlap" year	University of Alberta W. C. Mackenzie Health Sciences Ctre, Edmonton, AB, Canada Drs. D.C. Sadowski & Dr. E. Toth, Program Directors	1997-1998
PGY-V, Gastroenterology	University of Alberta W. C. Mackenzie Health Sciences Ctre, Edmonton, AB, Canada Drs. D.C. Sadowski, Program Director	1998-1999
<b>Post-gastroenterology Research/Clinical Fellowship:</b>		
PGY-VI & PGY-VII, ERCP and EUS, Research Methodology	McGill University Montreal General Hospital, Montreal, PQ, Canada Dr. Alan Barkun, Supervisor	1999-2001
PGY-VII, Short-term Attachment	Linear EUS with FNA, Biliopancreatic manometry Medical University of South Carolina (MUSC), Digestive Diseases Centre (DDC) Drs. Peter Cotton (DDC Director), Robert Hawes	Jan 01 – Mar 01

**MSc Degree Program, with Thesis:**

1999-2001      Thesis Title: MRCP Versus ERCP for the Management of Patients with Suspected Biliary Obstruction: An Interim Analysis of a Randomized Effectiveness Trial  
 Thesis Co-supervisors: A.N. Barkun MD MSc (Epid), L. Joseph PhD (Statistics)  
 Committee Members: C. Reinhold, MD MSc (Epid), Dept Radiology  
**Course average – 93%**

**Miscellaneous Courses/Certificates:**

2004 (Aug. 28)      CITI Course in the Protection of Human Research Subjects  
 2006 (Sept 8)      Basic Life Support (BLS/CPR)  
 2006 (Oct 13)      Advanced Cardiovascular Life Support (ACLS)

**CERTIFICATION:****SPECIALTY/BOARD CERTIFICATION****DATE**

Licentiate of the Medical Council of Canada  
Part I - May 1994; Part II - October 1995

January 17, 1996

American Board of Internal Medicine (ABIM)  
Diplomate, Specialist in Internal Medicine – Aug 20, 1997

November 5, 1997

Royal College of Physicians and Surgeons (RCPS) of Canada  
Fellow of the RCPS, Specialist in Internal Medicine

August 6, 1998

Royal College of Physicians and Surgeons (RCPS) of Canada  
Certificate of Special Competence in Gastroenterology, no expiry

September 28, 1999

American Board of Internal Medicine (ABIM)  
Subspecialist in Gastroenterology – Fall 2000

November 8, 2000

**MAJOR TEACHING RESPONSIBILITIES (CURRENT):****UNDERGRADUATE MEDICAL EDUCATION:****LECTURES**University of Calgary:

2001

Acute and Chronic Pancreatitis. Gastroenterology – Medicine-408, November 23, 2001 – 1 hour

Gastrointestinal Endoscopy – Medicine-408, December 11, 2001 – 1 hour

2002

Acute and Chronic Pancreatitis. Gastroenterology – Medicine-408, November 2002 – 1 hour

Gastrointestinal Endoscopy – Medicine-408, November 2002 – 1 hour

Gastric and Esophageal Cancer – Medicine-408, November 2002 – 1 hour

2003

Chronic Pancreatitis &amp; Recurrent Abdominal Pain. Gastroenterology – Medicine-408, November 2003 – 1 hr

Gastric and Esophageal Cancer – Medicine-408, November 2003 – 1 hour

**SMALL GROUP TEACHING**University of Calgary:

2001

Critical Appraisal of the Literature Series. McGill University, Gastroenterology Residents 1999-2001.

Upper GI Bleeding. Gastroenterology – Medicine-408, December 3-4, 2001 – 2.5 hours

Hematochezia. Gastroenterology – Medicine-408, December 4-5, 2001 – 2.5 hours

2002

Upper GI Bleeding. Gastroenterology – Medicine-408, November 2003 – 2.5 hours

Acute Abdomen. Gastroenterology – Medicine-408, November 2003 – 2.5 hours

Obstructive Jaundice. Gastroenterology – Medicine-408, November 2003 – 2.5 hours

2003

Acute Abdominal Pain. Gastroenterology – Medicine-408, November 2002 – 2.5 hours

Chronic/Recurrent Abdominal Pain. Gastroenterology – Medicine-408, November 2002 – 2.5 hours

Obstructive Jaundice. Gastroenterology – Medicine-408, November 2002 – 2.5 hours

---

**BEDSIDE TEACHING**University of Calgary:

2001-2004

Clinical Core – Bedside Teaching – 5-6hrs/yr

Coordination, evaluation and supervision of rotating medical students (clerkship) through GI inpatient consults and ambulatory clinic – 3-5hr/week

Medical University of South Carolina:

2004-5

Physical Diagnosis II - 4 sessions x 2 hours of Bedside Teaching

2008-9

Physical Diagnosis II - 5 sessions x 1.5 hours of Bedside Teaching

**OTHER**University of Calgary:

2002

Protocol Reviews and Marking for MDCN 340 Research Methods Evidence-Based Medicine – 6hrs

2003

Undergraduate Medicine GI Course “Chronic or Recurrent Abdominal Pain” Unit Manager

- completely revised the previous Abdominal Pain section
- production of new GI core document
- redefining lecture topics and revising the small-group session case (and tutor’s version)

**GRADUATE MEDICAL EDUCATION:****Postgraduate:****NON-CLINICAL TEACHING**Medical University of South Carolina:**2004**

Organizer/chair of Gastroenterology/Hepatology Division and Digestive Disease Center (DDC) clinical research rounds, Development and planning of clinical research curriculum

Lecturer on clinical trials, epidemiology and statistical concepts at GI/DDC clinical research rounds

