

CURRICULUM VITAE

NAME: John R. Feussner, M.D., M.P.H., F.A.C.P.

HOME ADDRESS: 1767 Omni Boulevard
Mount Pleasant, SC 29466
Phone No.(843-856-3577)
E-mail: jrfeussner@comcast.net

BUSINESS ADDRESSES: Chairman, Department of Medicine
Medical University of South Carolina
96 Jonathan Lucas Street
PO Box 250623
Charleston, SC 29425
Phone No.(843-792-2914)
Fax No.(843-792-5265)
E-mail: feussner@musc.edu

EDUCATION:

M.P.H.	2000	School of Public Health Department of Health Policy and Administration University of North Carolina Chapel Hill, NC
M.D.	1973	College of Medicine University of Vermont Burlington, VT
	1971	Post Sophomore Fellowship Department of Biochemistry College of Medicine University of Vermont Burlington, VT
B.A.	1968	Department of Biology College of Arts and Science University of Pennsylvania Philadelphia, PA

POSTDOCTORAL TRAINING:

1981	A.W. Mellon Fellowship Department of Clinical Epidemiology and Biostatistics McMaster University Hamilton, Ontario, Canada
1977	Fellow in Hematology/Oncology Duke University Medical Center
1976	Chief Resident in Medicine Duke University Medical Center
1975	Junior Assistant Resident in Medicine Duke University Medical Center
1974	Fellow in Hematology/Oncology Duke University Medical Center
1973	Intern in Medicine Duke University Medical Center

BOARD CERTIFICATION AND LICENSURE:

1977 Diplomate, American Board of Internal Medicine

1973 Diplomate, National Board of Medical Examiners

1973 State of North Carolina,
Board of Registration in Medicine, #21645

 Drug Enforcement Administration #BF8232439

2002 State of South Carolina
Board of Medical Examiners, #AL4564
Department of Health and Environmental Control,
#25-L4564

PROFESSIONAL EXPERIENCE:

2005- President
University Medical Associates
(Faculty Practice Plan)
Medical University of South Carolina

2002- Professor and Chairman
Department of Medicine
Medical University of South Carolina

1996-2002 Chief Research and Development Officer
U.S. Department of Veterans Affairs
Washington, DC

1993-1994 Visiting Fellow
Cecil G. Sheps Center
for Health Services Research
University of North Carolina, Chapel Hill

1992-1996 Deputy Associate Chief of Staff
Health Services Research
Durham VA Medical Center

1989-1996 Co-Director, Ambulatory Care and
Health Services Research Training Programs
Durham VA Medical Center

1988-1996 Chief, Division of General Internal Medicine
Department of Medicine
Duke University Medical Center

1986-1996 Co-Director, Biometry Training Program
Division of Biometry and Medical Informatics
Department of Community and Family Medicine
Duke University Medical Center

1986-1990 Epidemiologist, Duke-VA Stroke Center
Division of Neurology
Department of Medicine
Duke University Medical Center

1984-1991 Co-Director
Clinical Epidemiology & Biostatistics Unit
(A.W. Mellon Foundation)
Duke University Medical Center

PROFESSIONAL EXPERIENCE: (continued)

1983-1996	Director, Health Services Research Field Program Durham VA Medical Center
1983-1988	Associate Chief of Staff Ambulatory Care Durham VA Medical Center
1979-1983	Chief, Ambulatory Care Section Durham VA Medical Center
1977-1979	Assistant Chief, Ambulatory Care Section Durham VA Medical Center
1976-1977	Director, Medical Intensive Care Unit Durham VA Medical Center
1976-1977	Associate Director, Inhalation Therapy Department Durham VA Medical Center

ACADEMIC APPOINTMENTS:

2002- Professor (Tenured Appointment)
Chairman, Department of Medicine
Medical University of South Carolina

2002- Professor (Secondary Appointment)
Department of Biostatistics, Bioinformatics and
Epidemiology
Medical University of South Carolina

2002- Professor (Secondary Appointment)
Department of Neuro-Sciences (Neurology)
Medical University of South Carolina

1997- Professor (Adjunct Appointment)
Department of Health Policy and
Administration
School of Public Health
University of North Carolina
Chapel Hill, NC

1993 Professor (Tenured Appointment)
Division of General Internal Medicine
Department of Medicine
Duke University
(On Leave Of Absence 1996-1998)

1989 Associate Professor (Secondary Appointment)
Division of Biometry and Medical Informatics
Department of Community and Family Medicine
Duke University

1994 Senior Fellow
Center for Health Policy Research
and Education
Duke University

1994- Research Fellow
Cecil G. Sheps Center
for Health Services Research
University of North Carolina
Chapel Hill

1991 Senior Fellow
Arthritis Center
Duke University

1989 Associate Professor (Adjunct Appointment)
Department of Health Policy and
Administration
School of Public Health
University of North Carolina
Chapel Hill, NC

1988 Associate Professor (Tenured Appointment)
Division of General Internal Medicine
Department of Medicine
Duke University

1986 Assistant Professor
Division of Biometry and Medical Informatics
Department of Community and Family Medicine
Duke University

ACADEMIC APPOINTMENTS: (continued)

1985	Senior Fellow Center for the Study of Aging Duke University
1983	Research Associate Health Services Research Center University of North Carolina Chapel Hill, NC
1981	Assistant Professor Division of General Internal Medicine Department of Medicine Duke University
1977	Associate in Medicine Division of General Internal Medicine Department of Medicine Duke University

HONORS :

- 2005 Curtis Meinert Honorary Keynote Address
Society for Clinical Trials
26th Annual Meeting, Portland
- 2004 Association of VA Surgeons
Distinguished Service Award
Outstanding Contributions to Surgical Research
- 2002 The John R. Feussner Advanced Imaging Research Center
Dedication of the Center of Excellence at VA Boston Healthcare
System, West Roxbury, affiliated with Harvard Medical School
- 2002 Secretary's Exceptional Service Award
U.S. Department of Veterans Affairs
For a compassionate physician, expert researcher,
and visionary administrator
- 2002 Undersecretary's Exceptional Service Award
Veterans Health Administration
U. S. Department of Veterans Affairs
- 2002 John M. Eisenberg Award
Career Achievements in Research
Society of General Internal Medicine
(First recipient, after Eisenberg)
- 2001 John D. Chase Award
AMSUS (American Military Surgeons of the United States)
Sustained Excellence in Executive Leadership
- 2001 Medical Alumni Association Award for
Distinguished Academic Achievement
University of Vermont College of Medicine
Burlington
- 2001 Delta Omega, The Honorary Public Health Society
University of North Carolina (Theta Chapter)
Chapel Hill
- 2001 Charles C. Smith, Jr. Lectureship
Department of Medicine, University of Louisville
Louisville
- 2001 Distinguished Visiting Clinical Research Scientist
Duke Clinical Research Institute
Duke University Medical Center
Durham
- 2000 Distinguished Visiting Clinical Research Scholar
Department of Medicine, University of Michigan
Ann Arbor
- 1999 Ernest M. Barsamian Lectureship,
Brocton/West Roxbury VA Medical Center
Boston
- 1998 Sustaining Membership Lecture and Award
AMSUS (American Military Surgeons of the United States)
Outstanding Contribution in Medical Research

HONORS: (continued)

- 1998 Joseph C. Greenfield, Jr.
Distinguished Visiting Professorship,
Department of Medicine, Duke University,
Durham
- 1998 Distinguished Investigator Award
Cecil G. Sheps Center for Health Services Research
University of North Carolina, Chapel Hill
- 1997 J. W. Meakin Lectureship in Oncology
Cancer Care Ontario
Ontario, Canada
- 1996 Mark Wolcott Award for Clinical Excellence
Awarded by U. S. Department of Veterans Affairs
First Recipient
- 1990 Fellow, American College of Physicians
- 1989 Elected to Membership
Southern Society of Clinical Investigation
- 1973 AOA, National Medical Honor Society
University of Vermont College of Medicine
Burlington
- 1973 Woodbury Alumni Award
Excellence in Internal Medicine
University of Vermont College of Medicine
Burlington
- 1973 Century Club Award
Undergraduate Medical Research
University of Vermont College of Medicine
Burlington

VISITING PROFESSOR:

2007 Department of Medicine, University of Nebraska, Omaha

2004 School of Public Health, Department of Health Policy and Administration, University of North Carolina, Chapel Hill

2003 Department of Medicine, Reunion of Chief Medical Residents, Duke University Medical Center, Durham

2003 Department of Medicine, Wake Forest University, Winston-Salem

2001 Charles C. Smith, Jr. Lectureship, Department of Medicine, University of Louisville, Louisville

2001 Distinguished Visiting Clinical Research Scientist, Duke Clinical Research Institute, Duke University, Durham

2000 Department of Medicine, Ohio State University, Columbus

2000 Distinguished Clinical Research Scholar, Department of Medicine, Training Program in Clinical Research, University of Michigan, Ann Arbor

2000 Department of Medicine, University of Pittsburgh, Pittsburgh

1998 Joseph C. Greenfield, Jr. Distinguished Visiting Professorship, Department of Medicine, Duke University, Durham

1998 Department of Medicine, University of Pennsylvania, Philadelphia

1997 J. W. Meakin Lectureship in Oncology, Cancer Care Ontario, Clinical Cancer Research Conference, Ontario, Canada

1997 Department of Medicine, Medical University of South Carolina, Charleston

1997 Department of Medicine, East Carolina University, Greenville

1996 Division of Geriatrics, Department of Medicine, University of Wisconsin, Madison

1996 Department of Health Administration, School of Public Health, St. Louis University, St. Louis

1995 Department of Medicine, Brown University, Providence

1995 Department of Medicine, State University of New York, Nassau County Medical Center, Stony Brook, New York

1994 Department of Medicine, Bowman Gray School of Medicine, Wake Forest University, Winston-Salem

1994 Department of Medicine, University of Kentucky, Lexington

1993 Department of Medicine and Oklahoma Center For Aging, University of Oklahoma, Oklahoma City

1992 Department of Medicine, St. Francis Medical Center, Pittsburgh

1992 Los Angeles Society of Internal Medicine and Sherman Oaks Medical Center, Los Angeles

VISITING PROFESSOR: (continued)

1990	Department of Family and Preventive Medicine, University of South Carolina, Columbia
1985	Department of Preventive Medicine and Public Health, University of South Carolina, Columbia
1984	Department of Medicine, Good Samaritan Medical Center, Phoenix
1983	Department of Medicine, McMaster University, Hamilton, Ontario

RESEARCH INTERESTS:

- Assessing the Validity and Predictive Value of Diagnostic Measurements
- Health Services Research in Primary Care
- Technology Assessment of Laboratory and Radiographic Studies
- Chronic Disease Monitoring and Management

RESEARCH GRANTS:

Purpose	Approximate Amount	Duration
PRINCIPAL INVESTIGATOR OR DIRECTOR		
Health Services Research Field Program Durham VA Medical Center, Veterans Administration	\$2,100,000	1995-99
Randomized Trial Evaluating Geriatric Evaluation and Management (GEM) Units and Geriatric Follow-up, Veterans Administration	\$4,500,000	1994-99
Health Services Research Fellowship Program Veterans Administration	\$ 256,200	1995-99
Ambulatory Care Fellowship Program Veterans Administration	\$ 486,000	1992-95
Health Services Research Fellowship Program Veterans Administration	\$ 256,200	1991-94
Health Services Research Field Program Durham VA Medical Center, Veterans Administration	\$1,943,000	1989-94
Ambulatory Care Fellowship Program Veterans Administration	\$ 366,000	1989-92
Clinical Epidemiology Program Andrew W. Mellon Foundation	\$ 640,500	1988-91
Influence of Hyperglycemia on Stroke Outcome National Institute of Neurological and Communicative Disorders and Stroke	\$ 290,304	1986-89
Clinical Epidemiology Program Andrew W. Mellon Foundation	\$ 650,000	1984-87
Health Services Research Field Program Veterans Administration	\$2,739,543	1983-89
Home Blood Glucose Monitoring versus Urine Glucose Testing: A Controlled Clinical Trial Veterans Administration	\$ 10,000	1984-85
Methylmalonic Acid Excretion and Clinical Criteria in the Diagnosis of Vitamin B ₁₂ Deficiency, Veterans Administration	\$ 10,000	1984-85
Increasing the Utility of Ambulatory Care Records, Veterans Administration	\$ 44,330	1984-85
Insulin Withdrawal in Patients with Type II Diabetes, A.W. Mellon Foundation	\$ 10,000	1982-83

RESEARCH GRANTS: (continued)

Prospective Assessment of Health Services Utilization, Veterans Administration	\$ 20,000	1981-82
Research Fellowship, Clinical Epidemiology A.W. Mellon Foundation	\$ 20,000	1981
CO-INVESTIGATOR:		
Evaluation of the Primary Care Education (PRIME) Initiative in the Veterans Health Administration Office of Academic Affairs, Veterans Administration	\$ 602,555	1995-98
Clinical Management and Outcomes of Veterans with Strokes in VA Medical Centers Veterans Administration	\$ 876,535	1994-98
Secondary and Tertiary Prevention of Stroke: Patient Outcomes Research Team (PORT) Agency for Health Care Policy and Research	\$5,627,836	1991-96
Geriatrics Research Training Center Epidemiology and Health Service Research Core National Institute of Aging	\$3,358,126	1991-96
Improving the Quality of Primary Care Reduces Hospital Readmissions Veterans Administration	\$2,400,000	1990-93
Pharmacy Intervention for Polypharmacy in the Elderly, National Institute of Aging	\$ 405,794	1990-93
Randomized Trial to Improve Glycemic Control of Elderly Patients, Veterans Administration	\$ 357,400	1990-93
Screening for Alcoholism in Primary Care National Institute of Alcohol Abuse & Alcoholism	\$ 382,243	1987-90
Scheduling Surgery for Efficient Resource Utilization, Veterans Administration	\$ 168,160	1987-89
National Mortality Study of Spinal Cord Injury Veterans Administration	\$ 447,298	1987-90
Strategies to Enhance Compliance Among the Visually Impaired and Illiterate Veterans Administration	\$ 41,118	1987-88
Screening for Depression: Clinical Decision Making, National Institute of Mental Health	\$ 262,011	1985-87
Pseudo hypertension in the Elderly American Heart Association	\$ 24,000	1981-82

21. Age Trends of Lung Cancer Stage at Diagnosis: Implications for Lung Cancer Screening in the Elderly. O'Rourke MA, FEUSSNER JR, Feigl P, Laszlo J. JAMA 258:921-6, 1987.
22. Impact of a Geriatric Consultation Team on Discharge Placement and Repeat Hospitalization. Saltz CC, McVey LJ, Becker PM, FEUSSNER JR, Cohen HJ. Gerontologist 28:344-50, 1988.
23. Patient Characteristics and Eligibility in a Veterans Administration Triage Clinic. FEUSSNER JR, McFall SL, Cockrell III WE. Amer J Publ Health 78:1224-5, 1988.
24. Quantitative Bedside Diagnosis: Clinical Evaluation of Ascites. Simel DL, Halvorsen R, FEUSSNER JR. J Gen Intern Med 3:423-9, 1988.
25. Screening for Pseudo hypertension: A Quantitative, Non-invasive Approach. Hla KM, FEUSSNER JR. Arch Intern Med 148:673-6, 1988.
26. When and How to Evaluate the Carotid Arteries. FEUSSNER JR, Matchar DB. Ann Intern Med 109:805-18, 1988.
27. Diagnostic Evaluation of the Carotid Arteries: A Policy Statement. FEUSSNER JR, Matchar DB. Ann Intern Med 109:835-7, 1988.
28. Erythrocyte Anisocytosis: Visual Inspection of Blood Films versus Automated Analysis of Red Blood Cell Distribution Width. Simel DL, DeLong ER, FEUSSNER JR, Weinberg JB, Crawford J. Arch Intern Med 148:822-4, 1988.
29. Blood Alcohol Measurements in the Emergency Department: Who Needs Them? Simel DL, FEUSSNER JR. Amer J Publ Health 78:1478-9, 1988.
30. Effect of a Geriatric Consultation Team on Functional Status of Elderly Hospitalized Patients: A Randomized, Controlled Clinical Trial. McVey LJ, Becker PM, Saltz CC, FEUSSNER JR, Cohen HJ. Ann Intern Med 110:79-84, 1989.
31. Does Determining Blood Alcohol Concentrations in Emergency Department Patients Influence Physicians' Civil Suit Liability. Simel DL, FEUSSNER JR. Arch Intern Med 149:1 016-18, 1989.
32. Evaluation of a Clinical Exercise Program in a Geriatric Population. Morey MC, Cowper PA, FEUSSNER JR, DiPasquale RC, Crowley GM, Kitzman DA, Sullivan RJ. J Amer Geriatr Soc 37:348-54, 1989.
33. Multidimensional Desire for Control Scales: Development of a Measure to Assess Patient's Desired Role in Clinical Interactions. Anderson LA, DeVellis RF, Boyles B, FEUSSNER JR. Health Education Research 4;(3):383-97, 1989.
34. Management of General Medicine Patients with Symptoms of Depression. Magruder-Habib K, Zung WWK, FEUSSNER JR. Gen Hosp Psychiatry 11:201-6, 1989.

