WORK EXPERIENCE 1995 to present:

Presently working full-time at the Ralph H. Johnson - VA Medical Center. For the past ten years, I have been active caring for patients in ambulatory care, urgent care, and medical ward setting. I also teach medical students and Internal Medicine residents training at the Medical University of South Carolina. In addition, I am the coordinator of the ambulatory medicine rotation for residents rotating through primary care at the Ralph H. Johnson VA Medical Center.

I am a member of the Medical Records Committee

July 1994 through June 1995:

Completed a one-year contract as Attending Physician for the Internal Medicine ward at the Charleston Memorial Hospital. Responsibilities included caring for hospitalized patients, training students and residents and participated as a member of the Quality Assurance Committee.

POSTGRADUATE TRAINING:

Internship and residency in Internal Medicine at the Medical University of South Carolina. July 1991 - June 1994.