- Database analysis
- Parametric and non-parametric tests
- Health economics, decision analysis and Markov modelling

**2005**

Organizer/chair of Gastroenterology/Hepatology Division and Digestive Disease Center (DDC) clinical research rounds, Development and planning of clinical research curriculum

Lecturer on clinical trials, epidemiology and statistical concepts at GI/DDC clinical research rounds:

- Odds ratios, risk ratios, and case-control/cohort studies: shedding light into the black box
- Interpreting rejection (from granting agencies and journals)
- p-values, confidence intervals, and Bayesian analysis

Lecture to Radiology residents:

- Biliary Disease

**2006**

Organizer/chair of Gastroenterology/Hepatology Division and Digestive Disease Center (DDC) clinical research rounds, Development and planning of clinical research curriculum

Lecturer on clinical trials, epidemiology and statistical concepts at GI/DDC clinical research rounds:

- Proposed multicenter registry for patients with recurrent acute idiopathic pancreatitis.
- Triage of low risk gastrointestinal bleeding without endoscopy

**2007**

Organizer/chair of Gastroenterology/Hepatology Division and Digestive Disease Center (DDC) clinical research rounds, Development and planning of clinical research curriculum

**2008**

Organizer/chair of Gastroenterology/Hepatology Division and Digestive Disease Center (DDC) clinical research rounds, Development and planning of clinical research curriculum

Lecturer at GI/DDRC research rounds:

- Allopurinol in post-ERCP pancreatitis
- Canadian experience with gastric variceal gluing

Lecturer at Biometry Dept Seminars:

- A career in clinical research – Telling it like it is.

**2009**

Organizer/chair of Gastroenterology/Hepatology Division and Digestive Disease Center (DDC) clinical research rounds, Development and planning of clinical research curriculum

Lecturer at GI/DDRC research rounds:

- Interpreting Rejection

Lecturer at Biometry Dept Seminars:

- Mentorship and Protected Time: Starting a Clinical Research Career.

**CLINICAL TEACHING**

University of Calgary:

**2001**

Gastroenterology resident bedside teaching (inpatient consults & clinics) – 2-5 hrs/wk

**2002**

Gastroenterology resident bedside teaching (inpatient consults & clinics) – 2-5 hrs/wk

Therapeutic Endoscopy/EUS endoscopy training – 5-10 hrs/week and 11-15 hrs/wk

**2003**

Gastroenterology resident bedside teaching (inpatient consults & clinics) – 2-5 hrs/wk

Therapeutic Endoscopy/EUS endoscopy training – 5-10 hrs/week and 11-15 hrs/wk

Examiner, Western Canada Gastroenterology Examinations - January 2003

Internal Medicine Resident Rounds (ERCP, EUS and gallstone pancreatitis) – July 14, 2003

**2004**

Gastroenterology resident bedside teaching (inpatient consults & clinics) – 2-5 hrs/wk

Therapeutic Endoscopy/EUS endoscopy training – 5-10 hrs/week and 11-15 hrs/wk

Examiner, Western Canada Gastroenterology Examinations - January 2004

Moved to Medical University of South Carolina:

**2004**

Gastroenterology resident bedside teaching (inpatient consults) – 2 hrs/wk

Therapeutic Endoscopy and ERCP (including pancreatobiliary clinic) 5-10 hrs/week

Endoscopic Ultrasound Training - 12-16 hrs/wk

**2005**

Gastroenterology resident bedside teaching (inpatient consults) – 2 hrs/wk

Therapeutic Endoscopy and ERCP (including pancreatobiliary clinic) 5-10 hrs/week

Endoscopic Ultrasound Training - 12-16 hrs/wk

**2006**

Gastroenterology resident bedside teaching (inpatient consults) – 2 hrs/wk

Therapeutic Endoscopy and ERCP (including pancreatobiliary clinic) 5-10 hrs/week

Endoscopic Ultrasound Training - 12-16 hrs/wk

---

**2007**

Gastroenterology resident bedside teaching (inpatient consults) – 2 hrs/wk  
Therapeutic Endoscopy and ERCP (including pancreatobiliary clinic) 5-10 hrs/week  
Endoscopic Ultrasound Training - 12-16 hrs/wk

**2008**

Gastroenterology resident bedside teaching (inpatient consults) – 2 hrs/wk  
Therapeutic Endoscopy and ERCP (including pancreatobiliary clinic) 5-10 hrs/week  
Endoscopic Ultrasound Training - 12-16 hrs/wk

**2009**

Gastroenterology resident bedside teaching (inpatient consults) – 2 hrs/wk  
Therapeutic Endoscopy and ERCP (including pancreatobiliary clinic) 5-10 hrs/week  
Endoscopic Ultrasound Training – 8-12 hrs/wk