PUBLICATIONS: (continued)

35. Driving-Impaired Patients Leaving the Emergency Department: The Problem of Inadequate Instructions. Simel DL, FEUSSNER JR. Ann Intern Med 112:365-70, 1990.
36. A Method for Estimating Test Operating Characteristics When Some Patients Are Undiagnosed by the Reference Standard. Matchar DM, Simel DL, Geweke J, FEUSSNER JR. Medical Decision Making 10:102-11, 1990.
37. Improving Physician's Recognition and Treatment of Depression in General Medical Care. Magruder-Habib K, Zung WWK, FEUSSNER JR. Medical Care 28:239-50, 1990.
38. Impact of Glucose Self-Monitoring on Type II Diabetes Mellitus: A Randomized Controlled Trial Comparing Blood vs. Urine Testing. Allen BT, DeLong ER, FEUSSNER, JR. Diabetes Care 13:1044-50, 1990.
39. Geriatric Evaluation and Management Units: Experimental Methods for Evaluating Efficacy. FEUSSNER JR. J Amer Geriatr Soc 39:195-245, 1991.
40. Geriatric Assessment Conference: Report of the Research Methods Working Group. FEUSSNER JR, Wieland D, Kayser-Jones J, Kramer A, Saunders W, Fretwell M. J Amer Geriatr Soc 39:455-75, 1991.
41. A Randomized Trial of Informed Consent in Ambulatory Patients. Simel DL, FEUSSNER JR. J Clin Epidemiol 44, 771-77, 1991.
42. Observer Variability of Osler's Maneuver in Detection of Pseudo hypertension. Hla KM, Samsa GP, Stoneking HT, FEUSSNER JR. J Clin Epidemiol 44:513-18, 1991.
43. Two-Year Trends in Physical Performance Following Supervised Exercise Among Community Dwelling Older Veterans. Morey MC, Cowper PA, FEUSSNER JR, DiPasquale RC, Crowley GM, Sullivan RJ. J Amer Geriatr Soc 39:986-92, 1991.
44. The Impact of Supervised Exercise on Psychological Well-Being and Health Status in Older Veterans. Cowper PA, Morey MC, Bearon LB, Sullivan RJ, DiPasquale MS, Crowley GM, FEUSSNER JR, J Appl Gerontol 10:469-85, 1991.
45. Evaluating a Brief Health Status Measure in Elderly Veterans. Weinberger M, Samsa GP, Hanlon JT, Schmader K, Doyle M, Cowper PA, Uttech K, Cohen HJ, FEUSSNER JR. J Amer Geriatr Soc 39:691-94, 1991.
46. X-Linked Hypophosphatemic Rickets Without Rickets. Econs MJ, FEUSSNER JR, Samsa G, Effman EF, Vogler JB, Martinez S, Friedman NE, Quarles LD, Drezner MK. Skeletal Radiology 20:109-14, 1991.
47. Racial Variations in Motor and Functional Impairment Resulting from Ischemic Stroke. Horner RD, Matchar DB, Divine GW, FEUSSNER JR. Stroke 22:1497-1501:1991.
48. Can Screening Older Patients for Cancer Save Lives? Oddone EZ, FEUSSNER JR, Cohen HJ. Clin Geriatr Med 8:69-87, 1992.
49. Measurement of Motor Recovery Following Stroke: Outcome Assessment and Sample Size Requirements. Duncan PW, Goldstein LB, Matchar DB, Divine GW, FEUSSNER JR. Stroke 23:1084-89, 1992.
50. The Influence of Hyperglycemia on Outcome from Cerebral Infarction: A Prospective Cohort Study. Matchar DB, Divine G, Heyman A, FEUSSNER JR. Ann Intern Med 117:449-56, 1992.
51. Blood Pressure Measurements in the Nursing Home: Are they Accurate? Stoneking H, Hla KM Samsa G, FEUSSNER JR. Gerontologist 32(4):536-40, 1992.

PUBLICATIONS: (continued)

52. A Method for Assessing Drug Therapy Appropriateness. Hanlon JT, Schmader KE, Samsa GP, Weinberger M, Uttech KM, Lewis IK, Cohen HJ, FEUSSNER JR. J Clin Epidemiol 45:1045-51, 1992.
53. Assessing the Cardiovascular Diagnostic Skills of Medical Residents Using "Harvey" a Cardiology Patient Simulator. St. Clair WE, Oddone EZ, Waugh RA, Corey GR, FEUSSNER JR. Ann Intern Med 117:751-56, 1992.
54. Predictors of Two-years Post-hospitalization Mortality Among Elderly Veterans in a Study Evaluating a Geriatric Consultation Team. Cohen HJ, Saltz CC, Samsa G, McVey L, Davis D, FEUSSNER JR. J Amer Geriatr Soc 40:1231-35, 1992.
55. The Impact of Social Support on Outcome in First Stroke. Glass TA, Matchar DB, Belyea M, FEUSSNER JR. Stroke 24:64-70, 1993.
56. A Cost-Effectiveness Analysis of Hepatitis B Vaccine in Dialysis and Pre-Dialysis Patients. Oddone EZ, Cowper PA, Hamilton JD, FEUSSNER JR. Health Serv Res 28(1):97-121, 1993.
57. General Internal Medicine Contempo '93. FEUSSNER JR, Simel DL. JAMA 270:209-211, 1993.
58. A National Study of Mortality Among Spinal Cord Injured Veterans. Samsa GP, Patrick C, FEUSSNER JR. Arch Neurol 50:909-14, 1993.
59. Teaching Cardiovascular Examination Skills: Results From a Randomized Controlled Trial. Oddone EZ, Waugh RA, Samsa G, Corey R, FEUSSNER JR. Amer J Med 95:389-96, 1993.
60. Cost-Effectiveness Analysis of Early Versus Later Zidovudine Therapy for HIV-Infected Patients. Oddone EZ, Cowper P, Matchar D, Hamilton J, Samsa G, Hartigan P, Simberkoff M, FEUSSNER JR. Br Med J 307:1322-25, 1993.
61. Clinical Guideline Development: The Clinical Efficacy Assessment Program of the American College of Physicians. FEUSSNER JR, White LJ. Ann NY Acad Sci 703:268-71, 1994.
62. X-Linked Hypophosphatemic Rickets: A Disease Often Unknown to Affected Patients. Econs MJ, Samsa GP, Monger M, Drezner MK, FEUSSNER JR. Bone and Mineral 24:17-24, 1994.
63. Medical Treatment for Stroke Prevention. Matchar DB, McCrory DC, Barnett HJM, FEUSSNER JR. Ann Intern Med 121:41-53, 1994.
64. Medical Treatment for Stroke Prevention: A Policy Statement. Matchar DB, McCrory DC, Barnett HJM, FEUSSNER JR. Ann Intern Med 121: 54-55, 1994.
65. The Relationship between Glycemic Control and Health-related Quality of Life in Patients with Non-insulin-dependent Diabetes Mellitus. Weinberger M, Kirkman S, Samsa GP, Cowper PA, Shortliffe A, Simel DL, FEUSSNER JR. Med Care 29:1173-81, 1994.
66. Effect of a Telephone Adjunct to Primary Care on Coronary Risk Factors in Patients with Non-Insulin-Dependent Diabetes Mellitus. Kirkman MS, Weinberger M, Landsman P, Samsa GP, Shortliffe EA, Simel DL, FEUSSNER JR. Diab Care 17:840-46, 1994.
67. Purified Intrinsic Factor Radioisotope Dilution Assay for Vitamin B₁₂ for the Diagnosis of Vitamin B₁₂ Deficiency: Utility in Clinical Practice. Matchar DB, McCrory DC, Millington DS, FEUSSNER JR. Amer J Med Sci 308:276-83, 1994.
68. Appropriateness of Medication Prescribing in Ambulatory Elderly Patients. Schmader K, Hanlon JT, Weinberger M, Landsman PB, Samsa GP, Lewis I, Uttech K, Cohen HJ, FEUSSNER JR. J Amer Geriatr Soc 42:1241-47, 1994.

PUBLICATIONS: (continued)

69. Assessing Health-Related Quality of Life: Telephone Versus Face-to-Face Administration. Weinberger M, Nagle B, Hanlon FT, Samsa GP, Schmader K, Landsman PB, Uttech KM, Cowper PA, Cohen HJ, FEUSSNER JR. J Amer Geriatr Soc 42:1295-99, 1994.
70. A Nurse-Coordinated Intervention for Primary Care Patients with Non-Insulin-Dependent Diabetes Mellitus: Impact on Glycemic Control and Health-Related Quality of Life. Weinberger M, Kirkman S, Samsa GP, Cowper PA, Shortliffe A, Simel DL, FEUSSNER JR. J Gen Intern Med 10:59-66, 1995.
71. Outcomes in Patients with Ischemic Stroke: Are Neurologists and Generalists Different? Horner RD, Matchar DB, Divine GW, FEUSSNER JR. Health Serv Res 30:275-87, 1995.
72. Ability of Physicians to Detect the Apical S3 Gallop. Westman EC, Matchar DB, Samsa GP, Mulrow CD, Waugh RA, FEUSSNER JR. J Gen Intern Med 10:455-57, 1995.
73. The Role of Antineutrophil Cytoplasmic Antibody (c-ANCA) Testing in the Diagnosis of Wegener's Granulomatosis? A Literature Review and Meta-Analysis. Rao JK, Weinberger M, Oddone EZ, Allen NB, Landsman P, FEUSSNER JR. Ann Intern Med 123:925-32, 1995.
74. A Prospective Study of Antineutrophil Cytoplasmic Antibody (c-ANCA) and Clinical Criteria in Diagnosing Wegener's Granulomatosis. Rao JK, Allen NB, FEUSSNER JR, Weinberger M. Lancet 346:926-31, 1995.
75. Contrasting MRSA Colonization in Veterans Affairs and Community Nursing Homes. Mulhausen PL, Harrell LJ, Weinberger M, Kochersberger GG, FEUSSNER JR. Amer J Med 100:24-31, 1996.
76. A Randomized Controlled Trial of a Clinical Pharmacist Intervention with Elderly Outpatients with Polypharmacy. Hanlon JT, Weinberger M, Samsa GP, Schmader KE, Uttech KM, Lewis IK, Cowper PA, Landsman PB, Cohen HJ, FEUSSNER JR. Amer J Med 100:428-37, 1996.
77. Can Increased Access to Primary Care Reduce Hospital Readmissions? A Multi-site Randomized Controlled Trial. Weinberger M, Oddone EZ, Henderson W, Hurder AG, Horner M, Goldstein F, Ginier P, Mengel C, Huey J, Asch D, Farber N, Loo L, Mack E, Smith D, FEUSSNER JR, and the Veteran Affairs Cooperative Studies Group on Primary Care and Hospital Readmissions. N Engl J Med 334:1441-47, 1996.
78. Classifying General Medicine Readmissions: Are They Preventable? Oddone EZ, Weinberger M, Horner M, Mengel C, Holdstein F, Ginier P, Smith D, Huey J, Farber N, Ashe D, Loo L, Mack E, Hurder A, Henderson W, FEUSSNER JR. J Gen Intern Med 11:597-607, 1996.
79. The Cost-Effectiveness of a Clinical Pharmacist Intervention among Elderly Outpatients. Cowper PA, Weinberger M, Hanlon JT, Landsman PB, Samsa GP, Uttech KM, Schmader K, Lewis I, Cohen HJ, FEUSSNER JR. Pharmacotherapy 18:327-32, 1998.
80. Predictors of Mammography Use Among Women Veterans. Hynes DM, Bastian LA, Rimer B, Sloane R, FEUSSNER JR. J Women's Health 7:239-47, 1998.
81. The Future of Research in the Veterans Health Administration: The Report of the Research Realignment Advisory Committee. Rutherford GW, Gerrity TR, Kizer KW, FEUSSNER JR, Acad Med 74:773-81, 1999.
82. Improving Informed Consent in Clinical Trials: A Duty to Experiment. Lavori P, Sugarman J, Hays, M, FEUSSNER JR, Control Clin Trials 20:187-93, 1999.

PUBLICATIONS: (continued)

83. Predicting Non-elective Hospital Re-admissions: A Multi-site Study. Smith DM, Giobbie-Hurder A, Weinberger M, Oddone EZ, Henderson WG, Asch DA, Ashton CM, FEUSSNER JR, Ginier P, Huey JM, Hynes DM, Loo L, Mengel CE. J Clin Epidemiol 53:1113-8, 2000.
84. Department of Veterans Affairs Medical Care System as a Resource for Epidemiologists. Boyko EJ, Koepsell TD, Gaziano JM, Horner RD, FEUSSNER JR. Amer J Epidemiol 151:1-8, 2000.
85. The Quality Enhancement Research Initiative (QUERI): Moving from Evidence to Action. FEUSSNER JR, Demakis JG, Kizer KW. Medical Care 38:1-6, 2000.
86. The Quality Enhancement Research Initiative (QUERI): A Collaboration Between Research and Clinical Practice. Demakis JG, McQueen L, Kizer KW, FEUSSNER JR. Medical Care 38:17-25, 2000.
87. Re-inventing Health Care: Systematizing Quality Improvement and Quality Innovation. Kizer KW, Demakis JG, FEUSSNER JR. Medical Care 38:7-16, 2000.
88. Ethics and Economics in Placebo-Controlled Trials of New Drugs for Disorders of Mood. Lavori PW, Wagner TH, FEUSSNER JR. Econ Neuroscience 2:44-48, 2000.
89. A Multi-center Two by Two Factorial Trial of Cognitive Behavioral Therapy and Aerobic Exercise for Gulf War Veterans Illnesses: Design of a VA Cooperative Study. Guarino P, Peduzzi P, Donta ST, Engel CC, Clauw D, Williams DA, Skinner JS, Barkuizen A, Kazis L, FEUSSNER JR. Control Clin Trials 22:310-32, 2001.
90. Multi-site Experiments in Health Services Research: Scientific Challenges and Operational Issues. Weinberger M, Oddone EZ, Henderson W, Smith DM, Huey J, Giobbie-Hurder A, FEUSSNER JR. Medical Care 39:627-34, 2001.
91. Research on Informed Consent: Investigator-Developed versus Patient-Developed Consent Documents, A VA Cooperative Study. Peduzzi, P, Guarino P, Donta ST, Engel CC, Clauw D, FEUSSNER JR. Control Clin Trials 23:184-97, 2002.
92. Effect of Geriatric Evaluation and Management Units and Clinics on Survival, Health Related Quality of Life and Functional Status: A VA Cooperative Trial. Cohen HJ, FEUSSNER JR, Weinberger M, Carnes M, Hamdy R, Hsieh F, Phibbs C, Lavori P. N Engl J Med 346:905-12, 2002.
93. Estimating Potential Cost Savings for Erythropoietin Administration for End Stage Renal Disease: Results from the VA Cooperative Studies Program/Health Care Financing Administration End Stage Renal Disease Work Group Collaborative Study. Hynes DM, Stroupe KT, Greer JW, Reda DJ, Frankenfield D, Kaufman J, Henderson W, Owen WF, Rocco M, Wish J, Kang J, FEUSSNER JR. Amer J Med 112:169-175, 2002.
94. The Antibiotic Treatment Trial of Gulf War Veterans Illnesses: Issues, Design, Screening and Baseline Characteristics. Collins JF, Donta ST, Engel CC, Baseman JB, Dever LL, Taylor T, Boardman K, Martin SE, Wiseman AL, FEUSSNER JR. Control Clin Trials 23:333-53, 2002.
95. Enhancing Protections for Human Participants in Clinical Research: A Continuing Process. FEUSSNER JR, Burris JF, McGlynn G, Lavori PW. Medical Care 40:4-11, 2002.
96. An Overview of Variance Inflation Factors for Sample Size Calculation. Hsieh FY, Lavori PW, Cohen HJ, FEUSSNER JR. Evaluation & Health Professions 26:239-57, 2003.
97. Occurrence of Amyotrophic Lateral Sclerosis Among Gulf War Veterans. Horner RD, Kamins KG, FEUSSNER JR, Grambow SC, Hoff-Lindquist J, Harati Y, Mitsumoto H, Pascuzzi R, Spencer PS, Tim R, Howard D, Smith TC, Ryan MAK, Kasarskis EJ. (Neurology 61:742-49, 2003.

