

## CURRICULUM VITAE

L. W. PRESTON CHURCH, M.D.

### CONTACT DATA:

Office Address: Division of Infectious Diseases  
Medical University of South Carolina  
PO Box 250752  
Charleston, SC 29425  
843.792.4541 Fax 843.792.6680  
e-mail: [churchlw@musc.edu](mailto:churchlw@musc.edu)

Hospital Epidemiologist, Code 11E  
Ralph H. Johnson VAMC  
109 Bee Street  
Charleston, SC 29401  
843.789.7714 Fax 843.789.7592  
Email: [preston.church@va.gov](mailto:preston.church@va.gov)

### EDUCATION:

Undergraduate: Emory University, Atlanta, GA  
B.S. Chemistry and B.S. Biology, June 1979, (magna cum laude)

Medical School: Emory University School of Medicine, Atlanta, GA  
M.D., May 1983

**INTERNSHIP:** Emory University Affiliated Hospitals, Atlanta, GA  
Internal Medicine, June 1983-July 1984

**RESIDENCY:** Emory University Affiliated Hospitals, Atlanta, GA  
Internal Medicine, July 1984-July 1986

**FELLOWSHIP:** National Naval Medical Center, Bethesda, MD  
Infectious Diseases, July 1990-July 1992

### ADDITIONAL TRAINING:

Walter Reed Army Institute of Research Tropical Medicine Course, 1991

Clinical Management and Control of Tuberculosis, National Jewish Center for Immunology and Respiratory Medicine, 1992

University of Wisconsin Course in Good Clinical Practice, Fort Detrick, MD, 1995

**BOARD CERTIFICATION:**

Internal Medicine, Certificate No. 111120, September 10, 1986  
Infectious Diseases, Certificate No. 111120, 1992 - 2002

**LICENSURE (ACTIVE):** South Carolina #21693

**APPOINTMENTS:**

Aug 2000 – present Hospital Epidemiologist, Ralph H. Johnson VA Medical Center, Charleston, SC

Jun 2000 – present Associate Professor of Medicine, Department of Medicine, Division of Infectious Diseases, Medical University of South Carolina, Charleston, SC

Oct 1999 – May 2000 Associate Professor of Medicine, Department of Medicine, Division of Infectious Diseases, Michigan State University, E. Lansing, MI.

Jul 1997 – Sep 1999 Assistant Professor of Medicine, Department of Medicine, Division of Infectious Diseases, Michigan State University, E. Lansing, MI.

Aug 1995 - Jul 1997 Head, Infectious Diseases Department, Ochsner Clinic of Baton Rouge, Baton Rouge, LA,

Aug 1992 - Jul 1995 Research Physician, Malaria Program, Naval Medical Research Institute, Bethesda, MD,

Aug 1992 - Jul 1995 Staff Physician, Internal Medicine and Infectious Diseases, National Naval Medical Center, Bethesda, MD

Jul 1988 - Jul 1990 Head, Division of Internal Medicine, US Naval Hospital, Yokosuka, Japan

Dec 1987 - Jul 1990 Head, Intensive Care Unit, US Naval Hospital, Yokosuka, Japan

Aug 1987 - Jul 1988 Staff Internist, US Naval Hospital, Yokosuka, Japan

Aug 1986 - Jul 1987 Director of Intensive Care Unit, US Naval Hospital, Bremerton, WA

Jul 1986 - Aug 1987 Staff Internist, US Naval Hospital, Bremerton, WA

**ADDITIONAL POSITIONS:**

- Jun 2003 – Oct 2008 Fellowship Director, Infectious Diseases, MUSC, Charleston, SC
- Oct 1998 - May 2000 Director, Ambulatory Infusion Center, Sparrow Regional Medical Center, Lansing, MI
- Mar 1998 - May 2000 Clinical Clerkship Director, Fourth Year Internal Medicine, Michigan State University College of Human Medicine
- Sep 1997 - May 2000 Internal Medicine Residency Key Faculty Member, Michigan State University
- Mar 1996 - Jul 1997 Teaching Faculty, Baton Rouge General Medical Center, Baton Rouge, LA
- Jul 1992 - Jul 1995 Assistant Professor of Medicine, Uniformed Services University of the Health Sciences, Bethesda, MD
- Jul 1991 - Jul 1992 Instructor in Medicine, Uniformed Services University of the Health Sciences, Bethesda, MD
- Feb 1991 - Jul 1991 Teaching Fellow, Uniformed Services University of the Health Sciences, Bethesda, MD
- Sep 1987 - Jul 1990 ACLS Instructor
- Sep 1988 - Jul 1990 ACLS Affiliate Faculty Member
- May 1988 - Jul 1990 ATLS Instructor