---

**RESEARCH SUPERVISION**

- Sarah Jowett MD Predictors of Failure of ERCP. (2001-2)  
**Including, supervision of peer-reviewed salary support application and proposal to CAG (2001)**
- Ian Gan MD Initial and 24-hour-hematocrit as predictors of severe pancreatitis. (2001-3)
- Rafael F. Perini MD How accurate is the preoperative assessment of pancreatic cystic lesions? (2001-2)
- Radha Anand Indications and prevalence of abnormal findings on endoscopic ultrasound (2002)
- Gil Kaplan MD Appropriate Use of Intravenous Pantoprazole in the Calgary Health Region. (2002-3)  
Interventions to increase evidence-based prescription of IV pantoprazole (2002-3)
- Abdul Aljebreen MD FRCPC  
Using EUS to diagnose pancreatic cystic lesions requiring surgical resection.  
(2002-4)
- Chris Andrews MD Prospective validation of clinical prediction score for Hepatitis C histology (2002-4)
- Sandeep Nadella Quality of life of patients undergoing palliative endoscopic stenting (2003)
- Steve Heitman MD Cost-effectiveness of metal versus plastic biliary stenting: Canadian Markov model  
(2002-3)  
Virtual colonoscopy versus colonoscopy – an economic evaluation (2003-4)  
Incidence of cholangitis with biliary plastic stent blockage (2003-4)
- Nitin Khanna MD FRCPC  
Usefulness of post-procedural radiologic interpretation of ERCP (2003-4)
- Naif Albugami MD A Canadian tertiary centre's experience with gastric variceal gluing (2003-4).
- Gus Attwell MD Pancreatic sphincterotomy and longterm outcomes (2004-2005).
- Greg Borak MD Longterm follow-up of endoscopically treated pancreas divisum (2004-2005).
- Andre Chong MD Correlation of EUS with surgical pathology for chronic pancreatitis (2004-2005).
- Joe Gallagher MD Fatal and severe complications of ERCP (2004-2005).
- Scott Miller MSc (Biometry Dept) candidate, co-supervised with Deb Sinha, PhD: Bayesian methods in meta-analysis of studies of diagnostic tests (2004-present).  
**MSc Thesis Committee**
- Jason Wilson MD Endoscopic findings in symptomatic patients after gastric bypass (2005-6)

- 
- Marcelo Vela MD Non-erosive reflux disease and functional heartburn: characterization by impedance-pH and electron microscopy. (2005-6)  
**MSc Thesis Committee**

- Don Garrow MD Colon cancer and diabetes – an epidemiologic study (2005-2006).  
**MSc Thesis Committee, Chair**
- Jason Conway MD EUS in biliary obstruction: A meta-analysis (2005-6).
- Inder Mainie MD EUS vs. ERCP for pancreas divisum (2005-6).
- Rhys Vaughan MD EUS vs. ERCP for pancreas divisum (2005-6).
- Moss Mann MD Biliary stenting and post-ERCP pancreatitis, and the influence of sphincterotomy (2005-6).
- Matthew Carnes MD Large balloon sphincteroplasty for large CBD stones (2005-6).
- Eli Penn MD Ethnic diversity in colonic polyp prevalence and incidence (2006-7).  
Survey exploring ethnic and gender differences in reasons for not returning for surveillance colonoscopy after polypectomy (2008-9)
- Vignesh Shivakumar MD Contrast-EUS in detection of metastatic disease and pancreatic tumors (2006-7, including supervision of grant preparation).
- Vignesh Shivakumar MD Side-branch IPMN treatment and natural history (2006-7).
- Vasu Appalenani MD EUS-guided alcohol blocks and fibrosis in a pig model (2006-7).
- Dolores Rhodes MD EUS features as a predictor of sphincter of Oddi manometry (2006-7).
- Jon Walker MD Yield of EUS for “fullness” of the head of pancreas on CT/MR (2007-8).
- Andrew Taber MD Monitoring/recording colonoscopy withdrawal time and polyp detection (2007-8).
- Jason Wilson MD EUS after altered surgical anatomy (2008-9).  
EUS-guided botox for gastroparesis, a RCT (2007-8, grant preparation)
- Chris Desmond MD Follow-up after endoscopic mucosal resection of cancer (2008-9).
- Noah Devicente MD Yield of EUS FNA with and without the use of a stylet (2008-9).
-

**GRADUATE STUDIES EDUCATION:**

Evaluating a new diagnostic test: More than sensitivity and specificity. Community Health Sciences Departmental Seminar Series – 1hr (January 2002).

EUS versus standard care for acute biliary pancreatitis. GIRG Seminar Series – 1 hr (November 2002).

MSc Thesis Committee memberships (MUSC), Dept of Biometry, Bioinformatics and Epidemiology:  
Scott Miller (04-05)  
Marcelo Vela (05-06)  
Donald Garrow (05-06) - **Chairman**

Clinical Research: Telling it like it is. Dept of Biometry, Bioinformatics and Epidemiology. Master's of Clinical Research Seminar Series. March 2008.

Mentorship, protected time and a clinical research career. Dept of Biometry, Bioinformatics and Epidemiology. Master's of Clinical Research Seminar Series. March 2009.

**CONTINUING MEDICAL EDUCATION****2001**

- October 2001      Therapy of Barrett's Esophagus.  
GI Divisional rounds, La Dolce Vita, Calgary, AB, Canada
- November 1, 2001      Co-Chair of "Screening Strategies in Gastroenterology", Lima, Peru
- November 1, 2001      Critical Appraisal of Prevention Studies, Lima, Peru
- November 1, 2001      Workshop Leader, "Therapy of Barrett's Esophagus", Lima, Peru
- November 24, 2001      Debate, "Esophagectomy for Barrett's with High-grade Dysplasia", Banff, AB  
"No"-side, versus Dr. Connie Switzer, Edmonton, AB  
Buffalo Mountain Lodge, Banff, Alberta, Canada

**2002**

- February 12, 2002      Dyspepsia and GERD – Who to investigate? How to investigate? How to treat?  
Foothills Professional Building, Calgary, Alberta, Canada
- April 21, 2002      Endoscopic Therapies will replace laparoscopic fundoplication for PPI-refractory  
GERD. – "Yes" side of debate, versus Dr. Phil Mitchell, Calgary, AB.  
Rim Rock Hotel, Banff, Alberta, Canada
- June 9, 2002      Advanced Therapeutic Endoscopy.  
Post Hotel, Banff, Alberta, Canada
- July 12, 2002      Endoscopic Ultrasound.  
Stewart Creek, Canmore, Alberta, Canada.