PUBLICATIONS: (continued)

98. Promoting Good Clinical Practices in the Conduct of Clinical Trials: Experience in the Department of Veterans Affairs Cooperative Studies Program. Sather MR, Raisch DW, Haakenson CM, Buckelew JM, FEUSSNER JR. Contol Clin Trials 24:570-84, 2003.
99. A Multi-center Trial of Cognitive Behavioral Therapy and Exercise for Gulf War Veterans' Illnesses: A Veterans Affairs Cooperative Study. Donta ST, Clauw DJ, Engel CC, Guarino P, Peduzzi P, Williams DA, Skinner JS, Barkhuizen A, Taylor T, Kazis LE, Sogg S, FEUSSNER JR. JAMA 289:1396-1404, 2003.
100. Effectiveness of Geriatric Evaluation and Management(GEM) on Adverse Drug Reactions and Suboptimal Prescribing in the Frail Elderly: The VA Cooperative GEM Trial. Schmader KE, Hanlon JT, Pieper CF, Sloane R, Ruby CM, Twersky J, Francis S, Branch L, Lindblad CI, Artz M, Weinberger M, FEUSSNER JR, Cohen HJ. (Amer J Med 116:394-401, 2004.
101. Benefits and Harms of Doxycycline Treatment for Gulf War Veterans' Illnesses: A Randomized Double-Blind, Placebo-Controlled Trial. Donta ST, Engel CC, Collins J, Baseman JB, Dever LL, Taylor T, Boardman K, Kazis LE, Martin SE, Wiseman AL, Smith RP, FEUSSNER JR. Ann Intern Med 141:85-94, 2004.
102. Enrollment in Clinical Trials According to Patients Race: Experience from the VA Cooperative Studies Program (1975-2000). Oddone EZ, Olsen M, Hoff J, Orr M, Horner RD, Reda DJ, Lavori PW, Peduzzi P, Collins J, FEUSSNER JR. Control Clin Trials 25:378-87, 2004.
103. Geriatric Evaluation and Management Units in the Care of Frail Elderly Cancer Patients. Rao A, Hseih F, FEUSSNER JR, Cohen HJ. J Gerontol (Medical Sciences) 60A:798-803, 2005.
104. Creating a New Structure for Research on Healthcare Effectiveness. Kupersmith J, Sung N, Genel M, Slavin H, Califf R, Bonow R, Sherwood L, Reame N, Catanese V, Baase C, FEUSSNER JR, Dobs A, Tilson H, Reese EA. J Invest Med 53:67-72, 2005.
105. The Effect of Geriatric Evaluation and Management on Nursing Home Use and Health Care Costs: Results from a Randomized Trial. Phibbs CS, Holty JEC, Goldstein MK, Garber AM, Wang Y, FEUSSNER JR, Cohen HJ. Medical Care 44: 91-95, 2006.
106. Clinical Characteristics of Military Veterans with ALS Who served During the Persian Gulf War Era (1990-1991). Kasarskis EJ, Lindquist JH, Coffman CJ, Grambow SC, FEUSSNER JR, Allen KD, Oddone EZ, Kamins KA, Horner RD. Neurology (submitted)
107. Comprehensive Geriatric Assessment: Mission Not Yet Accomplished. Cohen HJ, FEUSSNER JR. J Gerontol 44:175-77, 1989.
108. Uniform Priors Are Not a Thing of the Past. Matchar DB, Simel DL, Geweke J, FEUSSNER JR. Medical Decision Making 10:114-15, 1990.
109. Diagnostic Tests Are Not Always Black and White: or All That Glitters is Not (A) Gold (Standard). Simel DL, Matchar DB, FEUSSNER JR. J Clin Epidemiol 44:967-69, 1991.
110. Clinical Trials of Informed Consent. Simel DL, FEUSSNER JR. Controlled Clinical Trials 13:321-24, 1992.
111. New Editorial Policy at HSR: An Increasing Emphasis on Relevance and Utility of Research Results for Science, Practice, and Public Policy. DeFriesse GH, FEUSSNER JR, Bazzoli GJ. Health Serv Res 29:511-13, 1994.
112. Evidence Based Medicine: New Priority for an Old Paradigm. FEUSSNER JR. J Bone Mineral Res 11:877-82, 1996.

PUBLICATIONS: (continued)

113. Research in the Veterans Health Administration: New Paradigm or Changing Priorities. FEUSSNER JR. Acad Med 71:1072-73, 1996.
114. Veterans, Medicare, and Health Maintenance Organizations: Where is the Value? FEUSSNER JR. J Gen Intern Med 12:256-57, 1997.
115. Views From Funding Agencies. FEUSSNER JR, Maklan C. Medical Care 36:254-56, 1998.
116. Homeless and Chronically Ill Americans: One of My Least Brothers? FEUSSNER JR. Medical Care 36:1121-22, 1998.
117. Clinical Research in the Department of Veterans Affairs: Using Research to Improve Patient Outcomes. FEUSSNER, JR. J Invest Med 46:264-67, 1998.
118. Emerging Research on Treatment of Gulf War Veterans' Illnesses. Gerrity TR, FEUSSNER JR. J Occup Environ Med 41:440-2, 1999.
119. Views from Funding Agencies: Priorities of Patient-Centered Research in the Department of Veterans Affairs. FEUSSNER JR. Medical Care 37:843-45, 1999.
120. Does Health Systems Thinking Guide Health Services Actions? FEUSSNER JR, Demakis JG. Health Serv Res 34:1409-12, 2000.
121. Linking Experimental Research Methods with Health Services Research: Everything is Possible. FEUSSNER JR. Effective Clinical Practice 3:138-40, 2000.
122. Making Informed Consent Meaningful: From Theory to Practice. Peduzzi P, Guarino P, Donta ST, Engel CC, Clauw DJ, FEUSSNER JR. Control Clin Trials 23:178-81, 2002.
123. Making Informed Consent Meaningful: A State-of-the Art Conference. FEUSSNER JR, Murray TH. Preface, Medical Care 40:1-3, 2002.
124. Understanding the Dynamics Between Ethnicity and Health Care: Another Role for Health Services Research in Chronic Disease Management. FEUSSNER JR. Arthritis and Rheumatism 46:2265-67, 2002.
125. Blood Pressure Measurement: Getting the Right Cuff. FEUSSNER JR, Blessing-Feussner CL, Linfors EW. NCMJ 44(4):241, April 1983.
126. Medical Care and "Entitlement" in the Veterans Administration. FEUSSNER JR, Cockrell III WE. NCMJ 44(6):376-8, June 1983.
127. Muscle Pains Like You Have Never Seen! FEUSSNER JR. NCMJ 44(12):814-15, December 1983.
128. Late Reporting of Sudden Visual Loss. Matchar DB, Coffey E, FEUSSNER JR. NCMJ 45(4):211-12, April 1984.
129. Laboratory Tests in the Diagnosis of Vitamin B₁₂ (Cobalamin) Deficiency. Matchar DB, FEUSSNER JR. NCMJ 47(3):118-2, March 1986.
130. Digitalis and Heart Failure: A Bicentennial Review. Mulrow CD, FEUSSNER JR, Velez R. Primary Cardiology 13(2):13-28, 1987.
131. Management Dilemmas in Carotid Artery Disease. Adams HP, Caplan LR, FEUSSNER JR, Gosink BE, Trout HH. Patient Care 24:14-46, 1990.
132. Carotid Artery Disease: When and How to Treat. FEUSSNER JR. Consultant 33:35-41, 1993.

PUBLICATIONS: (continued)

133. Screening for Asymptomatic Diseases: Practical Tips on Doing it Right. Wong JG, FEUSSNER JR. NCMJ 54:218-221, 1993.
134. Screening Mammography for Breast Cancer: A Wise Test When Used In Time. Wong JG, FEUSSNER JR. NCMJ 54:257-260, 1993.
135. Screening for Cervical Cancer: Pap Smears Can Save Lives. Wong JG, FEUSSNER JR. NCMJ 54:342-345, 1993.
136. Screening for Ovarian Cancer: Not Worthwhile for Most Patients. Wong JG, FEUSSNER JR. NCMJ 54:438-40, 1993.
137. Screening for Prostate Cancer. Wong JG, FEUSSNER JR. NCMJ 54: 568-71, 1993.
138. Screening for Colorectal Cancer: Does the Benefit Justify the Cost? Wong JG, FEUSSNER JR. NCMJ 54:634-38, 1993.
139. Screening for Lung Cancer: It Does not Make a Difference! Wong JG, FEUSSNER JR. NCMJ 55:37-39, 1994.
140. Screening for Oral Cancer: It Takes More Than a Look. Wong JG, FEUSSNER JR. NCMJ 55:65-67, 1994.
141. Screening for Melanoma. Wong JG, Clark RE, FEUSSNER JR. NCMJ 55:142-45, 1994.
142. Screening for HIV Infection: The Time Has Not Yet Come. Wong JG, FEUSSNER JR. NCMJ 55:212-16, 1994.

PUBLICATIONS: Book Chapters, Symposia, Monographs

143. Hematology. FEUSSNER JR. In: Edgman SM, Hamilton MA, Crapo JD, eds. Introduction to Medicine and Pediatrics. Philadelphia: Hanley and Belfus, Inc., 1988.
144. Screening For Disease in Elderly Persons. FEUSSNER JR and Oddone EZ, In: Cassel CK, Walsh JR, Riesenber g D, and Sorensen L, eds. Geriatric Medicine. New York: Springer-Verlag, 1989.
145. Experimental Methods in Clinical Research. FEUSSNER JR, Williams J, Weinberger M. In: Symposium on Methodologies for Clinical Research in Geriatrics. Chapter 5. American Geriatrics Society, 1990.
146. Screening for Depressions in General Medical Care. Zung WWK, Magruder-Habib K, FEUSSNER JR, In: Atkinson CC and Zich JM, eds. Depression in Primary Care: Screening and Detection. New York: Routledge, 1990.
147. Cancer Screening in the Elderly. FEUSSNER JR, Oddone EZ, Wong JG, In: Cassel CK, Cohen HJ, Larson EB, Meier DE, Resnick N, Rubenstein L, Sorensen LB, eds. Geriatric Medicine. New York: Springer-Verlag, 1996.
148. FEUSSNER JR. Refining Research Priorities: New Initiatives Meeting Veterans Needs. Department of Veterans Affairs, Office of Research and Development Monograph, 1997.
149. FEUSSNER JR. VA Cooperative Studies Program: A Legacy of Achievement. Department of Veterans Affairs, Office of Research and Development Monograph, 1997.
150. FEUSSNER JR, Health Services Research: Advancing Veterans Health Care. Department of Veterans Affairs, Office of Research and Development Monograph, 1997.

ABSTRACTS:

1. Computerized Tomography Brain Scanning in Alcohol Withdrawal Seizures. FEUSSNER JR, Blessing CL, Linfors EW, Starmer CF. In Clinical Research 27:277A, 1979. (Presented at the American Federation for Clinical Research Meeting, Washington, DC, May 5-7, 1979).
2. Is the Prevalence of Hypertension Overestimated? Linfors EW, FEUSSNER JR, Starmer CF, Blessing CL, Neelon FA, McKee PA. Circulation 62:II-306, 1980. (Presented at the American Heart Association Meeting, Miami, FL, November 16-20, 1980).
3. Computerized Tomography Brain Scanning in Dementia: Does it Make a Difference? FEUSSNER JR, Williams BC, Vokaty KA. In Clinical Research 29:318A, 1981. (Presented at the American Federation for Clinical Research Meeting, San Francisco, CA, April 25-27, 1981).
4. Ambulatory Management of Essential Hypertension: Improvement of Blood Pressure Control by Use of a Physician's Associate. Hla KM, FEUSSNER JR, Linfors EW, Blessing CL, Neelon FA, McKee PA. In Clinical Research 29:320A, 1981.
5. Ambulatory Management of Essential Hypertension: Improvement of Blood Pressure Control by Use of a Physician's Associate. Hla KM, FEUSSNER JR, Linfors EW, Blessing CL, Neelon FA, McKee PA. In Newsletter of the Council on Epidemiology, American Heart Association, Winter 1981.
6. Overestimation of Blood Pressure in the Elderly by Indirect Sphygmomanometry. Hla KM, Vokaty KA, and FEUSSNER JR. In Clinical Research 30:336A, 1982.
7. Pulmonary Sarcoidosis and the Myth of Steroid Efficacy. FEUSSNER JR. (Presented at the Sydenham Society Meeting, Washington, DC, May 7, 1982.)
8. Predictive Role for the Clinical Triad of Normal Pressure Hydrocephalus. Mulrow CD, FEUSSNER JR, Williams BC, Vokaty KA. In Clinical Research 30:846A:1982.
9. Clinical Descriptors Identify Demented Patients Who Have Brain Tumors. FEUSSNER JR, Mulrow CD, Williams BC, Vokaty KA. In Clinical Research 30:845A:1982. (Presented at the American Federation for Clinical Research, Southern Section Meeting, New Orleans, LA, January 27-29, 1983).
10. Observer Variability and Reliability in the Pulmonary Exam. Mulrow CD, Dolmatch B, DeLong ER, FEUSSNER JR, et. al. In Clinical Research 31:925A:1983. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 19-21, 1984.)
11. Vitamin B₁₂ Deficiency and Dementia: What Role for Serum Vitamin B₁₂ Levels? FEUSSNER JR, Mulrow CD, Williams BC, Vokaty KA, Blumfelder TM. In Clinical Research 31:924A:1983. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 19-21, 1984.)
12. Indirect Sphygmomanometry Overestimates Blood Pressure in the Elderly. Hla KM, Vokaty KA, FEUSSNER JR. In Clinical Research 31:832A:1983.
13. Hematologic Effects of Arsenic Poisoning: A Review of 123 Cases. FEUSSNER JR, Watson DJ. In Clinical Research 31:841A:1983.
14. The Role of Lumbar Puncture and Cerebrospinal Fluid Analysis in the Evaluation of Dementia. Becker PM, FEUSSNER JR, Mulrow CD, Williams BC, Vokaty KA. In J Am Geriatr Soc 32:S12, 1984. (Presented at the 41st Annual Meeting of the American Geriatrics Society, Denver, CO, May 16-18, 1984.)
15. Cardiovascular Disease Prevention in a Veteran Population. Beresford SAA, FEUSSNER JR, McFall SL. (Presented at the 112th Annual Meeting of the American Public Health Association, Anaheim, CA, November 11-14, 1984.)

ABSTRACTS: (continued)

16. Impact of a Geriatric Consultation Team in an Acute Care Hospital. Becker P, McVey L, Saltz C, Cohen H, FEUSSNER JR. (Presented at the 112th Annual Meeting of the American Public Health Association, Anaheim, CA, November 11-14, 1984.)
17. Health Services Utilization in Triage: A Prospective Survey. FEUSSNER JR, McFall SL, Beresford SAA, Cockrell III WE. (Presented at the 112th Annual Meeting of the American Public Health Association, Anaheim, CA, November 11-14, 1984.)
18. Low Serum Vitamin B₁₂ Levels: Discordance with Other Clinical and Laboratory Measurements. Matchar DB, FEUSSNER JR, Watson DJ, Wilkinson J. In Clinical Research 32:923A:1984. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 30 - February 2, 1985.)
19. Enhancing Patient Communication. Anderson LA, DeVellis BM, DeVellis RF, FEUSSNER JR. In Clinical Research 32:921A:1984. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 30 - February 2, 1985.)
20. Low Serum Vitamin B₁₂ Levels: Do They Denote Deficiency? Matchar DB, FEUSSNER JR, Watson DJ, Wilkinson J, Millington DS, Gale D. In Clinical Research 33:II-727A:1985.
21. Overestimation of Diastolic Blood Pressure in the Elderly: Magnitude of the Problem and a Potential Solution. Hla KM, Vokaty KA, FEUSSNER JR. In J Am Geriatr Soc 34:685,1986. (Presented at the 42nd Annual Meeting of the American Geriatrics Society, New York, NY, July 11-12,1985.)
22. The Significance of Low Serum Vitamin B₁₂ Levels in the Elderly. Matchar DB, FEUSSNER JR, Watson DJ, Wilkinson J, Millington DS, Gale D. In J Am Geriatr Soc 34:680,1986. (Presented at the 42nd Annual Meeting of the American Geriatrics Society, New York, NY, July 11-12, 1985.)
23. Impact of a Geriatric Consultation Team on the Occurrence of Hospital-Acquired Complications: A Controlled Clinical Trial. Becker PM, McVey L, Saltz C, Cohen HJ, FEUSSNER JR. In Clinical Research 33:737A:1985. (Presented at the American Federation for Clinical Research, Eastern Section Meetings, Baltimore, MD, September 26-27, 1985.)
24. Impact of a Geriatric Consultation Team on Discharge Placement and Repeat Hospitalization. Saltz C, McVey L, Becker PM, Cohen HJ, FEUSSNER JR. (Presented at the 113th Annual Meeting of the American Public Health Association, Washington, DC, November 17-21, 1985.)
25. A Quantitative Analysis of Palliative Care Decisions in Acute Nonlymphocytic Leukemia (ANLL). Neuss MN, FEUSSNER JR, Delong ER, Cohen HJ. In Blood 66:180a:1985.
26. Impact of a Geriatric Consultation Team of Functional Status: A Controlled Clinical Trial. McVey L, Becker PM, Saltz C, Cohen HJ, FEUSSNER JR. In The Gerontologist 25:31:1985. (Presented at the 38th Annual Meeting of the Gerontological Society of America, New Orleans, LA, November 22-26, 1985.)
27. Randomized Placebo-Controlled Trial of Oral Potassium in Mild Essential Hypertension. Svetkey LP, Yarger WE, FEUSSNER JR, Delong ER, Klotman PHYSICAL EXAMINATION. In Kidney International 29:259:1986.
28. Urinary Methylmalonic Acid Assay in the Diagnosis of Vitamin B₁₂ Deficiency: The Gold Standard? Matchar DB, FEUSSNER JR, Watson DJ, Wilkinson RH, Millington DS, Gale D. In Clinical Research 34:271A:1986. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, February 7-8, 1986.)