**COMMITTEES (ACTIVE):**

- July 2007 – present Member, Emergency Preparedness Committee, Ralph H. Johnson VA Medical Center, Charleston, SC
- July 2007 – present Member, MUSC Promotions and Tenure Committee
- Nov 2001 – present AIDS Symposium Steering Committee, MUSC
- Mar 2001 – present Member, Pharmacy and Therapeutics Committee, Ralph H. Johnson VA Medical Center, Charleston, SC
- Mar 2001 – present Member, Residency Review and Evaluation Committee, MUSC
- Aug 2000 – present Chair, Infection Control Committee, Ralph H. Johnson VA Medical Center, Charleston, SC

**AWARDS:**

Best Teacher Award, US Naval Hospital, Yokosuka, Japan, April 1989

Charles Bareham Award for Outstanding Teaching, US Naval Hospital, Yokosuka, Japan, April 1990

Navy Achievement Medal, February 1991

Excellence in Teaching in Internal Medicine, Michigan State University, 2000

Best Doctors in America, 2003-2008

Guide to America's Top Physicians, 2007

**ORGANIZATIONAL MEMBERSHIPS:**

Fellow, American College of Physicians  
Infectious Diseases Society of America  
American Society for Tropical Medicine and Hygiene  
South Carolina Infectious Diseases Society  
Shogun Medical Society  
38th Parallel Medical Society of Korea

**PRESENTATIONS, ABSTRACTS, BOOK AND SYLLABUS CHAPTERS:**

"The Infectious Etiology of Peptic Ulcer Disease" presented at the Eighth Annual Symposium of the Shogun Medical Society, Tokyo, Japan, May 1990.

"Wound Infections that Mimic Sporotrichosis - a Case of *Nocardia braziliensis* Wound Infection," Greater Washington Infectious Society, Washington DC, November 1990.

"Massive Hemoptysis in a 17 year old Brazilian Male" (pulmonary TB), Greater Washington Infectious Society, Washington DC, November 1991.

"Clinical and Laboratory Evaluation of Experimentally Induced Falciparum Malaria" presented at the 41st meeting of the American Society for Tropical Medicine and Hygiene, Seattle, WA, November, 1992.

"Fatal CMV Pneumonia in a 'Normal' Host," Greater Washington Infectious Society, Washington DC, November 1992.

"Trial Design for a Malaria Vaccine Field Study in Irian Jaya, Indonesia" presented to the Greater Washington Helminthologic Society, Bethesda, MD, February 1993.

"Immunogenicity of a Multiple Antigen Peptide Circumsporozoite Protein Malaria Vaccine" presented at the 42nd meeting of the American Society of Tropical Medicine and Hygiene, Atlanta, GA, November 1993.

"Malaria Vaccines for International Travel" presented at Infectious Diseases Grand Rounds, Grady Memorial Hospital, Atlanta, GA, April 1994.

"Chimeric and Humanized Monoclonal Antibodies for Prophylaxis of *Plasmodium falciparum*" presented at the VIIIth International Congress of Parasitology, Izmir, Turkey, October 1994.

"Preclinical Evaluation of a *Plasmodium falciparum* Circumsporozoite Protein (CSP) Multiple Antigen Peptide Vaccine" presented at the VIIIth International Congress of Parasitology, Izmir, Turkey, October 1994.

"Malaria Vaccines" presented at Infectious Diseases City Conference, New Orleans, LA, December 1995.

"Emporiatics: The Art and Science of Travel Medicine" presented at Physicians Noon Conference, Earl K. Long Memorial Hospital, Baton Rouge, LA, February 1996.

"Controversies in the Office Management of the Patient Infected with HIV" presented at Ochsner Second Annual Mardi Gras Primary Care Medicine, Baton Rouge, LA, February 1996.

"A New Look for Old Pathogens: Emergence of Antimicrobial Resistance in the Streptococci," Panama City, Panama, May 1996.

Shannon E, Pankey G, Aseffa A, Sandoval F, Reiners J, Church P, Krahenbuhl J. Thalidomide enhances production of IL-2 by mononuclear cells of HIV seropositive patients. ICAAC, New Orleans, LA, September, 1996.

"HIV Update," Michigan State University Medicine Grand Rounds, East Lansing, MI, September 1997.

"Hepatitis C," Michigan State University Medicine Grand Rounds, East Lansing, MI, November 1997.

"Ulcer-node syndromes," Michigan State University Medicine Grand Rounds, East Lansing, MI, April 1998. (jointly presented CPC)

Kollar T, Church LWP, Kron MA, Havlichek DL. Sporotrichal arthritis - report of two cases and review of the literature. (Poster) Michigan ACP Associates Meeting, Detroit, MI, May 1998 and the Michigan Regional ACP Meeting, Traverse City, MI, September 1998.