**2003**

- January 22, 2003 Endoscopic stenting for pancreatic cancer  
GI Tumor Group City-wide Rounds  
La Chaumiere, Calgary, Alberta, Canada
- January 29, 2003 Endoscopic therapies for pancreatic cancer  
GI Divisional Rounds  
Murriet's West Coast Bar and Grill, Calgary, Alberta, Canada
- April 12, 2003 IV pantoprazole use and misuse in the Calgary Health Region.  
GI Emergencies Meeting, Rim Rock Hotel, Banff, Alberta, Canada
- November 6-7, 2003 **Co-organizer, Calgary Endoscopy Nursing Days (Western Canada Therapeutic Endoscopy Nursing Course)**  
Peter Lougheed Advanced Therapeutic Endoscopy Centre (ATEC), Calgary
- November 7, 2003 Endoscopic Ultrasound (lecture)  
Calgary Endoscopy Nursing Days  
Peter Lougheed Advanced Therapeutic Endoscopy Centre (ATEC), Calgary
- November 7, 2003 EUS esophageal cancer staging (radial & mini-probe),  
EUS-guided celiac node FNA (demonstration), and  
EUS-guided pseudocyst drainage (demonstration)  
Calgary Endoscopy Nursing Days  
Peter Lougheed Advanced Therapeutic Endoscopy Centre (ATEC), Calgary

**2004**

- April 16-18, 2004 Lecturer and workshop leader for Antisecretories Best Practice Slide Kit  
Fairmont Empress Hotel, Victoria, BC
- May 8, 2004 "Train the trainer:" Antisecretories Best Practice  
Training for Dr. Witzke, Surgery, Medicine Hat  
Best Western, Calgary, AB
- May 29, 2004 PPI Pharmacology: Are they all the same  
Beyond Medication, a College of Family Physicians of Canada accredited CME prgm.  
Sheraton Eau Claire, Calgary, AB
- May 29, 2004 Barrett's Esophagus  
Beyond Medication, a College of Family Physicians of Canada accredited CME prgm.  
Sheraton Eau Claire, Calgary, AB
- June 22, 2004 Burning issues in the management of acid-related disorders for the retail pharmacist.  
Calgary pharmacists CME event.  
Fairmont Palliser Hotel, Calgary, AB

October 22-23, 2004 Advanced EUS Course for Physicians (Linear EUS, FNA, Celiac Block)  
Role: Syllabus package update, live EUS demos, and Pig Lab Hands-on Mentor.  
MUSC and Strom Thurmond Biomedical Research Center, Charleston, SC, USA.

### 2005

May 21-22, 2005 Endoscopic Research Round-table Discussion x 2.  
Advanced Endoscopy at the Beach  
Wild Dunes Resort, Isle of Palms, SC, USA.

May 24-25, 2005 Endoscopic Ultrasound Demonstrations/Cases.  
Program for 8 British GI trainees  
MUSC, Charleston, SC, USA.

Sept. 23-24, 2005 Endoscopic Ultrasound Course for Physicians  
Role: Syllabus package update, live EUS demos, and Pig Lab Hands-on Mentor.  
MUSC and Strom Thurmond Biomedical Research Center, Charleston, SC, USA.

Oct. 6-7, 2005 EUS Course for Nurses  
Lecture: "Needle Points," plus live demonstrations  
MUSC, Charleston, SC, USA

### 2006

April 20-21, 2006 Advanced ERCP Tutorial (for Physicians)  
Morning moderator/chair – Topics: divisum therapy, intrahepatic stones, MRCP,  
pancreatic sphincterotomy and stenting, intraductal ultrasound.  
MUSC, Charleston, SC, USA

### 2007

July 12, 2007 Diagnostic approaches to biliary/pancreatic strictures  
12<sup>th</sup> Annual Medical and Surgical Approaches to GI disorders  
**Medical College of Georgia**  
Kiawah Island, SC, USA

July 16, 2007 Biliary Imaging: Invasive and Non-invasive Options.  
**Medical Ground Rounds**, Medical University of South Carolina (MUSC)  
Charleston, SC, USA.

---

- September 8, 2007 Endoscopic ultrasound – clinical applications and indications for the community gastroenterologist.  
**American College of Gastroenterology (ACG) Regional Postgraduate Course**  
Williamsburg, Virginia, USA
- December 6, 2007 Endoscopic ultrasound contrast and NOTES (natural orifice transluminal endoscopic surgery)  
Bioengineering clinical seminar on digestive disease videoteleconference with  
Clemson University, University of South Carolina, and the INBRE members  
Charleston, SC, USA

**2008**

- October 8, 2008 Diagnosis and management of chronic pancreatitis  
**American College of Gastroenterology (ACG) Annual Meeting**  
Orlando, FL, USA
- December 11, 2008 Chronic pancreatitis  
**Ochsner Clinic, GI Grand Rounds**  
New Orleans, LA, USA

**2009**

- January 6, 2009 EUS for the non-EUS Gastroenterologist  
Evening CME event  
Augusta, GA, USA
- January 7, 2009 Chronic pancreatitis  
**Medical College of Georgia (MCG), Medical Grand Rounds**  
Augusta, GA, USA
- January 29, 2009 Advances in the Investigation of Suspected Biliary Obstruction  
**Wake Forest University, GI Grand Rounds**  
Winston-Salem, NC, USA
- January 29, 2009 Interpreting Grant/Journal Rejection  
**Wake Forest University, GI Fellow's Seminar**  
Winston-Salem, NC, USA
- March 14, 2009 Endoscopic Mucosal Resection (EMR) and Submucosal Dissection (ESD)  
**Tulane GI Symposium: Endoscopic, Minimally Invasive, and Medical Approaches to Gastrointestinal Cancer: What's Here and What's on the Horizon**  
New Orleans, LA, USA (pending)