ABSTRACTS: (continued)

29. Intermediate, Indeterminate, and Uninterpretable Diagnostic Test Results: A Better Bayes. Simel DL, DeLong ER, FEUSSNER JR. In Clinical Research 34:272A:1986. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, February 7-8, 1986.)
30. Physical Diagnosis is Useful in the Clinical Detection of Ascites. Simel DL, Halvorsen RA, FEUSSNER JR. In Clinical Research 34:272A:1986. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, February 7-8, 1986.)
31. Assessing the Cardiovascular Diagnostic Skills of Medical Residents Using a Cardiology Patient Simulator. St.Clair EW, FEUSSNER JR, Waugh RA, Wade LL, DeLong ER, Corey GR. In Clinical Research 34:272A:1986. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, February 7-8, 1986.)
32. Accuracy and Reliability of Auscultation of the S3 Gallop. FEUSSNER JR, Matchar DB, Mulrow CD, DeLong ER, Waugh RA. In Clinical Research 34:270A:1986. (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, February 7-8, 1986.)
33. Accuracy and Reliability of Auscultation of the S3 Gallop. FEUSSNER JR, Matchar DB, Mulrow CD, DeLong ER, Waugh RA. In Clinical Research 34:816A:1986 (Presented at the 9th Annual Meeting of the Society for Research and Education in Primary Care Internal Medicine, Washington DC, May 1-2, 1986.)
34. Urinary Methylmalonic Acid Assay in the Diagnosis of Vitamin B₁₂ Deficiency: The Gold Standard? Matchar DB, FEUSSNER JR, Watson DJ, Wilkinson RH, Millington DS. In Clinical Research 34:376A:1986. (Presented at the American Federation for Clinical Research Meeting, Washington DC, May 2, 1986.)
35. Placebo Controlled Trial of Oral Potassium in the Treatment of Mild Hypertension. Svetkey LP, Yarger WE, FEUSSNER JR, DeLong ER, Klotman PHYSICAL EXAMINATION. In Clinical Research 34:487A:1986 (Presented at the American Federation for Clinical Research Meeting, Washington DC, May 2-5, 1986.)
36. Physical Diagnosis is Useful in the Detection of Ascites. Simel DL, Halvorsen RA, FEUSSNER JR. In Clinical Research 34:838A:1986.
37. Assessing the Cardiovascular Diagnostic Skills of Medical Residents Using "Harvey", a Cardiology Patient Simulator. St.Clair EW, FEUSSNER JR, Waugh RA, Wade LL, and Corey GR. In Clinical Research 34:840A:1986.
38. Pilot Study of Spinal Cord Injury Mortality and Morbidity. Cowper PA, FEUSSNER JR, Beresford SAA, Patrick DL, Manton KG. (Presented at the Annual Meeting of the Veterans Administration Health Services Research Program, Boston, MA, June 24-26, 1986.)
39. Priorities for Disease Prevention in VA Ambulatory Care Clinics. Patrick CH, Cockrell WE, FEUSSNER JR. (Presented at the 114th Annual Meeting of the American Public Health Association, Las Vegas, NV, September 28 - October 2, 1986.)
40. Errors in Blood Pressure Measurement: Is It Time to Revise the Standard Technique? Hla KM, FEUSSNER JR, DeLong ER. In Clinical Research 35:89A:1987 (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 28-29, 1987.)
41. Comparative Accuracy of Chest X-Ray Interpretation at Various Levels of Physician Training. Tapson VF, Corey GR, FEUSSNER JR, DeLong ER, MacGregor JH, Ravin CE. In Clinical Research 35:92A:1987 (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 28-29, 1987.)

ABSTRACTS: (continued)

42. Peripheral Blood Film Interpretation of Anisocytosis versus Quantitative Assessment by RDW. Simel DL, DeLong ER, FEUSSNER JR, Crawford J, Weinberg JB. In Clinical Research 35:92A:1987 (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 28-29, 1987.)
43. A Prospective Study of the Operating Characteristics of the Serum Vitamin B₁₂ Assay: Correlates of False Positivity. Matchar DB, FEUSSNER JR, Millington D. In Clinical Research 35:90A:1987 (Presented at the Society for Research and Education in Primary Care Internal Medicine, Southern Section Meeting, New Orleans, LA, January 28-29, 1987.)
44. Using Direct Ophthalmoscopy to Detect Glaucoma: Physician Variability and Accuracy. DeMaria LC, FEUSSNER JR, DeLong ER, Martone J, Crowley G. In Clinical Research 35:737A:1987.
45. Impact of Glucose Self-Monitoring on Type II Diabetes Mellitus: A Randomized Controlled Trial Comparing Blood vs. Urine Testing. Allen BT, FEUSSNER JR, DeLong ER. In Clinical Research 35:729A:1987 (Presented at the 10th Annual Meeting of the Society for Research and Education in Primary Care Internal Medicine, San Diego, CA, May 1-2, 1987.)
46. Errors in Blood Pressure Measurement: Is It Time to Revise the Standard Technique? Hla KM, FEUSSNER JR, DeLong ER. In Clinical Research 35:744A:1987 (Presented at the 10th Annual Meeting of the Society for Research and Education in Primary Care Internal Medicine, San Diego, CA, May 1-2, 1987.)
47. Impact of Glucose Self-Monitoring on Type II Diabetes Mellitus: Policy Implications. Allen BT, FEUSSNER JR, DeLong ER. (Presented at the 5th Annual Meeting of the Veterans Administration Health Services Research Program, Chicago, IL, June 16-18, 1987.)
48. Impact of a Geriatrics Fitness Program (GEROFIT). Morey MC, Sullivan RJ, DiPasquale RC, Crowley GM, Cowper PA, FEUSSNER JR. (Presented at the 5th Annual Meeting of the Veterans Administration Health Services Research Program, Chicago, IL, June 16-18, 1987.)
49. Improving Recognition and Treatment of Depression in Primary Care. Magruder-Habib K, Zung WWK, FEUSSNER JR. (Presented at the 115th Annual Meeting of the American Public Health Association, New Orleans, LA, October 18-22, 1987.)
50. An Intervention to Improve Detection of Depression in General Medical Care: Age Related Findings. Magruder-Habib K, Zung WWK, FEUSSNER JR. (Presented at the 40th Annual Meeting of the Gerontological Society of America, Washington, DC, November 18-22, 1987.)
51. Evaluation of Abdominal Muscle Strength in a VA Geriatric Fitness Program. DiPasquale RC, Morey MC, Sullivan RJ, Crowley GM, Cowper PA, FEUSSNER JR. In Gerontologist 27:8A:1987 (Presented at the 40th Annual Meeting of the Gerontological Society of America, Washington, DC, November 18-22, 1987.)
52. Which Noninvasive Diagnostic Tests Should Be Used to Evaluate Carotid Artery Disease: A Meta-Analysis. FEUSSNER JR, Matchar DB. In Clinical Research 36:9A:1988 (Presented at the American Federation for Clinical Research, Southern Section Meeting, New Orleans, LA, February 3-5, 1988.)
53. Noninvasive Diagnostic Testing for Carotid Artery Disease in Patients with TIAs: A Decision Analysis. Matchar DB, FEUSSNER JR. In Clinical Research 36:91A:1988 (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, February 3-5, 1988.)

ABSTRACTS: (continued)

54. Exercise Outcomes in Older Veterans. Morey MC, Cowper PA, DiPasquale RC, Crowley GM, Kitzman D, FEUSSNER JR, Sullivan RJ. In J Amer Geriatr Soc 36:663:1988 (Presented at the 45th Annual Meeting of the American Geriatrics Society, Anaheim, CA, May 19-22, 1988.)
55. Do Emergency Physicians Use Blood Alcohol Levels to Treat Patients? Simel DL, FEUSSNER JR. In Clinical Research 36:717A:1988.
56. Noninvasive Diagnostic Testing for Carotid Artery Disease in Patients with TIAs: A Decision Analysis. Matchar DB, FEUSSNER JR. In Clinical Research 36:715A:1988.
57. Which Noninvasive Diagnostic Tests Should Be Used to Evaluate Carotid Artery Disease: A Meta-Analysis. FEUSSNER JR, Matchar DB. In Clinical Research 36:711A:1988.
58. Estimating Medical Test Operating Characteristics When the Reference Standard is Not Always Diagnostic. Matchar DB, Simel DL, Geweke JF, FEUSSNER JR. (Presented at the Annual Meeting of the Society for Medical Decision Making, Richmond, VA, 1988.)
59. Management of General Medical Patients with Symptoms of Anxiety and Depression. Magruder-Habib K, Zung WWK, FEUSSNER JR. (Presented at the Treatment of Mental Health Disorders Conference, Pittsburgh, PA, June 16-17, 1988.)
60. Improving Recognition and Treatment of Depression in a VA Primary Care Setting. Magruder-Habib K, Zung WWK, FEUSSNER JR. (Presented at the 6th Annual Meeting of the Veterans Administration Health Services Research Program, San Francisco, CA, June 28-30, 1988.)
61. Driving-Impaired Patients Leaving the Emergency Department: Acknowledging the Problem. Simel DL, FEUSSNER JR. (Presented at the 6th Annual Meeting of the Veterans Administration Health Services Research Program, San Francisco, CA, June 28-30, 1988.)
62. A Randomized Trial of the Informed Consent Process in Ambulatory Patients. Simel DL, FEUSSNER JR. In Clinical Research 37:87A:1989 (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, February 1-3, 1989.)
63. A Cost-Effectiveness Analysis of Hepatitis B Vaccine in Dialysis and Pre-Dialysis Patients. Oddone EZ, Cowper P, Hamilton J, FEUSSNER JR. In Clinical Research 37:85A:1989 (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, February 1-3, 1989.)
64. The Adjusted Fugl-Meyer Test of Motor Performance: Application in the Durham County Stroke Study. Matchar DB, Dawson D, Poulson EJ, FEUSSNER JR. In Clinical Research 37:84A:1989 (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, February 1-3, 1989.)
65. Observer Variability and Utility of the Osler's Maneuver for Detection of Pseudo hypertension. Hla KM, Stoneking HT, Samsa GP, FEUSSNER JR. In Clinical Research 37:776A:1989 (Presented at the 12th Annual Meeting of the Society of General Internal Medicine, Arlington VA, April 26-28, 1989.)
66. A Randomized Trial of the Informed Consent Process in Ambulatory Patients. Simel DL, FEUSSNER JR. In Clinical Research 37:822A:1989 (Presented at the 12th Annual Meeting of the Society of General Internal Medicine, Arlington, VA, April 26-28, 1989.)
67. A Cost-Effectiveness Analysis of Hepatitis B Vaccine in Dialysis and Pre-dialysis Patients. Oddone EZ, Cowper PA, Hamilton JD, FEUSSNER JR. In Clinical Research 37:780A:1989.

ABSTRACTS: (continued)

68. Exercise Capacity is Sustained at 12 vs. 4 Month Exercise in the Elderly. Morey MA, Cowper P, FEUSSNER JR, DiPasquale R, Crowley G, Kitzman D, Higginbotham M, Sullivan R. (Presented at the 46th Annual Meeting of the American Geriatrics Society, Boston, MA, May, 1989.)
69. Evaluation of a Geriatric Exercise Program. Cowper PA, Morey M, FEUSSNER JR, Crowley G, DiPasquale R, Sullivan R. (Presented at the 7th Annual Meeting of the Veterans Administration Health Services Research Program, Chicago, IL, June, 20-22, 1989.)
70. Strategies to Enhance Compliance Among the Visually Impaired and Illiterate. Belyea MJ, FEUSSNER JR. (Presented at the 7th Annual Meeting of the Veterans Administration Health Services Research Program, Chicago, IL, June 20-22, 1989.)
71. Are Blood Alcohol Concentrations Used to Treat Patients? Simel DL. FEUSSNER JR. (Presented at the 117th Annual Meeting of the American Public Health Association, Chicago, IL, October 22-26, 1989.)
72. The Structure of the Multidimensional Health Locus of Control Scales: Chronic vs. Healthy Populations. Anderson LA, Belyea MJ, DeVellis RA, FEUSSNER JR. (Presented at the 117th Annual Meeting of the American Public Health Association, Chicago IL, October, 22-26, 1989.)
73. Strength Improvements in Geriatric Exercise: Falls History and Deficits. DiPasquale R, Morey M, Sullivan R, Crowley G, Cowper P, FEUSSNER JR. (Presented at the 42nd Annual Meeting of the Gerontological Society of America, Minneapolis, MN, November, 1989.)
74. A Low Serum Vitamin B₁₂ Level Without Deficiency Rarely Indicates Incipient Deficiency Based on Long-Term Follow up. McCrory DC, Matchar DB, Millington DS, FEUSSNER JR. In Clinical Research 38:699A:1990 (Presented at the 13th Annual Meeting of the Society of General Internal Medicine, Arlington, VA, May 2-4, 1990.)
75. Survival of Long Term Spinal Cord Injured Veterans. Samsa G, Patrick C, FEUSSNER JR. In Clinical Research 38:721A:1990 (Presented at the 13th Annual Meeting of the Society of General Internal Medicine, Arlington, VA, May 2-4, 1990.)
76. Survival of Surgical Patients in VA Hospitals. Patrick C, FEUSSNER JR. In Clinical Research, 38:720A:1990.
77. Elderly Exercisers: Two Year Trends in Cardiovascular Fitness. Morey M, Cowper PA, DiPasquale R, Crowley G, FEUSSNER JR, Sullivan RJ. In J Amer Geriatr Soc 38:A22:1990 (Presented at the 47th Annual Meeting of the American Geriatrics Society, Atlanta, GA, May 17-20, 1990.)
78. Characteristics of Aging Spinal Cord Injured Veterans. Samsa G, Patrick C, FEUSSNER JR. In J Amer Geriatr Soc 38:A61:1990 (Presented at the 47th Annual Meeting of the American Geriatrics Society, Atlanta, GA, May, 17-20, 1990.)
79. Factors Affecting Survival of Elderly Veteran Surgical Patients. Patrick C, FEUSSNER JR. In J Amer Geriatr Soc 38:A14:1990 (Presented at the 47th Annual Meeting of the American Geriatrics Society, Atlanta, GA, May 17-20, 1990.)
80. Are Age Differences in the Multidimensional Health Locus of Control Scales Real? Belyea MJ, Anderson LA, FEUSSNER JR. In J Amer Geriatr Soc 38:A36:1990 (Presented at the 47th Annual Meeting of the American Geriatrics Society, Atlanta, GA, May 17-20, 1990.)
81. Comparison of Resource Allocation Methodology (RAM) Reimbursement and Cost of Outpatient Care. Cowper P, FEUSSNER JR. (Presented at the 8th Annual Meeting of the Veterans Administration Health Services Research Program, Washington, DC, June 19-21, 1990.)

ABSTRACTS: (continued)

82. Survival of Long-Term Spinal Cord Injured Veterans. Sasma G, Patrick C, FEUSSNER JR. (Presented at the Annual Meeting of the 8th Veterans Administration Health Services Research Program, Washington, DC, June 19-21, 1990.)
83. Impact of Supervised Exercise on Psychological Well-Being and Health Status in Older Veterans. Cowper P, Morey M, Bearon L, Sullivan R, DiPasquale R, Crowley G, FEUSSNER JR. (Presented at the 43rd Annual Meeting of the Gerontological Society of America, 1990.)
84. A Predictive Model of Preoperative Length of Stay. Holleman DR, Simel DL, Samsa GP, Wilkinson WE, FEUSSNER JR. In Clinical Research 38:1003A:1990. (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, January 30-February 3, 1991.)
85. Cause of Death Among Long-Term Spinal Cord Injured (SCI) Veterans. Samsa GP, Patrick C, FEUSSNER JR. In Clinical Research 38:937A:1990. (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, January 30-February 1, 1991.)
86. Racial Differences in Stroke-Related Motor and Functional Impairments. Horner RD, Matchar DB, Divine G, FEUSSNER JR. In Clinical Research 38:938A:1990. (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, January 30-February 1, 1991.)
87. Can Medical House staff Improve Their Cardiovascular Diagnostic Skills: A Randomized Controlled Trial Using the Cardiology Patient Simulator. Oddone EZ, Pontinen M, Waugh R, Corey GR, Samsa GP, FEUSSNER JR. In Clinical Research 38:1005A:1990. (Presented at the Society of General Internal Medicine, Southern Society Meeting, New Orleans, LA, January 30-February 1, 1991.)
88. Method for Assessing the Appropriateness of Drug Therapy. Hanlon J, Schmader K, Samsa G, Weinberger M, Uttech K, Cohen HJ, FEUSSNER JR. In J Amer Geriatr Soc 39:A41:1991. (Presented at the 48th Annual Meeting of the American Geriatrics Society, Chicago, IL, May 9-12, 1991.)
89. Impact of Physician Specialty on Management and Outcome in Stroke: Expertise or Patient Selection. Horner RD, Matchar DB, Divine G, FEUSSNER JR. (Presented at the 9th Annual Meeting of the Veterans Administration Health Services Research Program, Washington, DC, April 23-25, 1991.)
90. Access to Care Among Veterans and Non-veterans Patients. Patrick C, Samsa GP, FEUSSNER JR. (Presented at the 9th Annual Meeting of the Veterans Administration Health Services Research Program, Washington, DC, April 23-25, 1991.)
91. Reliability of a Drug Appropriateness Scale. Samsa G, Schmader K, Weinberger M, Hanlon J, Uttech K, Cohen H, FEUSSNER JR. (Presented at the 9th Annual Meeting of the Veterans Administration Health Services Research Program, Washington, DC, April 23-25, 1991.)
92. A Strategy to Reduce Errors in Blood Pressure Measurement and Improve Physician Treatment Decisions. Hla KM, Samsa GP, Schriever PJ, FEUSSNER JR. In Clinical Research 38:601A:1991. (Presented at the 14th Annual Meeting of the Society of General Internal Medicine, Seattle, WA, May 1-4, 1991.)
93. A Predictive Model of Preoperative Length of Stay. Holleman DR, Simel DL, Samsa GP, Wilkinson WE, FEUSSNER JR. In Clinical Research 38:601A:1991.
94. Influence of Hyperglycemia on Outcome of Cerebral Infarction: A Prospective Cohort Study. Matchar DB, Divine G, Jansen D, Heyman A, FEUSSNER JR. In Clinical Research 38:582A:1991.

ABSTRACTS: (continued)

95. Impact of Physician Specialty on Stroke Outcomes: Expertise or Patient Selection? Horner R, Matchar DB, Divine G, FEUSSNER JR. Presented at the 10th Annual Meeting of the Association for Health Services Research, San Diego, CA, June 30 - July 2, 1991.
96. Variations in the Management and Outcomes of Rural and Urban Patients with Ischemic Stroke. Horner R, Matchar D, Divine G, FEUSSNER JR. Presented at the 10th Annual Meeting of the Association for Health Services Research, San Diego, CA, June 30 July 2, 1991.
97. Access to Care Among VA and Non-VA Users. Patrick C, Samsa G, Schreiner P, FEUSSNER JR. Presented at the 10th Annual Meeting of the Association for Health Services Research, San Diego, CA, June 30 - July 2, 1991.
98. A National Study of Mortality Among Spinal Cord Injured Veterans. Samsa GP, Patrick C, FEUSSNER JR. Presented at the 37th Annual Conference of the American Paraplegia Society, Las Vegas, NV, September 3-5, 1991.
99. Does Physician Specialty Affect the Outcome of Patients With Ischemic Stroke? Horner RD, Matchar DB, Divine G, FEUSSNER JR. In Clinical Research 40:885A:1992. (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, January 29 - February 1, 1992.)
100. The Impact of Social Support on Outcome in First Stroke. Glass TA, Matchar DB, Belyea M, FEUSSNER JR. (Presented at the 10th Annual Meeting of the Veterans Administration Health Services Research Program, Washington, DC, April 13-15, 1992.)
101. Relationship Between Glycemic Control and Quality of Life in Patients with Non-Insulin Dependent Diabetes Mellitus. Weinberger M, Kirkman MS, Samsa GP, Cowper PA, Shortliffe A, Logue SK, Ward A, Simel DL, FEUSSNER JR. In Clinical Research 40(2):594A:1992. (Presented at the 15th Annual Meeting of the Society of General Internal Medicine, Washington, DC, April 29 - May 1, 1992.)
102. Does Physician Specialty Affect the Outcome of Patients With Ischemic Stroke? Horner RD, Matchar D, Divine G, FEUSSNER JR. In Clinical Research 40(2):58A:1992. (Presented at the 15th Annual Meeting of the Society of General Internal Medicine, Washington, DC, April 29 - May 1, 1992.)
103. Markov Process Cost-Effectiveness of Early Versus Later Zidovudine (AZT) Treatment of Symptomatic HIV Infection. Oddone EZ, Cowper P, Matchar D, Hamilton J, Hartigan P, Simberkoff M, FEUSSNER JR. In Clinical Research 40(2):568A:1992. (Presented at the 15th Annual Meeting of the Society of General Internal Medicine, Washington, DC, April 29 - May 1, 1992.)
104. Evaluation of Geriatric Evaluation and Management (GEM) Units and Geriatric Specialty Clinic (GSC) Follow-up. FEUSSNER JR, Cohen HJ, Weinberger M, Cowper PA, Samsa GP. (Presented at the 120th Annual Meeting of the American Public Health Association, Washington, DC, November 14-18, 1992.)
105. Factors Influencing the Cost-Effectiveness of Early Versus Later Zidovudine (AZT) Treatment of Symptomatic Human Immunodeficiency Virus Infection. Cowper P, Oddone EZ, Matchar D, Hamilton J, Hartigan P, Simberkoff J, FEUSSNER JR. (Presented at the Society for Medical Decision Making Meeting, Portland, OR, October 20, 1992.)
106. Frequent Misdiagnosis of X-Linked Hypophosphatemic Rickets. Econs M, Samsa G, Monger M, Drezner, FEUSSNER J. (Presented at the American Society Bone and Mineral Research Meeting, Minneapolis, MN. October, 1992.)
107. Medication Use, Compliance, and Knowledge in Ambulatory Elderly Patients with Polypharmacy. Uttech K, Weinberger M, Samsa G, Nagle B, Hanlon J, Schmader K, Cohen H, FEUSSNER J. In J Amer Geriatr Soc 40:A74:1992. (Presented at the 49th Annual Meeting of the American Geriatrics Society, Washington, DC, November 14-18, 1992.)

ABSTRACTS: (continued)

108. Medication Appropriateness in Ambulatory Elderly with Polypharmacy. Hanlon J, Schmader K, Samsa G, Weinberger M, Uttech K, Lewis I, Cohen H, FEUSSNER J. In J Amer Geriatr Soc 40:A69;1992. (Presented at the 49th Annual Meeting of the American Geriatrics Society, Washington, DC, November 14-18, 1992.)
109. Gender Variation in the Rate of Coronary Angiography and Revascularization Among Patients with Coronary Artery Disease Treated at VAMCs. Horner RD, Hynes D, Bastian L, Monger M, FEUSSNER JR. (Presented at the 11th Annual Meeting, Department of Veterans Affairs Health Services Research Program, Washington, DC, April 19-21, 1993.)
110. Breast Cancer Care for Women Veterans. Hynes DM, Bastian LA, Simel DL, Monger M, FEUSSNER JR. (Presented at the 11th Annual Meeting of the Department of Veterans Affairs Health Services Research Program, Washington, DC, April 19-21, 1993.)
111. Relationship Between Glycemic Control and Quality of Life in Veterans with Non-Insulin-Dependent Diabetes Mellitus. Weinberger M, Kirkman MS, Samsa GP, Cowper PA, Shortliffe A, Simel DL, FEUSSNER JR. (Presented at the 11th Annual Meeting of the Department of Veterans Affairs Health Services Research Program, Washington, DC, April 19-21, 1993.)
112. Effect of a Telephone Intervention on Glycemic Control in Patients with Non-Insulin-Dependent Diabetes Mellitus. Weinberger M, Kirkman MS, Samsa GP, Cowper PA, Shortliffe A, Landsman PB, Simel DL, FEUSSNER JR. In Clinical Research 41(2):552A:1993. (Presented at the 16th Annual Meeting of the Society of General Internal Medicine National Meeting, Washington, DC, April 28-30, 1993.)
113. Physical Diagnosis Courses-A Survey of Coordinators. Haist SA, Elam CL, Nash PP, Nardone DA, Gilden DJ, Scissors KN, Divine GW, Simel DL, FEUSSNER JR. In Clinical Research 41(2):558A:1993. (Presented at the 16th Annual Meeting of the Society of General Internal Medicine, Washington, DC, April 28-30, 1993.)
114. Effect of a Telephone Intervention on Health-related Quality of Life in Patients with Non-insulin-dependent Diabetes Mellitus (NIDDM). Weinberger M, Kirkman MS, Samsa GP, Cowper PA, Shortliffe A, Landsman PB, Simel DL, FEUSSNER JR. (Presented at the American Diabetes Association Meeting, Las Vegas, NV, June, 1993.)
115. Comparing Alternative Administration Methods to Assess Quality of Life. Weinberger M, Nagel B, Samsa GP, Hanlon JY, Schmader K, Landsman PB, Cohen HF, FEUSSNER JR. (Presented at the 10th Annual Meeting of the Association of Health Services Research, Washington, DC. June 27-29, 1993.)
116. The Effect of Sustained Primary Care Intervention for Patients with Non-Insulin-Dependent Diabetes Mellitus: A Randomized, Controlled Trial. Weinberger M, Kirkman MS, Samsa GP, Shortliffe EA, Cowper PA, Simel DL, Landsman PB, FEUSSNER JR. (Presented at the 10th Annual Meeting of the Association of Health Services Research, Washington, DC. June 27-29, 1993.)
117. The Clinical Efficacy Assessment Program of the American College of Physicians. FEUSSNER JR. (Presented at the New York Academy of Sciences Meeting: Doing More Good Than Harm: The Evaluation of Interventions. New York, NY, March 22-25, 1993.)
118. Methicillin-Resistant Staphylococcus Aureus (MRSA) in VA and Community Long-Term Care Facilities. Mulhausen P, Harrell L, Weinberger M, Kochersberger G, FEUSSNER JR, Cohen HJ. (Presented at the 50th Annual Meeting of the American Geriatrics Society, New Orleans, LA, November 15-19, 1993.)
119. Classifying General Medicine Admissions: Are They Preventable? Oddone EZ, Weinberger M, Henderson WG, FEUSSNER JR. (Presented at the Society of General Internal Medicine, Southern Section Meeting, New Orleans, LA, January, 1994.)

ABSTRACTS: (continued)

120. The Effect of a Sustained Telephone Intervention for Patients with Non-Insulin-Dependent Diabetes Mellitus: A Randomized, Controlled Trial. Weinberger M, Kirkman MS, Samsa GP, Shortliffe EA, Landsman PB, Cowper PR, Simel DL, FEUSSNER JR. (Presented at the Department of Veterans Affairs 12th Annual Health Services Research Meeting, Washington, DC, April, 26-27, 1994.)

121. A Randomized Controlled Trial of a Clinical Pharmacist Intervention with Elderly Outpatients with Polypharmacy. Hanlon J, Weinberger M, Samsa G, Schmader K, Uttech K, Lewis I, FEUSSNER J, Cohen HJ. in J Amer Geriatr Soc 42:A6;1994. (Presented at the 51st Annual Meeting of the American Geriatrics Society, May 1994.)

122. A Cost-effectiveness Analysis of a Clinical Pharmacist Intervention Among Elderly Outpatients. Cowper P, Hanlon J, Weinberger M, Cohen HJ, FEUSSNER JR. (Presented at the 11th Annual Meeting of the Association of Health Services Research, San Diego, CA, June 1994.)

123. Does a Positive ANCA Mean That the Patient Has Wegener's Granulomatosis? Rao JK, Allen NB, FEUSSNER JR, Weinberger M. (Presented at the Annual Meeting of the American College of Rheumatology, October, 1994.)

124. Assessing Breast Cancer Risks and Preventive Behaviors among Women Veterans. Hynes D, Bastian L, Sloane R, Kalsbeek W, Rimer B, FEUSSNER J. (Presented at the Proceedings of the Public Health Conference on Records and Statistics, Washington, DC, 1995.)

125. Inter-Hospital Transfer of Stroke Patients to VA Medical Centers: Evidence for Ongoing Cost Shifting? Horner RD, Matchar DB, Landsman PB, Garson-Angert DV, FEUSSNER JR. (Presented at the 18th Annual Meeting of the Society of General Internal Medicine, San Diego, CA, May 1995.)

126. Patterns of Care Associated with Improved Stroke Outcomes. Horner RD, Matchar DB, Landsman PB, FEUSSNER, JR. (Presented at the 12th Annual Meeting of the Association of Health Services Research, Chicago, IL, June 1995.)

127. Predictors of Adherence to Mammography Screening Among Women Veterans. Bastian LA, Sloane R, FEUSSNER JR. (Presented at the Department of Veterans Affairs 13th Annual Health Services Research Meeting, Washington, DC, 1996.)

128. Can Increased Access to Primary Care Reduce Hospital Readmissions? A Multi-site Randomized Controlled Trial. Weinberger M, Oddone EZ, Hurder AG, Horner M, Goldstein F, Ginier P, Mengel C, Huey J, Asch D, Farber N, Loo L, Mack E, Smith D, Henderson W, FEUSSNER JR. (Presented at the Department of Veterans Affairs 13th Annual Health Services Research Meeting, Washington, DC, 1996.)

129. Importance of a BSL3 Containment, Engineering and Administrative Controls in Research Conducted with Mycobacterium Tuberculosis Infected Mice. Robbins, DS, Good RC, FEUSSNER JR. (Presented at the Annual Meeting of the American Biological Safety Association, La Jolla, CA, 1997.)

130. Computerized Algorithm for Stroke Subgroup Classification Using the TOAST Criteria. Goldstein LB, Jones M, Chilikuri V, Good D, Matchar DB, FEUSSNER JR, Horner RD. Neurology 52(2):A243;1999. (Presented at the American Academy of Neurology Meeting, 1999.)

131. Design of an Informed Consent Study to Evaluate the Utility of a Focus Group Consent Document in the VA Cooperative Study: A Randomized, Multi-center, Controlled Trial of Multi-modal Therapy in Veterans with Gulf War Illnesses. Peduzzi P, Guarino P, Donta S, Engel C, Clauw D, FEUSSNER JR. (Presented at the Annual Meeting of the Society of Clinical Trials, Toronto, Canada, 2000.)

ABSTRACTS: (continued)

132. Design of the VA Cooperative Study, A Randomized, Multi-center, Controlled Trial of Multi-modal Therapy in Veterans with Gulf War Illnesses. Guarino P, Peduzzi P, Donta S, Engel C, Clauw D, Barkhuizen A, Williams D, Skinner J, FEUSSNER JR. (Presented at the Annual Meeting of the Society of Clinical Trials, Toronto, Canada, 2000.)

133. Evaluation of the Process of Care in the VA Cooperative Study of the Outcomes of Geriatric Evaluation and Management Inpatient and Outpatient Care. Schmitt MH, Heinemann MP, Farrell JR, FEUSSNER JR, Cohen HJ. (Presented at the 53rd Annual Meeting of the Gerontology Society of America, Washington, DC 2000.)

134. Effects of Geriatric Evaluation and Management Units (GEMU) and Clinics (GEMC) on Survival, Health Related Quality of Life. Cohen HJ, FEUSSNER JR, Hsieh F, Weinberger M, Carnes M. (Presented at the 53rd Annual Meeting of the Gerontology Society of America, Washington, DC 2000.)

135. Measurement of Tenderness in Gulf War Veterans: What Does It Tell Us? Results from the VA Cooperative Study #470. Clauw DJ, Barkhuizen A, Engel CC, Donta ST, Williams DA, FEUSSNER JR. (Presented at the 5th National Conference on Illnesses Among Gulf War Veterans, Alexandria, VA, 2001.)

136. Fatigue, Pain, Cognitive Symptoms and Mental Health-Related Functioning Among Gulf War Veterans with Chronic Multi-symptom Illnesses: Results from the VA Cooperative Study #470. Engel CC, Williams DA, Clauw DJ, Donta ST, Guarino P, Peduzzi P, Skinner JS, Barkhuizen, A, Sogg S, Kazis LE, FEUSSNER JR. (Presented at the 5th National Conference on Illnesses Among Gulf War Veterans, Alexandria, VA, 2001.)

137. Exercise Testing in Gulf War Veterans with Chronic Multi-symptom Illnesses: Comparison to Physical Functional Status, and Other Self-reported Measures: Results from the VA Cooperative Study #470. Skinner JS, Clauw DJ, Engel CC, Donta ST, Williams DA, Barkhuizen A, Kazis LE, Sogg S, Guarino P, Peduzzi P, FEUSSNER JR. (Presented at the 5th National Conference on Illness Among Gulf War Veterans, Alexandria, VA, 2001.)

138. Physical Function Status and its Relationship to Common Symptoms of Chronic Multi-symptom Illnesses in Gulf War Veterans: Results from the VA Cooperative Study #470. Williams DA, Engel CC, Clauw DJ, Donta ST, Barkhuizen A, Skinner JS, Kazis LE, Sogg S, Guarino P, Peduzzi P, FEUSSNER JR. (Presented at the 5th National Conference on Illnesses Among Gulf War Veterans, Alexandria, VA, 2001.)

139. Doxycycline Therapy of Mycoplasma-Positive Veterans with Gulf War Illnesses: The VA Cooperative Study #475. Donta ST, Engel CC, Baseman JF, Collins JF, Martin SE, FEUSSNER JR. (Presented to the 5th National Conference on Illnesses Among Gulf War Veterans, Alexandria, VA, 2001.)

140. Measures of Tenderness and Its Effects on Treatment Response in Gulf War Veterans with Chronic Multi-symptom Illnesses: Results from VA CSP #470. Barkhuizen A, Clauw DJ, Engel CG, Williams DA, Guarino P, Peduzzi P, Skinner JS, Taylor T, Kazis L, Donta S, FEUSSNER JR. (Presented at the American College of Rheumatology, 2002.)