May 9, 2009

Topic TBA

**Gastroenterology Association of Venezuela**

Caracas, Venezuela

## MAJOR CLINICAL INTERESTS AND RESPONSIBILITIES:

### Medical University of South Carolina (2004-present):

Interventional Endoscopic Ultrasound (FNA, celiac block, etc) – one of three (~1100/yr for group)

Advanced ERCP (Biliopancreatic manometry, lithotripsy, intraductal ultrasound, pancreatic therapy, etc) – one of five (~1000/yr for group)

GI Oncology (diagnosis, staging, palliation, treatment):

- Luminal metal stenting

- Endoscopic mucosal resection (EMR)

- Argon Plasma Coagulation (APC) tumor ablation/debulking

Balloon (Deep) Enteroscopy

### University of Calgary (2001-2004):

Endoscopic Ultrasound (EUS) Clinical Leader

- only interventional endosonographer in western Canada until Sept03, performing 250/yr
- development of EUS procedural database

Advanced ERCP, including pancreatic therapy, intraductal endoscopy, metal stents, cystgastrostomy/cystduodenostomy

- one of 4 ERCPists in the Calgary Health Region, performing together 1100 ERCPs/yr

ERCP and biliopancreatic manometry, Biliopancreatic pain consultant

- one of 2 in the Calgary Health Region

Development of the ATEC logo for the University of Calgary therapeutic endoscopy group.

ATEC representative for the Alberta Health Specialist on-call (SOC) reimbursement program

GI Oncology (diagnosis, staging, palliation) – Tom Baker Cancer Centre GI Tumor Group Executive Member:

- Luminal (self-expandable) Metal Stenting (Esophageal, Gastroduodenal, Colonic)

- one of 4 in the Calgary Health Region

Misc. Advanced Endoscopy: Argon plasma coagulation, mucosal resection, gastric variceal gluing

- one of 2 at our institution

PEG, PEG-J, NJ tube placement

## LECTURES AND PRESENTATIONS:

### INVITED LECTURES AND PRESENTATIONS

#### *Local or Regional:*

1. **Non-cardiac chest pain.**

Gastroenterology Grand Rounds

McGill University Health Center, Montreal, Quebec, Canada. October 1999.

2. **Surgical and endoscopic management of choledochal cysts.**

Gastroenterology Grand Rounds.

McGill University Health Center, Montreal, Quebec, Canada. October 4, 2000.

3. **Endoscopic ultrasound: Advances in abdominal diagnostics.**

Medical Grand Rounds.

Foothills Medical Centre, University of Calgary, Calgary, Alberta, Canada, October 16, 2001.

4. **Endoscopic ultrasound.**

Gastroenterology/General Surgery Rounds.

Foothills Medical Centre, University of Calgary, Calgary, Alberta, Canada, October 19, 2001.

5. **Esophageal Cancer Staging.**

Oncology Grand Rounds.

Tom Baker Cancer Center/Alberta Cancer Board, University of Calgary, Calgary, Alberta, Canada, October 24, 2001.

6. **Proton pump inhibitors plus conventional NSAIDs are better than Cox-2 inhibitors.** – “Yes” side of debate, versus Dr. S. Coderre, University of Calgary, AB

Gastrointestinal Research Group (GIRG)

Banff Park Lodge, Banff, Alberta, Canada, January 27, 2002.

7. **Magnetic Resonance Cholangiopancreatography (MRCP): A step-wise evaluation of a new diagnostic technology.**

Medical Grand Rounds.

Montreal General Hospital, McGill University Health Center (MUHC), Montreal, Quebec, Canada, April 17, 2001.

8. **MRCP: Should it replace ERCP?**

Gastroenterology/General Surgery Rounds.

Tom Baker Cancer Centre Auditorium, Calgary, Alberta, Canada, May, 2002.

**9. Hemoclips, IV PPI and Early Discharge: State of the Art Management of Non-variceal Upper GI Bleeding.**

Medical Grand Rounds.

Peter Lougheed Centre, University of Calgary, Calgary, Alberta, Canada, April 22, 2003.

**10. Endoscopy (EUS and ERCP) in the diagnosis of biliopancreatic malignancy.**

Cytolopathology Rounds.

Grace Women's Health Centre, University of Calgary, Alberta, Canada, July 21, 2003.

**11. Endoscopic ultrasound of the biliopancreatic tree.**

"Advanced endoscopy and imaging" Section of Retreat, Faculty (& endoscopy section chair).

GIRG (GI Research Group) Annual Research Retreat, Banff, Alberta, Canada, March 28, 2004.

**12. Biliary disease.**

Radiology Resident Rounds.

Medical University of South Carolina (MUSC), Charleston, SC, Nov. 9, 2005.

**13. Advances in imaging of biliary and pancreatic strictures.**

Medical Grand Rounds.

Medical University of South Carolina (MUSC), Charleston, SC, July 17, 2007.

*Non-local (non-International, visiting):*

**14. Advances in the investigation of suspected biliary obstruction:**

**What can we do? What should we do?**

Intestinal Diseases Research Group Rounds.

McMaster University Medical Centre, Hamilton, Ontario, Canada, April 18, 2000.

**15. Biliary imaging: Effectiveness and economic impact of new advances.**

Gastroenterology Rounds.

University of Alberta, Edmonton, Alberta, Canada, June 13, 2000.

**16. Invasive vs noninvasive imaging in the management of suspected biliary obstruction.**

Division of Gastroenterology, Visiting Speaker.

University of Calgary, Calgary, Alberta, Canada, October 17, 2000

**17. Endoscopic therapy of GI malignancy.**

11<sup>th</sup> Annual GI Research Group Retreat

University of Calgary, Banff, Alberta, Canada, January 26-28, 2001.

**18. Endoscopic ultrasound.**

Therapeutic Endoscopy Nursing Course.

Peter Lougheed Centre, University of Calgary, Calgary, Alberta, Canada, November 6-7, 2003.

**19. Endoscopic ultrasound in rectal and upper GI cancer staging.**

Alberta Cancer Board GI Tumor Group Meeting.

Telus Convention Centre, Edmonton, Alberta, Canada, November 28, 2003

**20. Advances in UGI bleed management, optimizing care and maximizing efficiency.**

Medical Grand Rounds.

St. Michael's Hospital, University of Toronto, Toronto, Ontario, Canada, November 19, 2003.

**21. EUS - The gold standard for pancreatic imaging?**

City-wide Gastroenterology/Surgery Rounds.

Mount Sinai Hospital, University of Toronto, Toronto, Ontario, Canada, November 19, 2003.

**22. Endoscopic palliation of GI malignancy: We've come a long way, baby.**

Surgery divisional rounds.

University of British Columbia, Vancouver, British Columbia, Canada, April, 2004.

**23. The role of endoscopic ultrasound in the management of intra-abdominal malignancy.**

The Okanagan Gut Club.

Kelowna, British Columbia, Canada, May 10, 2004.

**24. Advances in endoscopic ultrasound.**

Alberta Society of Gastroenterology DDW Review course.

Post Hotel, Lake Louise, Alberta, Canada, June 2004.

**25. Advances in gastrointestinal imaging.**

Scholars Program, Canadian Digestive Disease Week, Faculty (& Co-chair).

Canadian Association of Gastroenterology Meeting, Banff, Alberta, Canada, February 27, 2004.

**26. Database analysis and benchmarking.**

"Excellence in Endoscopy" Retreat.

Frontiers of Endoscopy Meeting, Albuquerque, New Mexico, USA, October 8-10, 2004.

**27. Advances in gastrointestinal imaging.**

Scholars Program, Canadian Digestive Disease Week, Faculty.

Canadian Association of Gastroenterology Meeting, Banff, Alberta, Canada, February, 2005.

**28. Practicing gastroenterology in the US and Canada.**

Scholars Program, Canadian Digestive Disease Week, Faculty.

Canadian Association of Gastroenterology Meeting, Banff, Alberta, Canada, February, 2005.

**29. Evaluation research in endoscopy.**

Advances in Endoscopy at the Beach.

Isle of Palms, South Carolina, USA, May 21, 2005.

**30. Advanced techniques.**

American Society of Gastrointestinal Endoscopy (ASGE) First-Year Fellows (FYF) Course, South Division. Oak Brook, Illinois, USA, August 20, 2005.

**31. Injection and clipping. Hands-on workshop station.**

American Society of Gastrointestinal Endoscopy (ASGE) First-Year Fellows (FYF) Course, South Division. Oak Brook, Illinois, USA, August 20, 2005.

**32. Upper GI bleeding.**

American Society of Gastrointestinal Endoscopy (ASGE) First-Year Fellows (FYF) Course, South Division. Oak Brook, Illinois, USA, August 21, 2005.

**33. Advances in Colonoscopy.**

Advances in Endoscopy at the Beach.  
Kiawah Island, South Carolina, USA, May 27, 2006.

**34. Measuring outcomes in acute recurrent pancreatitis.**

Recurrent Acute Idiopathic Pancreatitis Registry Study Group.  
Chicago, IL, USA, September, 2006.

**35. Research in quality assurance/improvement in endoscopy.**

ASGE Quality in Endoscopy Taskforce.  
Phoenix, AZ, USA, November, 2006.

**36. EUS criteria for chronic pancreatitis.**

Chronic Pancreatitis Consensus Conference.  
Chicago, IL, USA, April, 2007.

**37. Diagnostic approaches to biliary/pancreatic strictures.**

12<sup>th</sup> Annual Medical and Surgical Approaches to GI disorders, Medical College of Georgia  
Kiawah Island, SC, USA, July 12, 2007

**38. Biliary imaging: invasive and non-invasive options.**

Medical Ground Rounds, Medical University of South Carolina (MUSC)  
Charleston, SC, USA, July 16, 2007

**39. Lower GI bleeding.**

American Society of Gastrointestinal Endoscopy (ASGE) First-Year Fellows (FYF) Course, South Division. Oak Brook, Illinois, USA, August 25-26, 2007.

**40. Clipping and argon plasma coagulation; Foreign body removal. Hands-on workshop stations.**

American Society of Gastrointestinal Endoscopy (ASGE) First-Year Fellows (FYF) Course, South Division. Oak Brook, Illinois, USA, August 25-26, 2007.

---

**41. Endoscopic ultrasound – clinical applications and indications for the community gastroenterologist:**

American College of Gastroenterology (ACG) Regional Postgraduate Course  
Williamsburg, Virginia, USA, September 8, 2007

**42. Endoscopic ultrasound contrast and NOTES (natural orifice transluminal endoscopic surgery)**

Bioengineering clinical seminar on digestive disease videoteleconference with Clemson University,  
University of South Carolina, and the INBRE members  
Charleston, SC, USA, December 6, 2007

**43. Lower GI bleeding.**

American Society of Gastrointestinal Endoscopy (ASGE) First-Year Fellows (FYF) Course, South Division.  
Oak Brook, Illinois, USA, August 9-10, 2008.