141. Effectiveness of Aerobic Exercise and Cognitive Behavioral Therapy in 1092 Veterans with Chronic Multi-symptom Illnesses: Results from CSP #470. Clauw DJ, Engel CG, Donta S, Barkhuizen A, Skinner JS, Peduzzi P, Guarino P, Williams DA, Taylor T, Kazis L, FEUSSNER JR. (Presented at the American College of Rheumatology, 2002.)

142. Predictors of Outcomes in 1092 Veterans with Chronic Multi-symptom Illnesses: Results from VA CSP #470. Williams DA, Clauw DJ, Engel CG, Barkhuizen A, Guraino P, Peduzzi P, Skinner JS, Taylor T, Kazis L, Donta S, FEUSSNER JR. (Presented at the American College of Rheumatology, 2002.)

143. Amyotrophic Lateral Sclerosis in Military Veterans of the Persian Gulf War. Kasarskis EJ, Horner RD, Kamins KG, FEUSSNER JR, and the VA CSP Study Team. (Presented at the Annual Meeting of the American Neurological Association, 2002).

ABSTRACTS: (continued)

144. Evaluation of ALS Rates in Different Racial Groups: Data from the ALS Gulf War Study. Kasarskis EJ, Horner RD, Grambow SC, Hoff-Lindquist J, Dominick KL, Kamins KG, FEUSSNER JR, Harati Y, Mitsumoto H, Pascuzzi R, Tim R, Spencer P, Howard D, Dempsey-Hall L, Mims T, Palmer V. (Presented at the Annual Meeting of the American Academy of Neurology, 2002).

145. Enrollment in VA Cooperative Studies Program (1975-2000) Trials According to Race. Oddone EZ, Olsen MK, Hoff Lindquist J, Orr M, Horner R, Reda D, Lavori P, Johnson G, Collins J, FEUSSNER JR. (Presented at the VA Office of Research and Development National Meeting, 2004).

EDITORIAL ACTIVITIES:

Associate Editor, Journal of Gerontology (1988-1992)
Associate Editor, Health Services Research (1993-1996)
Editorial Board, Journal of General Internal Medicine (1995-1998)
Editorial Board, Health Services Research (1996-2008)
Editorial Board, Primary Care Case Reviews (1997-2002)
Editorial Board, Medical Care (1998-)
Editorial Board, American Journal of Medicine (2005-)
Editorial Board, American Journal of Medical Sciences (2007-)

MANUSCRIPT REVIEWER:

Health Affairs, 2006

NATIONAL COMMITTEE MEMBERSHIPS AS VA CHIEF RESEARCH OFFICER:

2002 Office of Homeland Security
Research and Development
Policy Coordinating Committee
Executive Office of the President of the United States

2002 Clinical Trials Inquiry Panel
Chairman, Strategy and Prioritization Subgroup
Medical Research Council
United Kingdom

2001-02 Scientific Advisory Board
National Center for Post Traumatic Stress Disorder
Department of Veterans Affairs

2000-02 Clinical Research Roundtable
Institute of Medicine
National Academy of Sciences

1999-02 Advisory Committee
Current Controlled Trials, Ltd.
United Kingdom

1998-02 Committee on Science
National Science and Technology Counsel
Office of Science and Technology Policy
Executive Office of the President of the United States

1996-02 Chairman, Persian Gulf Veterans Illness Research Working Group
Consortium of Department of Veterans Affairs, Department of Defense,
Department of Health and Human Services

1996-02 Board of Directors, National Association of Veterans Research and
Education Foundations

1996-98 Co-chairman, VISN-Health Services Research Liaison Committee

1996-97 National Advisory Committee, Geriatric Research, Education, and
Clinical Center, Madison VA Medical Center

1996-02 Agency for Health Care Policy and Research (AHCPR)
Policy Council
Department of Health and Human Services

NATIONAL COMMITTEE MEMBERSHIPS:

Department of Defense

2003-2004 Chairman, Board of Visitors
Department of the Navy
Medical Discovery and Invention Program

Department of Veterans Affairs

1982-1989 Ambulatory Care Field Advisory Group

1984-1989 Preventive Health Care Field Advisory Group

1985-1986 National Task Force on Program Evaluation, Medical District Initiated Peer Review Program

1986 National Advisory Committee, Quality Health Care Plan

1987-1988 National Task Force, Planning and Program Development

1987-1988 National Task Force, The Automated Clinical Record

1988-1990 Liaison Committee for the Institute of Medicine, Physician Manpower Resource Study

1988-1992 Review Panel (Site Selection), Ambulatory Care Fellowship Program

1988-1989 Chief Medical Director's Committee on Strategic Planning, Information Resource Management

1989 Search Committee: Deputy Assistant Chief Medical Director for Ambulatory Care

1989-1993 Health Services Research and Development, Planning and Advisory Committee

1990 Grant Review Committee, Fellowship Program in Substance Abuse, Office of Academic Affairs

1990-1992 Chief Medical Director's, Information Resources Advisory Council

1990-1991 Chairman, Ad Hoc Scientific Advisory Committee, Office of Quality Assurance

1991-1993 Review Committee, Health Services Research Career Development

1991 National Program Chairman, 7th Annual Meeting Health Services Research Service, Interface Between Quality of Care and Health Services Research

1992-1993 Chief Medical Director's Health Care Eligibility Reform Task Force

2002-2006 National Research Advisory Counsel to Secretary for Veterans Affairs

2002-2007 Cooperative Studies Evaluation Committee
Cooperative Studies Program

2004-2005 Search Committee
Chief Research and Development Officer

NATIONAL COMMITTEE MEMBERSHIPS: (continued)

2007 National Review Panel
Health Services Research Centers of Excellence
Health Services Research Program

National Academy of Sciences, Institute of Medicine

1988-1990 Data and Methodology Subcommittee Member, Veterans Administration
Physician Manpower Study

2000-2004 Clinical Research Roundtable

Robert Wood Johnson Foundation

1989 Chairman, Research Methods Subcommittee, Geriatric Assessment
Conference, Veterans Administration, National Institute on Aging, and
the Robert Wood Johnson Foundation

1990 Grant Review Committee, Enhancing Hospital Care of the Elderly

1990 Geriatric Care Approaches in Health Maintenance Organizations: A
Workshop Sponsored by the National Institute on Aging and The Robert
Wood Johnson Foundation

Blue Cross/Blue Shield

1984-1985 Blue Cross/Blue Shield of Massachusetts Innovative Strategies for
Monitoring Drug Use

Health Services Research, University of North Carolina

1992-1996 Member, Policy Board, Cecil G. Sheps Center for Health Services
Research, University of North Carolina at Chapel Hill

Agency for Health Care Policy and Research

1995-1996 Health Services Research and Development Grants Review
Committee, Health Services Research Review Subcommittee

National Aeronautics and Space Administration

1995-1996 Standards of Medical Practice Working Group

Cornell Translational Behavioral Science Research Consortium
Weill Medical College, Cornell University

2004- Chairman, Data Safety and Monitoring Board
National Heart, Lung, and Blood Institute
National Institutes of Health

Spaulding-Paolozzi Foundation Endowment, Charleston, SC

2002- Member, Board of Trustees

Totts Gap Institute/Warren Foundation Endowment, Tulsa, Ok

2006- Member, Board of Trustees

Canadian Institute for Health Research and the Canada Foundation for Innovation
Canadian Federal Government, Ottawa, Ontario

NATIONAL COMMITTEE MEMBERSHIPS: (continued)

2007- Member, International Assessment Committee for
Regional/National Clinical Research Initiatives

SOCIETY MEMBERSHIPS:

1977 American College of Physicians
1979 Society of General Internal Medicine
1981 American Federation for Clinical Research
1982 Sydenham Society
1983 Association for Health Services Research
1983-1987 Society for Epidemiologic Research
1984 American Geriatrics Society
1989 Southern Society of Clinical Investigation
1997 Society for Clinical Trials
2002 Association of Professors of Medicine
2003 National Medical Association

American College of Physicians

1986-1988 Clinical Efficacy Assessment Project, representing the Society of
General Internal Medicine
1990 Specialty Society Practice Parameters, Partnership and Forum, Ad Hoc
Advisory Panel, American Medical Association, representing the
American College of Physicians
1992-1997 Clinical Efficacy Assessment Subcommittee
1995-1997 Co-Chairman, Clinical Efficacy Assessment Subcommittee
1997-1998 Chairman, Clinical Efficacy Assessment Subcommittee
2001-2002 ACP-ASIM Foundation, Research Fellowship Subcommittee

Society of General Internal Medicine

1981 Scientific Program Committee, Abstract Selection Committee, National
Meeting
1984 Scientific Program Committee, Abstract Selection Committee, Southern
Regional Meeting
1987 Abstract Selection Committee, National Meeting
1988 Program Planning Subcommittee, Research Issues in General Internal
Medicine, National Meeting
1989 Abstract Selection Committee, National Meeting
1989 Co-Chairman, Pre-Course on Prevention in Primary Care, National
Meeting
1989-1992 Research Development Committee
1990-1993 Chairman, Interest Group on Physical Diagnosis, Teaching, Evaluation,
and Research
1992 Chairman, Scientific Program Committee, Abstract Selection Committee,
National Meeting
1993 Glaser Award Committee
1998 Research Awards Selection Committee
2005 Clinical Practice Task Force
2008 Health Policy Committee, Senior Health Policy Advisor

American Federation of Clinical Research

1988 Abstract Selection Committee, Clinical Epidemiology and Health Care
Research, National Meeting

American Geriatrics Society

1989-1991 Program Planning Committee, Workshop on Introduction to Methodologies
for Clinical Research in Geriatrics

SOCIETY MEMBERSHIPS: (continued)

Association for Health Services Research

1993 Chairman, Abstract Selection Committee, National Meeting
Primary Care: Cost, Quality and Effectiveness

Southern Society for Clinical Investigation

2003 Nominating Committee

Association of Professors of Medicine

2003 APM Advocacy Advisory Board

2006 APM Research Committee

2006 APM Nominating Committee

Society for Clinical Trials

2004-2005 Program Planning Committee
National Meeting

TEACHING ACTIVITIES:

Undergraduate Level

Principles of Screening for Disease, Preventive Cardiology (Lecturer 1982-1984)
Offered to medical students

Graduate Level

Epidemiology of Medical Care
Department of Epidemiology (EPI 212)
School of Public Health
University of North Carolina, Chapel Hill

Design of Etiological, Natural History, and Experimental Studies
BMI 212 Graduate Course 1991-1996
Offered to clinical research fellows and faculty

Clinical Research Methodology: An Introduction
BMI 210 Graduate Course 1987-1990
Offered to clinical research fellows and faculty

Epidemiologic Principles and Research Methods (Lecturer 1982-1985)
Offered to advanced medical students and clinical research fellows

Clinical Epidemiology for Clinicians (1982-1986)
Offered to clinical research fellows and faculty

Supervision of Doctoral Candidates

Department of Geography, (Thesis Committee Member)
College of Arts and Science, University of North Carolina
Spatial Dimensions of Multiple Physician Office Locations
Donald Albert, doctoral candidate, 1993-1996

Department of Sociology, (Thesis Committee Member)
Duke University
Stroke, Social Support and Rehabilitation: An Analysis of Event
Histories
Thomas A. Glass, doctoral candidate, 1986-1989

Department of Epidemiology, (Thesis Committee Member)
School of Public Health, University of North Carolina
Identification of High Risk Patients Following Coronary
Catheterization
Alice White, doctoral candidate, 1985-1987

Center for the Study of Aging and Human Development
Duke University
Desirability for Control in Medical Care
Encounters (Diabetes Mellitus)
Lynda A. Anderson, postdoctoral fellow, 1984-1986

Department of Health Policy & Administration, (Thesis Committee Member)
School of Public Health, University of North Carolina
Evaluation of the Readiness for Adoption of a Quality Assurance
Program in Ambulatory Care in the VA System
Margarita A. Miranda, doctoral candidate, 1984-1985

Department of Health Policy & Administration,
School of Public Health, University of North Carolina
Power Distribution and Goal Perceptions in VA Ambulatory Care Clinics
Bruce J. Fried, doctoral candidate, 1982-1984

TEACHING ACTIVITIES: (continued)

Supervision of Master's Degree Candidates (Biometry & Medical Informatics)

Center for the Study of Aging and Human Development
(Chairman, Thesis Committee)
Duke University

Depression in Hospitalized Medically Ill Men
Harold G. Koenig M.D., masters degree candidate, 1986-1989

Department of Medicine, Division of General Internal Medicine
(Thesis Committee)
Duke University

A Randomized Trial of the Informed Consent Process in Ambulatory
Patients
David L. Simel M.D., masters degree candidate, 1986-1990

Department of Medicine, Division of General Internal Medicine
(Thesis Committee)
Duke University

Observer Variability and Utility of Osler's Maneuver for Pseudo hypertension
Khin Mae Hla M.D., masters degree candidate, 1986-1990

Department of Medicine, Division of General Internal Medicine
(Thesis Committee)
Duke University

Teaching Cardiovascular Examination Skills: Results From a Randomized Controlled
Trial
Eugene Z. Oddone, M.D., masters degree candidate, 1989-1992

Department of Medicine, Division of Geriatrics
(Chairman, Thesis Committee)
Duke University

Methicillin-resistant *Staphylococcus aureus* in the Nursing Home
Paul Mulhausen, M.D., masters degree candidate, 1991-1993

Department of Medicine, Division of Rheumatology
(Thesis Committee)
Duke University

Diagnostic Testing in Patients with Wegener's Granulomatosis
Jayo Rao, M.D., masters degree candidate, 1992-1994

TEACHING ACTIVITIES: (continued)

Supervision of MD Fellow/Junior Faculty Research Trainees

1979-1980	Bret C. Williams, MD	General Internal Medicine
1980-1984	K. Mae Hla, MD	General Internal Medicine A.W. Mellon Clinical Epidemiology Fellow
1982-1983	Cynthia D. Mulrow, MD	General Internal Medicine Milbank Scholar in Clinical Epidemiology
1983-1985	Peter M. Becker, MD	Geriatrics
1984-1985	Michael N. Neuss, MD	Hematology/Oncology
1984-1986	David B. Matchar, MD	General Internal Medicine A.W. Mellon Clinical Epidemiology Fellow
1986-1987	Louis C. DeMaria, MD	Geriatrics
1986-1987	Mark A. O'Rourke, MD	Hematology/Oncology
1986-1988	David L. Simel, MD	General Internal Medicine A.W. Mellon Clinical Epidemiology Fellow
1988-1992	Eugene Z. Oddone, MD [†]	General Internal Medicine A.W. Mellon Clinical Epidemiology Fellow
1991-1993	Paul L. Mulhausen, MD	Geriatrics
1991-1993	Colleen M. Schmitt, MD	Gastroenterology
1991-1994	Charles L. Bennett, MD [†]	Hematology/Oncology
1992-1994	Jaya K. Rao, MD	Rheumatology
1994-1996	Dawn Provanzale, MD [†]	Gastroenterology
1995-1996	James A. Tulsky, MD	General Internal Medicine
1999-2000	Lance Wyatt, MD	General Surgery White House Fellow

[†] VA Health Services Research Career Development Awardee

TEACHING ACTIVITIES: (continued)

House Staff Teaching and Ward Attending

Ward Attending, General Medicine, approximately one month per year

Clinic Attending, General Medicine, approximately one-half day per week

Clinical Research Methods Mini-Course, 20 hours per week, 4 times a year

Critical Appraisal Mini-Course, 3 hours per week, 4 times a year

House Staff Journal Club, biweekly, 1986-1996

Problems in Ambulatory Care Medicine, one session per week, 1985-1991

Critical Appraisal Journal Club, one session per week, 1982-1996

GUEST LECTURES:

2008

Clinical Enterprise-wide Quality Improvement: Aligning Patient Outcomes with Institutional Reputations, a workshop presentation. Academic Internal Medicine Week 2008: Alliance for Academic Internal Medicine, Lake Buena Vista, FL

Educational Value Units (EVU's): Development and Implementation at Two Different Institutions, a workshop presentation. Academic Internal Medicine Week 2008: Alliance for Academic Internal Medicine, Lake Buena Vista, FL

2007

Invited Testimony before the U.S. House of Representatives Committee on Veterans' Affairs, Subcommittee on Health. VA Research Programs, Washington, DC

Clinical Trials: Keystone for Translational Research. Medical Grand Rounds, Department of Medicine, University of Nebraska, Omaha, NB

2006

Educational Value Units (EVUs)-Putting Value to the Educational Mission. Alliance for Academic Internal Medicine (AAIM) Annual Winter Meeting, Joint Workshop Session, Academic Internal Medicine Week 2006, New Orleans, LA

Invited Testimony before the U.S. Senate Committee on Veterans Affairs. VA Research: Investing Today to Guide Tomorrow's Treatment, Washington, DC

Future of Clinical Trials. Presented at the FDA Science Forum, A Century of FDA Science: Pioneering the Future of Public Health. Sponsored by the U S. Food and Drug Administration, Washington, DC