**44. Clipping and Argon Plasma Coagulation; Foreign body removal. Hands-on workshop stations.**

American Society of Gastrointestinal Endoscopy (ASGE) First Years Fellows (FYF) Course, South Division.  
Oak Brook, Illinois, USA, August 9-10, 2008.

**45. Clinical trials in idiopathic recurrent acute pancreatitis (IRAP) – Where do we go from here?**

IRAP Interest Group – Meeting at DDW 2008.  
San Diego, CA, May 19, 2008.

46. Chronic pancreatitis.

**Ochsner Clinic, GI Grand Rounds**

New Orleans, LA, USA, December 11, 2008.

47. EUS for the non-EUS Gastroenterologist.

Evening CME Event

Augusta, GA, USA, January 6, 2009.

48. Chronic pancreatitis.

**Medical College of Georgia (MCG), Medical Grand Rounds**

Augusta, GA, USA, January 7, 2009.

49. Advances in investigation of suspected biliary obstruction.

**Wake Forest University, GI Rounds**

Winston-Salem, NC, USA, January 29, 2009.

---

---

*National:***50. What is it like to be a gastroenterology fellow?**

Bright-Lights Program, Canadian Digestive Disease Week, Faculty.  
Canadian Association of Gastroenterology, Banff, Alberta, Canada, February 23, 2001.

**51. Equipment and technology in gastroenterology.**

Bright-Lights Program, Canadian Digestive Disease Week, Faculty.  
Canadian Association of Gastroenterology, Banff, Alberta, Canada, February 24, 2001.

**52. What is it like to be a gastroenterology fellow?**

Scholars Program, Canadian Digestive Diseases Week, Faculty.  
Canadian Association of Gastroenterology Meeting, Montreal, Quebec, Canada, February 1, 2002.

**53. Equipment and technology in gastroenterology.**

CAG Scholars Program, Canadian Digestive Diseases Week, Faculty.  
Canadian Association of Gastroenterology Meeting, Montreal, Quebec, Canada, February 1, 2002.

**54. MRCP versus ERCP.**

Gastrointestinal Imaging Session, Canadian Digestive Diseases Week State-of-the-art lecture.  
Canadian Association of Gastroenterology Meeting, Montreal, Quebec, Canada, February 4, 2002.

**55. Second-look endoscopy for upper GI bleeding? “No”-side of debate, versus Dr. J. Gregor, University of Western Ontario.**

Canadian Association of Gastroenterology Annual Meeting, “Endoscopy who needs it?” symposium, Banff, Alberta, Canada, February 22, 2003.

**56. Endoscopic antireflux procedures: ready for prime-time? “No”-side of debate, versus Dr. G. Lehman, Indiana University, Indianapolis, Indiana**

Canadian Association of Gastroenterology Post-graduate Course, Banff, Alberta, Canada, February 21, 2003.

**57. Government control of drug costs are in the public interest – “no” side of debate (vs. Dr. John Marshall, McMaster University).**

GRIT course, Canadian Digestive Disease Week, Faculty.  
Canadian Association of Gastroenterology Meeting, Banff, Alberta, Canada, February 24, 2004.

**58. Advanced endoscopy and GI imaging – An evidence-based perspective.**

GRIT course, Canadian Digestive Disease Week, Faculty.  
Canadian Association of Gastroenterology Meeting, Banff, Alberta, Canada, February 27, 2004.

---

Moved to the USA:

**59. GI Endoscopy Live: *Hear the Evidence, See the Practice.***

ASGE International Annual Postgraduate Course, Co-Director.  
LA, California, May 2006 (with live endoscopy feed from Toronto).

**60. Diagnosis and management of chronic pancreatitis.**

**American College of Gastroenterology (ACG) Annual Meeting.**  
Orlando, FL, October 8, 2008.

*International:*

**61. MRCP: Outcomes assessment of a diagnostic test.**

Advanced ERCP Course.

Medical University of South Carolina (MUSC) – Digestive Diseases Center, Charleston, South Carolina, USA, February 1-3, 2001.

**62. Noninvasive imaging of the biliary tree – EUS and MRCP.**

Advanced ERCP Course.

Medical University of South Carolina (MUSC) – Digestive Diseases Center, Charleston, South Carolina, USA, September 12, 2003.

**63. Endoscopic therapy for non-variceal GI bleeding: Tricks of the trade.**

4<sup>th</sup> Annual Interdisciplinary Forum in GI Medicine. – 1 Lecture plus 2 – 1 hour workshops with gastroenterologists and surgeons.

Vancouver, BC, Canada, October 2, 2004.

Moved to the USA:

**64. Endoscopic Management of Post-Surgical Biliary Tract Strictures.**

15<sup>th</sup> Annual Digestive Diseases at the Caribbean Meeting  
Ritz Carlton, San Juan, Puerto Rico, March 6-7, 2005.

**65. Endoscopic Management of Recurrent Pancreatitis in SOD Patients.**

15<sup>th</sup> Annual Digestive Diseases at the Caribbean Meeting  
Ritz Carlton, San Juan, Puerto Rico, March 6-7, 2005.

**66. Practicing Medicine in the US and Canada.**

World Congress of Gastroenterology Scholars Program, Faculty.  
Montreal, Quebec, Canada, September 8, 2005.

**67. Debate Co-Chair (w/ Dr. Connie Switzer) – High dose oral PPI's are useful all over the world in the acute management of patients with upper gastrointestinal bleeding.**

World Congress of Gastroenterology Young Clinicians Program (YCP), Faculty.  
Montreal, Quebec, Canada, September 8, 2005.

**68. Practicing Medicine in the US and Canada.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Banff, Alberta, Canada, February 23, 2006.

**69. Advances in GI Imaging.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Banff, Alberta, Canada, February 24, 2006.