Applicability of VA Research to non-VA Health Systems. Special Health Services Research Symposium. Society of General Intern Medicine, Southern Section, Atlanta, GA

2005

Medicine Chief Resident Society Symposium; "Duke Medical House Staff Training Today", Symposium Chairman, Duke University Medical Center, Durham, NC

When Clinical Trials Meet Clinical Practice: Waiting for Godot? Presented as the Curtis Meinert Honorary Keynote Address, Society for Clinical Trials, 26th Annual Meeting, Portland, OR

Negotiation 101: Chiefs and Chairs. Association of Chiefs of General Internal Medicine 28th Annual Meeting of the Society of General Internal Medicine, New Orleans, LA

Building a Successful Research Enterprise. APM New Chairs Program, Association of Professors of Medicine, San Francisco, CA

Health Outcomes Research in Geriatrics: State of the Art. Presented at the Southern Section, Society of General Internal Medicine, New Orleans, LA

Building Academic Careers: Shaping the Future! Southern Chairmen and Residents Forum, Southern Society of Clinical Investigation, New Orleans, LA

2004

Pasteur's Quadrant: Coupling Knowledge to Action. The Pfizer Seminars Series, School of Public Health, University of North Carolina, Chapel Hill, NC

Career Development in Academic Medicine. The 4th Annual Southeastern Fellows Research Skills Retreat (Hematology/Medical Oncology), Duck, NC

GUEST LECTURES: (continued)

Implementing the Evidence: Transforming Practices, Systems, and Organizations. A State of the Art Conference, sponsored by the Department of Veterans Affairs, Office of Research and Development, Washington, DC

Patient Safety Meets Geriatrics. The Fifth Annual Conference of Office Practice of Primary Care Medicine, Medical University of South Carolina, Charleston, SC

2003

Patient Safety Meets Geriatrics. American College of Physicians, South Carolina Chapter Scientific Meeting, Promoting Patient Safety, Charleston, SC

Pasteur's Quadrant: Coupling Knowledge to Action. Medical Grand Rounds, Duke University Medical Center, Durham, NC

From Clinical Research to Clinical Actions: Making a Difference. Medical Grand Rounds, Wake Forest University School of Medicine, Winston-Salem, NC

Primary Prevention in Primary Care. The Fourth Annual Conference on Office Practice of Primary Care Medicine, Medical University of South Carolina, Charleston, SC

2002

The Future of Research in Geriatric Health Services: Grounding Aging Research in Efforts to Improve Effectiveness of Health Care Systems. The Eighth Biennial Regenstrief Conference. Turkey Run State Park, IN

The VA Experience with International Research Collaboration. The US Medicine Institute for Health Studies. Health Care Globalization: Can We Optimize Opportunity? Washington, DC

2001

From Research Evidence to Clinical Actions. Medical Grand Rounds, Department of Medicine, Medical University of South Carolina, SC

From Research Evidence to Clinical Action. Endocrine Grand Rounds, Department of Medicine, University of Wisconsin, Madison, WI

Evidence Based Medicine: From Evidence to Action. Pharmacy Benefits Management: Medical Advisory Panel, Department of Veterans Affairs, Washington, DC

Issues for the VA-Medical School Research Partnership. The 14th Annual Ambulatory Care Managers Conference. Association of VA Chiefs of Medicine, San Diego, CA

Protections for Human Research Participants: Actions from the Department of Veterans Affairs. Society of Research Administrators International Senior Leadership Retreat. Generation Next: Where Will the Next Generation of Leaders Come From? Winston-Salem, NC

Critical Issues in the VA-Medical School Research Partnership. American Association of Medical Colleges Group on Research Advancement and Development Annual Meeting. Washington, DC

From Research Evidence to Clinical Actions: Using Research Results. Medical Grand Rounds, Department of Medicine, University of Louisville, Louisville, KY

From Research Evidence to Clinical Actions: Using Research Results. Grand Rounds at Duke Clinical Research Institute, Duke University Medical Center, Durham, NC

Translational Research Opportunities in the VA. Translational Research: Bridging the Gap. Sponsored by the State University of New York, Upstate Medical University Syracuse, NY

GUEST LECTURES: (continued)

Informed Decision-Making in Clinical Trials. Making Informed Consent Meaningful: State of the Art Conference, sponsored by the VA Office of Research and Development, Washington, DC

Technology Assessment and Forecasting: Is There Really Anything New? Technology Cost Driver Symposium, sponsored by the Health Insurance Association of America and the Blue Cross and Blue Shield Association, Washington, DC

Keynote Address: Gulf War Research--Science, Policy, and Politics. Conference on Illnesses among Gulf War Veterans: A Decade of Scientific Research. Washington, DC

2000

The State of Research in the Department of Veterans Affairs. The 1st Annual VA Critical Care Symposium: Translating Research into Clinical Care. Alexandria, VA

From Health Policy to Patient Outcomes: Using Research Results. Medical Grand Rounds, Department of Medicine, Ohio State University, Columbus, Ohio

From Health Policy to Patient Outcomes: Using Research Results. Department of Medicine, Training Program in Clinical Research, University of Michigan, Ann Arbor, MI

The Quality Enhancement Research Initiative (QUERI). Taking Research from Evidence to Action. The 1st Annual Meeting of The National Quality Forum, Health Care Quality Research, Washington, DC

The Veterans Health Administration as an Academic Health System. The 13th Annual Ambulatory Care Managers Conference, Association of VA Chiefs of Medicine, Washington, DC

Research Priorities for the Veterans Affairs Research and Development Program, Committee on Strategic Science and Engineering Policy, National Science Board, National Science Foundation, Arlington, VA

Primary Prevention Strategies for Cancer: What Should You Do? Colon, Prostate, and Skin Cancer. Sponsored by the Department of Medicine, Duke University, 16th Annual Hilton Head Symposium in Internal Medicine, Hilton Head Island, SC

From Health Policy to Patient Outcomes: Using Research Results. Medical Grand Rounds, Department of Medicine, University of Pittsburgh, Pittsburgh, PA

From Health Policy to Patient Outcomes: Using Research Results. Medical Grand Rounds, Department of Medicine, University of Utah, Salt Lake, UT

Future Directions for the Academic Medical Center: Problems and Potential Solutions. Special Plenary Session on Health Policy sponsored by the AFMR and SGIM. The Annual Meeting of the Society of General Internal Medicine, Boston, MA

Collaborations to Accelerate the Cure and Prevention of Prostate Cancer. Sponsored by the National Prostate Cancer Coalition and the National Cancer Institute. Bethesda, MD

Impact of Healthcare Systems on Clinical Trials. Plenary Session at the 21st Annual Meeting of the Society for Clinical Trials, Toronto, Canada

Clinical Research in the VA: Opportunities for Research in Behavioral Therapies. Keynote Lecture, 21st Annual Meeting of the Society of Behavioral Medicine, Nashville, TN

GUEST LECTURES: (continued)

Progress Report on Low-Level Exposures to Chemical Agents and Pyridostigmine Bromide: Update from the Research Working Group, Persian Gulf Veterans Coordinating Board. Presidential Special Oversight Board, Washington, DC

VA as an Integrated Academic Health System, The Association of Professors of Medicine Winter Meeting, Miami, FL

VA as an Integrated Academic Health System, President's Commission on White House Fellowships, The White House, Washington, DC

1999

Is Symptoms Research Fundable? The 7th Regenstrief Conference: Investigating Symptoms: Frontiers in Primary Care Research, Marshall, IN

Research Training in the Next Decade, 106th Annual Meeting of the American Military Surgeons of the US (AMSUS), Health Professions Education: An Investment in Our Future, Anaheim, CA

Research Protection Against Risks: Challenges for Today's Investigators and Research Administrators: An Interactive Satellite Broadcast, Washington, DC

Research in the Department of Veterans Affairs: The Case for Cancer Research. The Fourth Annual National VA Oncology Symposium, Washington, DC

Stroke: Challenges in Research and Quality Improvement: Present and Future, General Internal Medicine Geriatric Education Retreat, Sponsored by the John A. Hartford Foundation, Jasper, Alberta, Canada

Keynote Address: Biomedical Research--The Spectrum of Research from the Laboratory to Populations. Conference on Federally Sponsored Gulf War Veterans' Illnesses Research, Washington, DC

Future Challenges for Research in the Department of Veterans Affairs. Association of VA Chiefs of Medicine, Washington DC

Research Priorities for the Department of Veterans Affairs, The Foundation for Veterans' Health Care, Future of Discovery by VA and its Partners, Washington, DC

Studying the Health Impact of Chemical Exposures During the Gulf War: Research Strategies, Centers for Disease Control and Prevention, A Research Planning Conference, Atlanta, GA

From Health Policy to Patient Outcomes Using Research Results, 6th Ernest M. Barsamian Lecture, Boston, MA

Translating Research Results into Improved Patient Care, The Department of Veterans Affairs 17th Annual Health Services Research Meeting, Washington, DC

Outcomes Research in Rehabilitation Medicine: Present and Future Opportunities. Association of Academic Physiatrists, 35th Annual Meeting Celebrating Academic Excellence, Orlando, FL

Future Challenges for Research. Perspectives from the Department of Veterans Affairs. Policy Seminar on Research and Science. Association of Academic Health Centers, Washington, DC

Clinical Research Opportunities in the Department of Veterans Affairs, An Overview. Semi-annual Meeting of the Radiation Therapy Oncology Group, Atlanta, GA

GUEST LECTURES: (continued)

1998

Healthy Policies for Healthy People: Putting Research to Work. 105th Annual Meeting of the American Military Surgeons of the US(AMSUS), Sustaining Lectureship, San Antonio, TX

Quality of Care for Veterans: Truths and Myths about Implementing Clinical Practice Guidelines; An Interactive Satellite Broadcast, Washington, DC

Managing Care to Improve Quality: The VA's Quality Enhancement Research Initiative (QuERI), Plenary Address, The Center for Clinical Quality Evaluation, 13th Annual Symposium, Arlington, VA

From Health Policy to Patient Outcomes: Using Research Results: Medical Grand Rounds, Department of Medicine, Duke University, Durham, NC

The Renaissance in Rehabilitation Research: Past, Present, and Future. The Department of Veterans Affairs 1st Annual Rehabilitation Research Meeting, Washington, DC

Screening for Cancer in Primary Care: Consensus and Controversy. Presented at the 14th Annual Symposium, Advances in Internal Medicine, Hilton Head Island, SC

Health Policy, Systems, and Patient Outcomes: Using Research Results. Medical Grand Rounds, Department of Medicine, Yale University, New Haven, CT

Professional Development: Planning for Research Careers in Academic Medicine. Robert Wood Johnson Clinical Scholars Program, Yale University, New Haven, CT

Research in the Department of Veterans Affairs: Making Change by Making Sense. Annual Meeting, Association of VA Chiefs of Medicine, Washington, DC.

Research Career Development: Opportunities in the Department of Veterans Affairs. The 21st Annual Meeting of the Society of General Internal Medicine, Chicago, IL

Health Services Research in the Context of National Science Policy. The 30th Anniversary Symposium, Cecil G. Sheps Center for Health Services Research, University of North Carolina, Chapel Hill, NC

Health Services Research: Using Research to Improve Outcomes. Keynote Address at The Second Annual Chicago Health Services Research Center Directors' Consortium, Chicago, IL

Research in the Department of Veterans Affairs: Making Change by Making Sense. The Department of Veterans Affairs 16th Annual Health Services Research Meeting, Washington, DC

Evidence-Based Medicine: New Promise for an Old Paradigm. Medical Grand Rounds, Department of Medicine, University of Pennsylvania, Philadelphia, PA

1997

Cancer Screening: Consensus, Controversy, Conflict. Breast, Colon, and Prostate Cancer Screening. Presented at the 91st Annual Meeting of the Southern Medical Association, Charlotte, NC

Health Services Research, Expanding Opportunities. Presented as the J. W. Meakin Lectureship in Oncology, Cancer Care Ontario, Clinical Research Conference on Clinical Cancer and Health Services, Geneva Park Conference Centre, Orillia Ontario, Canada

GUEST LECTURES: (continued)

Challenges and Lessons Learned in Outcomes Research: Translational Research in the Department of Veterans Affairs. Presented at the Agency for Health Care Policy and Research, Centers for Outcomes and Effectiveness Research. Washington, DC

Health Services Research: The Interface Between Research and Management. Presented at a Deans Roundtable: Medical School-VA Relations, for the Association of American Medical Colleges. McLean, VA

Research Opportunities in the VA: Expanding Horizons and Opportunities. Presented at the 14th Annual Meeting of the Association of Health Services Research, Chicago, IL

Research Advances in Major Depressive Disorders, An APA Consortium on Organized Service Systems. Presented at the Annual Meeting of the American Psychiatric Association, San Diego, CA

Research Opportunities in Aging: A Department of Veterans Affairs Perspective. Presented as a "Meet-the Expert" Session at the Annual Meeting of the American Geriatrics Society, Atlanta, GA

Federal Research Policy and the Department of Veterans Affairs. Presented at the Plenary Session, Public Policy Forum, American Federation for Medical Research, Washington, DC

Research Initiatives in the Department of Veterans Affairs. Annual Meeting of the Association of VA Chiefs of Medicine, Washington, DC

Evidence Based Medicine: "Protecting the Medical Commons?" Medical Grand Rounds, Department of Medicine, Medical University of South Carolina, Charleston, SC

Health Effects of Low-Level Chemical Warfare Nerve Agent Exposure. Basic and Applied Research Goals, State of the Art Conference. Sponsored by the Department of Veterans Affairs and Society of Toxicology, Cincinnati, OH

Research in the Department of Veterans Affairs: New Priorities or Changing Paradigms. Annual Meeting of the Association of Professors of Medicine, Tampa, FL

The State of Research and Health Services in the Department of Veterans Affairs. The Department of Veterans Affairs 15th Annual Health Services Research Meeting, Washington, DC

Geriatric Evaluation and Management Units: A Randomized Controlled Trial in Health Care Delivery. Medical Grand Rounds, Department of Medicine, East Carolina University, Greenville, NC

1996

Research in the Department of Veterans Affairs: New Priorities or Changing Paradigms. Annual Meeting of the Society of Research Administrators, Toronto, Ontario, Canada

Geriatric Medicine: A Paradigm for Health Care Delivery. Medical Grand Rounds, Department of Medicine, University of Wisconsin, Madison, WI.

Screening for Cancer in Primary Care: Consensus and Controversy. Emery C. Miller Symposium, Myrtle Beach, SC

Research in the Department of Veterans Affairs: New Paradigm or Changing Priorities. Annual Meeting of the Association for Health Services Research, Atlanta, GA

Evidence Based Medicine: New Priority for an Old Paradigm. Radiology Grand Rounds, Department of Radiology, Duke University Medical Center, Durham, NC

GUEST LECTURES: (continued)

Evidence Based Medicine: New Priority for an Old Paradigm. Department of Health Administration, Saint Louis University, St. Louis, MO

Evaluating Geriatric Assessment Programs: A Multi-site Randomized Controlled Trial. Medical University of South Carolina. Charleston, SC

Evidence Based Medicine: New Priority for an Old Paradigm. Pediatric Grand Rounds, Department of Pediatrics, Duke University Medical Center, Durham, NC

Professional Development: Career Planning in Academic Medicine. Presented to the Clinical Scholars Program: Spring Core Curriculum. University of North Carolina, Chapel Hill, NC

Evidence Based Medicine: New Priority for an Old Paradigm. American College of Physicians, Annual Meeting of the North Carolina Chapter, Durham, NC

1995

Screening for Cancer in Primary Care: Consensus and Controversy. Eighth Fall Symposium in Obstetrics and Gynecology with Special Sessions in Primary Care, Asheville, NC

The Canadian and American Health Care Systems: Contrasting Approaches to National Priorities. The Canadian Studies Center, Duke University, Durham, NC

Research Strategies for Evaluation of Ethics Consultation: The Role of Experimental Trials. Conference on Evaluation of Case Consultation in Clinical Ethics. University of Illinois at Chicago, Chicago, IL. Sponsored by the Agency for Health Care Policy and Research

Evaluating Geriatric Evaluation, A Multi-site Randomized Controlled Trial. University of Washington, Department of Medicine, Division of General Internal Medicine, Seattle, WA

Streamlining Outpatient Geriatric Assessment: A Consensus Development Conference. Opportunities for Future Research. Sponsored by the Department of Veterans Affairs, Washington, DC

The Brain at Risk. Preventing, Diagnosing and Managing Stroke. An Interactive Video Teleconference, Presented by the Southern Medical Association, Birmingham, AL

1995

Professional Development: Career Planning in Academic Medicine. Presented to the Clinical Scholars Program, Spring Core Curriculum, University of North Carolina, Chapel Hill, NC

Proud Past and Promising Future: A Congressional Briefing on VA Research in Aging. Sponsored by the Department of Veterans Affairs and the Alliance for Aging Research, Washington, DC

Screening for Cancer in Primary Care: Consensus and Controversy. Presented at the 23rd Annual Scientific Conference, The Medical Association of the Bahamas, Nassau, Bahamas

GUEST LECTURES: (continued)

Screening for Cancer in Primary Care: Consensus and Controversy.
Presented at the SUNY-Stony Brook, Department of Medicine, Medical Grand Rounds, New York, New York

1994

Primary Care and Departments of Medicine: To Be or Not To Be?
Presented at the Bowman Gray School of Medicine, Wake Forest University, Department of Medicine, Medical Grand Rounds, Winston-Salem, NC.