**70. Practicing Medicine in the US and Canada.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Banff, Alberta, Canada, February 15, 2007.

**71. Advances in GI Imaging.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Banff, Alberta, Canada, February 15, 2007.

**72. Practicing Medicine in the US and Canada.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Montreal, Quebec, Canada, February 28, 2008.

**73. Advances in GI Imaging.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Montreal, Quebec, Canada, February 28, 2008.

**74. ERCP has a role in Chronic Pancreatitis – Con side of Debate, vs. Dr. Gary May, U. Toronto.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, GRIT (GI Residents in Training) Program, Faculty. Banff, Alberta, Canada, February 24, 2009.

**75. Case Break-out Session Faculty Facilitator; Poster Judge.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, GRIT (GI Residents in Training) Program, Faculty. Banff, Alberta, Canada, February 25-26, 2009.

**76. Advances in GI Imaging.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Banff, Alberta, Canada, February 26, 2009.

**77. Practicing Medicine in the US and Canada.**

Canadian Association of Gastroenterology, Canadian Digestive Diseases Week, Scholars Program, Faculty. Banff, Alberta, Canada, February 26, 2009.

---

**RESEARCH PRESENTATIONS: (PRESENTER UNDERLINED)**Local/Regional:**Pre-1998**

1. **Romagnuolo J**, Burns RJ, Mehta SL, Wright LM  
Low likelihood of coronary events in young patients with normal thallium-201 SPECT.  
*University of Toronto Medical Student Research Day*, University of Toronto, Toronto, 1993 (poster).
2. Mehta SL, Burns RJ, **Romagnuolo J**, Wright LM  
Prognostic importance of transient ventricular dilation by dipyridamole.  
*University of Toronto Medical Student Research Day*, University of Toronto, Toronto, 1993 (poster).
3. **Romagnuolo J**, Fong IW, Tucker W, Bannatyne R, Chiu B  
*Chlamydia pneumoniae*, cytomegalovirus, and herpes simplex virus-I in carotid artery atherosclerotic disease.  
*Higgin's Day*, Resident Research Competition, Toronto Colony Hotel, Toronto, 1996 (oral).
4. **Romagnuolo J**, Fong IW, Tucker W, Bannatyne R, Chiu B  
*Chlamydia pneumoniae*, cytomegalovirus, and herpes simplex virus-I in carotid artery atherosclerotic disease.  
*University of Toronto Annual Internal Medicine Research and Education Day*, Toronto Hilton, Toronto, 1996 (poster).

**1999**

5. **Romagnuolo J**, Fedorak RN  
Hyperhomocyst(e)inemia: A common abnormality seen in inflammatory bowel disease.  
University of Alberta Resident Research Day, Walter C. Mackenzie Health Sciences Centre, Edmonton, AB  
*Clin Invest Med* 1999; 22:168-9 (Abstract).

**2000**

6. **Romagnuolo J**, Barkun AN, Reinhold C, Joseph L, Barkun JS.  
A randomized comparison of MRCP and ERCP in an effectiveness setting involving patients with an intermediate suspicion of biliary obstruction.  
*Third Annual Carl A. Goresky McGill Research Day in Gastroenterology, Holiday Inn, Montreal, Canada, 2000 (oral presentation).*

**2001**

7. **Romagnuolo J**, Parent J, Vuong T, Bélanger M, Michel R, Belliveau P.  
Predicting residual rectal adenocarcinoma in the resected surgical specimen after preoperative brachytherapy (BT) with endoscopic ultrasound (EUS).  
*Fourth Annual Carl A. Goresky McGill Research Day in Gastroenterology, Holiday Inn, Montreal, Canada, 2001 (oral presentation).*

**2002**8. Gan I, **Romagnuolo J\***.

Initial and 24-hour hematocrit as predictors of severe pancreatitis.

*University of Calgary Medical Residents' Research Day, Foothills Medical Centre, Calgary, Alberta, 2002 (oral presentation).*

9. Kaplan G, Bates D, McDonald D, **Romagnuolo J\***.

Knee-jerk reaction: IV Pantoloc use.

*University of Calgary Medical Residents' Research Day, Foothills Medical Centre, Calgary, Alberta, 2002 (oral presentation).*

**2003**10. Heitman SJ, **Romagnuolo J\***, Dean S.

Cost-effectiveness of plastic versus metal stents for malignant biliary obstruction: A Canadian Markov model.

*Henry Shaffer Awards/GI Research Group Research Day, May 2003 (oral presentation).*

11. Jowett S, **Romagnuolo J\***, Hilsden R, Bass S, Cole M, May G.

Factors predictive of unsuccessful ERCP: A case-control study.

*Henry Shaffer Awards/GI Research Group Research Day, May 2003 (oral presentation).*

12. Kaplan G, **Romagnuolo J\***, Bates D, McDonald D.

Inappropriate use of intravenous proton pump inhibitors: Problems, solutions.

*Henry Shaffer Awards/GI Research Group Research Day, May 2003 (oral presentation).*

13. Heitman SJ, **Romagnuolo J\***, Dean S.

Cost-effectiveness of plastic versus metal stents for malignant biliary obstruction: A Canadian Markov model.

*University of Calgary Resident Research Day, May 2003 (oral presentation).*

14. Kaplan G, **Romagnuolo J\***, Bates D, McDonald D.

Interventions to alter prescribing behaviour related to intravenous proton pump inhibitors.

*University of Calgary Resident Research Day, May 2003 (oral presentation).*

15. Heitman SJ, **Romagnuolo J\***, Dean S.

Cost-effectiveness of virtual colonoscopy versus colonoscopy.

*University of Calgary Resident Research Day, May 2004 (oral presentation).*