Screening for Prostate Cancer: Controversies in Primary Care. Presented at the North Carolina Medical Society Annual Meeting, Greensboro, NC

Use of Clinical Guidelines in Primary Care: Detection, Diagnosis and Treatment of Depression. Presented at the Depression/Awareness, Recognition and Treatment (D/ART) Satellite Teleconference, VARMEC and Department of Psychiatry, Duke University, Durham, NC

Screening for Cancer in Primary Care: An Evidence-based Approach.
Presented at the 36th Annual Duke Symposium on Primary Care, Atlantic Beach, NC

Academic Health Centers and Primary Care: Changing Paradigms. Presented at the University of Kentucky, Department of Medicine, Medical Grand Rounds, Lexington, KY

Medical and Surgical Treatments for Carotid Artery Disease: Finally Some Answers. Presented at the 11th Duke Winter Medicine Symposium, Snowmass, CO

Professional Development: Career Planning in Academic Medicine.
Presented to the Clinical Scholars Program, Spring Core Curriculum, University of North Carolina, Chapel Hill, NC

1993

Carotid Endarterectomy: Past, Present, and Future. Presented at the University of Oklahoma Health Sciences Center, Department of Medicine, Medical Grand Rounds, Oklahoma City, OK

Research in Geriatrics: An Agenda for Success. Keynote Address
Consensus Development Conference on Research in Aging:
What is Being Done; What Should Be Done, Oklahoma Center for Aging,
University of Oklahoma, Norman, OK

1993

A Case Against Self-Monitoring of Blood Glucose in Type II Diabetes.
Presented at the Consensus Development Conference for Self-Monitoring of Blood Glucose, American Diabetes Association, Seattle, WA

Medical and Surgical Treatments for Carotid Artery Disease: Finally Some Answers. Presented at the 9th Annual Symposium, Advances in Internal Medicine, Hilton Head Island, SC

Research Agenda for the Clinical Examination: How to Conduct a Study That Minimizes Bias. Presented at the 16th Annual Meeting of the Society of General Internal Medicine, Arlington, VA

GUEST LECTURES: (continued)

Career Development in Academic Medicine. Presented to the Clinical Scholars Program, Spring Core Curriculum, University of North Carolina, Chapel Hill, NC

Medical and Surgical Treatments for Carotid Artery Disease, Moderator. Presented at the 74th Annual Sessions of the American College of Physicians. Sponsored by the ACP Clinical Efficacy Assessment Sub-Committee, Washington, DC

The Clinical Efficacy Assessment Program of the American College of Physicians. Presented at the New York Academy of Sciences Meeting: Doing More Good Than Harm: The Evaluation of Interventions. New York, NY

1992

Clinical Research in Geriatrics. Experimental Methods in Health Services Research: Effectiveness of Geriatric Evaluation and Management Units. Presented at the 49th Annual Meeting of the American Geriatrics Society, Washington, DC

The Role of Primary Care: Comparing Canadian and U.S. Health Care Systems. Presented at the Canadian Studies Center, Duke University, Durham, NC

Carotid Artery Disease: Diagnostic and Therapeutic Considerations. Panel Discussion for "Internal Medicine Update", Lifetime Medical Television, Astoria, NY

Health Services Research: Implications for Policy, Management and Clinical Practice (Workshop): "Clinical Trials in Health Services Research: Practical Issues in Design and Implementation". Presented at Ninth Annual Meeting of the Association for Health Services Research, Chicago, IL

Carotid Endarterectomy: Past, Present, Future: Presented to the St. Francis Medical Center, Medical Grand Rounds, Pittsburgh, PA

Carotid Artery Disease: Diagnosis and Management of Patients with Asymptomatic Neck Bruits: Moderator. Presented at the 73rd Annual Session of the American College of Physicians, Sponsored by the ACP Clinical Efficacy Assessment Sub-Committee, San Diego, CA

Screening Programs for the Elderly: Cost-Effective? and Useful? The Third Geriatric Board Review. Sponsored by Temple University School of Medicine, Lancaster, PA

Career Development in Academic Medicine. Presented to the Clinical Scholars Program, Spring Core Curriculum, University of North Carolina, Chapel Hill, NC

1992

Carotid Endarterectomy: Past, Present, Future: Presented to the Los Angeles Society of Internal Medicine, Medical Grand Rounds, Los Angeles

Carotid Endarterectomy: Past, Present, Future: Presented to the Sherman Oaks Hospital and Medical Center, Medical Grand Rounds, Sherman Oaks, CA

1991

The Canadian Health Care System: A U.S. Physician's Perspective. Presented at the Canadian Studies Center, Duke University, Durham, NC

GUEST LECTURES: (continued)

Health Services Research in Quality of Care. Interface Between Quality Assurance and Health Services Research, Presented at the 7th Annual Meeting Health Services Research Service, Department of Veteran Affairs, Washington, DC

Carotid Endarterectomy: Past, Present, Future: Moderator. Presented at the 72nd Annual Session of the American College of Physicians, Sponsored by the ACP Clinical Efficacy Assessment Subcommittee, New Orleans, LA

Career Development in Academic Medicine. Presented to the Clinical Scholars Program, Spring Core Curriculum, University of North Carolina, Chapel Hill, NC

1990

From Quality Assurance to Health Services Research: New Opportunities from Old Paradigms. Presented to the Clinical Service Chief's Management Development Program, Cleveland Regional Medical Education Center, VARMEC, Denver, CO

From Quality Assurance to Health Services Research: New Opportunities from Old Paradigms. Presented to the Department of Family and Preventive Medicine, University of South Carolina, and the WJB Dorn VA Medical Center, Columbia, SC

Diagnosis and Treatment of Carotid Artery Disease: Consensus and Controversy. Presented at the 6th Annual Symposium: Advances in Internal Medicine, Hilton Head Island, SC

Research Methods Precourse: Practical Issues in Research. Moderator and Presenter. Presented at the 13th Annual Meeting of the Society of General Internal Medicine, Arlington, VA

Diagnosis and Treatment of Carotid Artery Disease: Moderator. Presented at the 71st Annual Session of the American College of Physicians, Sponsored by the ACP Clinical Efficacy Assessment Subcommittee, Chicago IL

Secondary Disease Prevention in the Elderly. Presented at the 71st Annual Session of the American College of Physicians, Minicourse on Prevention in Primary Care: Controversies and Recommendations, Chicago

Screening in the Elderly: Choices and Controversies. Presented to the Department of Family and Preventive Medicine, University of South Carolina; the Department of Medicine, VA Medical Center, Columbia, SC

Epidemiology of Stroke: Risk Factors and Prevention. Presented at the Conference on Clinical Preventive Services, Mid-Atlantic Regional Medical Education Center, VARMEC, Durham, NC

1990

Health Services Research Centers of Excellence: Concept, Organization, and Research Programs. Presented to the Secretary of Veterans Affairs National Advisory Committee for Health Research Policy, Department of Veterans Affairs, Washington, DC

Developing Academic Ambulatory Care Programs. The VA/Medical School Relationships: Maximizing Opportunities. Presented at the Annual Meeting of the Association of American Medical Colleges, Washington, DC

GUEST LECTURES: (continued)

1989

Carotid Artery Disease: Diagnostic and Therapeutic Considerations. Panel Discussion for "Internal Medicine Update", Lifetime Medical Television, Astoria, NY

Quality Assurance and Health Services Research: Interfaces and Opportunities. Presented at the National Quality Assurance Conference of the Veterans Administration, New Orleans, LA

Geriatric Assessment: Methodologic Concerns and Major Remaining Efficacy Questions. Presented at the Geriatric Assessment Conference sponsored by the Veterans Administration, the National Institute of Aging, and the Robert Wood Johnson Foundation, Washington, DC

Experimental Methods in Clinical Research: Advantages and Limitations of Randomized, Controlled Trials. Presented at the Annual American Geriatrics Society Workshop: Introduction to Methodologies for Clinical Research in Geriatrics, Durham, NC

Secondary Prevention: Cancer Screening; Screening Issues in the Elderly. Presented at the 5th Annual Symposium: Advances in Internal Medicine, Hilton Head Island, SC

Screening in the Elderly: What Decisions are Supported by Data? Presented at the 12th Annual Meeting of the Society of General Medicine, Primary Care Prevention: Controversies and Recommendations, Arlington, VA

Physical Diagnosis: Clinical Teaching and Research Opportunities. Presented at the 12th Annual Meeting of the Society of General Internal Medicine, workshop on Challenges in Resident Education, Arlington, VA

Health Services Research: A Clinician's Perspective. Department of Health Policy and Administration, School of Public Health, University of North Carolina, Chapel Hill, NC

1988

Health Services Research: A Clinician's Perspective. Departments of Medicine, Psychiatry, and Nursing, University of Pittsburgh School of Medicine, and the Research Service of the University Drive VA Medical Center, Pittsburgh, PA

Diagnostic Strategies for Carotid Artery Disease. Presented at the Annual Meeting of the Veterans Administration Health Services Research Program, San Francisco, CA

Health Services Research: A Clinician's Perspective. Presented at the Health Services Research and Development Conference: Research Development and Design, North Central Regional Medical Education Center, VARMEC, Iowa City, IA

Physical Diagnosis: Prospects and Opportunities for Research. Presented at the 11th Annual Meeting of the Society of General Internal Medicine, Research Methods Workshop in General Internal Medicine, Arlington, VA

1988

Controversies in Managing Patients with Carotid Artery Disease. Presented at the 69th Annual Session of the American College of Physicians, sponsored by the ACP Health and Public Policy Committee, New York, NY

GUEST LECTURES: (continued)

1987

Critical Issues in the Assessment of Quality of Medical Care. Presented at the Annual Meeting of the Veterans Administration Health Services Research Program, Chicago, IL

Diagnostic Tests for Carotid Artery Disease: How to Study the Carotid Arteries. Presented at the 68th Annual Session of the American College of Physicians, The Clinical Efficacy Assessment Project Symposium, New Orleans, LA

Utility of Glucose Self-Monitoring in Patients with Type II Diabetes Mellitus. Presented at "Physician's Journal Update", Lifetime Medical Television, San Diego, CA

Health Services Research in the Veterans Administration: Problems and Challenges. Department of Sociology, Duke University, Durham, NC.

Evaluation of the Peer Review Program of the Veterans Administration: MEDIPRO. Presented at the MEDIPRO Orientation Workshop, North Central Regional Medical Education Center, VARMEC, Atlanta, GA

Health Services Research in the Veterans Administration: Opportunities for Health Educators. Department of Health Education, School of Public Health, University of North Carolina, Chapel Hill, NC

1986

Health Promotion and Disease Prevention in the Elderly: An Overview. Presented at the 43rd Annual Meeting of the American Geriatrics Society, Chicago, IL

Preventive Health Care Programs: Implications for Clinical Care. Presented at the Patient Health Education Workshop, Southeastern Regional Medical Education Center, VARMEC, St. Petersburg Beach, FL

Evaluation of the Peer Review Program of the Veterans Administration: MEDIPRO. Presented at the MEDIPRO Implementation Workshop, North Central Regional Medical Education Center, VARMEC, Philadelphia, PA

Health Services Research in the Veterans Administration: Problems and Challenges. Department of Health Policy and Administration, School of Public Health, University of North Carolina, Chapel Hill, NC

Health Services Research in the Veterans Administration: Problems and Challenges. Department of Epidemiology, School of Public Health, University of North Carolina, Chapel Hill, NC

Cancer Screening Decisions in the Elderly; and Clinical Diagnostic Testing for Cancer in the Elderly-A Quantitative Approach. Second Annual Aging Conference: Cancer in the Elderly, Palm Beach Gardens, FL

1985

Health Services Research: Problems and Challenges. Department of Medicine, Eastern Tennessee State University, Quillen-Dishner Medical School, Department of Medicine, VA Medical Center, Johnson City, TN

Digitalis Efficacy: New Light on an Old Leaf. Department of Medicine, Eastern Virginia Medical Center, Norfolk, VA

GUEST LECTURES: (continued)

1985

Physical Diagnosis as Technology Assessment: Too Little Research, Too Much Ritual. Workshop at the Southern Section of the Society for Research and Education in Primary Care Internal Medicine, New Orleans, LA

Health Services Research: Problems and Challenges. Department of Preventive Medicine and Public Health, University of South Carolina, Department of Medicine, VA Medical Center, Columbia, SC

1984

Digitalis Efficacy: New Light on an Old Leaf. Department of Medicine, Division of General Internal Medicine, University of New Mexico, Department of Medicine, VA Medical Center, Albuquerque, NM

Digitalis Efficacy: New Light on an Old Leaf. Department of Medicine, Good Samaritan Medical Center, Department of Medicine, VA Medical Center, Phoenix, AZ

Research Opportunities in Ambulatory Care. Health Services Research Center, University of North Carolina, Chapel Hill, NC

Ambulatory Care Medical Records: Anachronism Defying Technology. Presented at the Ambulatory Care Workshop, South Central Regional Medical Education Center, VARMEC, St. Louis, MO

Health Services Utilization in Triage: A Prospective Survey. Presented at the Annual Ambulatory Care Conference, VA Ambulatory Care Field Advisory Group, San Antonio, TX

1983

Pulmonary Sarcoidosis: A Critical Appraisal of Steroid Efficacy. Department of Medicine, Division of General Internal Medicine, University of Virginia, Charlottesville, VA

Pulmonary Sarcoidosis: A Critical Appraisal of Steroid Efficacy. Department of Medicine, McMaster University, Hamilton, Ontario, Canada

1982

Ruminations Concerning the Stability of Sensitivity and Specificity. Clinical Investigation Seminars, Mellon Clinical Epidemiology Unit, Duke University Medical Center, Durham, NC

1981

Computed Tomography in Alcohol Withdrawal Seizures: Value of Neurologic Examination. Department of Medicine, Medical College of Virginia and VA Medical Center, Richmond, VA

CLINICAL PRACTICE:

General Internal Medicine: 10%, 1 ½-day sessions per week, 1988-1996
General Internal Medicine: 20%, 2 ½-day sessions per week, 1986-1988
General Internal Medicine: 30%, 3 ½-day sessions per week, 1977-1986

LOCAL COMMITTEE MEMBERSHIPS:

Academic/Administrative Activities
(Medical University of South Carolina)

2005- Chairman, Medical Executive Committee
University Medical Associates

2003 Liaison Committee on Medical Education Self-Study Task Force

2002 Chairman, Search Committee
Associate Dean for Medical Education

2002 Chairman, Search Committee
Director, Hollings Cancer Center

2002 Chairman, Graduate Medical Education
ACGME Competencies Assessment Task Force

2002 External Scientific Advisory Board
Hollings Cancer Center

2002 Facilities Planning Committee
Phase 1 Hospital Replacement Core Team

2002- Financial Advisory Committee
College of Medicine

2002- Clinical Council
College of Medicine

2002- Academic Partnership Council (Veterans Affairs)
College of Medicine

2002- Board of Directors
University Medical Associates

2002- Medical Executive Committee
University Medical Associates

2002- Medical Executive Committee
Medical University Hospital Authority

2002- Board of Directors
Heart and Vascular Center

Academic/Administrative Activities

(Duke University Medical Center, Durham VA Medical Center)

1994-1995 Member, Steering Committee for the Longitudinal Care
Curriculum (Duke)

1994-1995 Member, Department of Medicine, Promotions Committee
(Duke)

LOCAL COMMITTEE MEMBERSHIPS: (continued)

1994-1996 Coordinator, M.D./M.P.H. Program, Office of the Dean, Medical Education (Duke)

1994 Co-Chairman, Task Force on Primary Care, Operations Committee for Primary Care Campus, (Duke)

1994 Primary Care Steering Committee (Duke)

1994-1996 Member, University Council on Aging and Human Development (Duke)

1993-1996 Member, Task Force on Clinical Programs and Managed Care (Duke)

1993-1996 Member, Task Force on Duke Undergraduate and Graduate Medical Education (Duke)

1992-1996 Member, Administrative Executive Board (VA)

1991-1993 Member, Steering Committee (Duke), Academic Medical Center Consortium, Center for Health Policy Research and Education

1991-1996 Clinical Facilities Planning and Development Committee Primary Care Task Force (Duke)

1991-1993 Member, Ambulatory Care Facility Planning Committee (Duke)

1989-1992 Member, Candidate Selection Committee, Alexander MacMahon, Chair in Health Economics, Center for Health Policy Research and Education (Duke)

1987-1996 Chairman, Candidate Selection Committee, Biometry Training Program (Duke)

1987-1996 Curriculum Committee, Biometry Training Program (Duke)

1987-1988 Chairman, Resource Allocation and Advisory Committee (VA)

1986-1996 Member, Professional Standards Review Board (VA)

1985-1987 Member, Regional Planning Board (Mid-Atlantic Region) for the Veterans Administration

1984-1996 Research Coordinator, Division of General Internal Medicine

1984-1985 Member, Smoking Control and Education Committee (VA)