Wu B, Church LWP, Neiberg A. Brain abscess complicating Hereditary Hemorrhagic Telangiectasia (HHT). (Poster) Michigan ACP Associates Meeting, Detroit, MI, May 1998; (oral presentation) Michigan Regional ACP Meeting, Traverse City, MI, September 1998.

Krishnan U, Hnilica P, Church LWP, Ackerman G. Acute Disseminated Encephalomyelitis. (Poster) Michigan Regional ACP Meeting, Traverse City, MI,

September 1998.

Hnilica P, Church LWP. Colonic perforation: a rare presentation of CMV colitis. (Poster) Michigan ACP Associates Meeting, Detroit, MI, May 1999.

Molavi B, Rasouli N, Church LWP, Neiberg A. A rare case of Mycobacterium bovis peritonitis. (Poster) Michigan ACP Associates Meeting, Detroit, MI, May 1999.

Zayzafoon S, Kanj M, Church LWP. Epstein-barr virus infection associated with rhabdomyolysis and immune-complex glomerulonephritis. (Poster) Michigan Regional ACP Meeting, Traverse City, MI, September 1999.

“Outpatient Parenteral Antimicrobial Therapy,” Michigan State University Medicine Grand Rounds, East Lansing, MI, October 1999.

Goh L, Gordon D, Le TP, Stoute J, Church P, Heppner DG, Richie TL, Ballou WR, Hoffman SL. Immunization of human volunteers with irradiated *Plasmodium falciparum* sporozoites. American Society of Tropical Medicine and Hygiene, Washington, DC, December, 1999.

Hopkins KA, Church LWP. Native valve endocarditis due to *Bacillus cereus*. (poster) Michigan ACP Associates Meeting, East Lansing, MI, May 2000.

Kanj M, Church LWP, Kaufman D. Third nerve palsy as a late complication of herpes zoster ophthalmicus. (poster) Michigan ACP Associates Meeting, East Lansing, MI, May 2000.

Shannon NJ, Morgan KZ, Church LWP, Eggenberger ER, Quaichon E, Ferenchick G. Cerebral tuberculoma in a post partum female. (poster) Michigan ACP Associates Meeting, East Lansing, MI, May 2000.

Rasouli N, Molavi B, Church P. Two cases of anticonvulsant hypersensitivity syndrome. (poster) Michigan ACP Associates Meeting, East Lansing, MI, May 2000.

Haddad R, Hage-Korban E, Church P. Septic pulmonary emboli in a young healthy adult. (poster) Michigan ACP Associates Meeting, East Lansing, MI, May 2000.

“Tick-borne Diseases – What’s Here, What’s Coming,” Medical University of South Carolina Medicine Grand Rounds, Charleston, SC, February, 2001.

“STD Update”, 2002 South Carolina HIV/STD Conference, Charleston, SC, October, 2002.

“SARS – The Evolving Story,” Medical University of South Carolina Medicine Grand Rounds, Charleston, SC, July, 2003.

“Infections due to HSV and HPV”, 2003 South Carolina HIV/STD Conference, Charleston, SC, October, 2003.

Manos J, Church LWP, Virella G. Chapter 36: Herpes Viruses, in syllabus for Infection and Immunity, 2003

Manos J, Church LWP, Virella G. Chapter 39: Viral Zoonotic and Vector-transmitted Infections, in syllabus for Infection and Immunity, 2003

“Antifungal decision making in frequently encountered clinical scenarios,” Columbia, SC, January, 2004.

Short B, Usher B, Church P. “Complications in a Lupus Patient,” Medical University of South Carolina Medicine Grand Rounds, Charleston, SC, March, 2004.

B.J. Kullberg, P. Pappas, M. Ruhnke, C. Viscoli, J.D. Cleary, E. Rubinstein, L.W.P. Church, J.M. Brown, J.H. Rex, F. Hilton, I. Oborska, M. Hodges, H.T. Schlamm, J. Sobel. Voriconazole compared to a strategy of amphotericin B followed by fluconazole for treatment of candidaemia in non-neutropenic patients. ECCMID, Prague, May, 2004.

Daley DA, Church LWP, Wray D. Mycobacterium fortuitum group endocarditis: correlation of treatment with outcomes. Poster # , 42nd Annual Meeting of the Infectious Diseases Society of America, Boston, MA, 2004.

“*Clostridium difficile* Associated Diarrhea: Knee Deep and Rising” Medical University of South Carolina Medicine Grand Rounds, Charleston, SC, June, 2005.

Radney M, Rahtjen A, Gomez J, John J, Church LWP. Factors which affect adherence to antiretroviral agents in a cohort of HIV-positive VA patients (poster). Treatment & Management of HIV Infection in the U.S., Atlanta, GA, September, 2005.

Gary HG, Holmes-Maybank K, Church LWP, Simpson KN. Tuberculin Skin Testing in a Southeastern University HIV Clinic. Poster # 841, 43rd Annual Meeting of the Infectious Diseases Society of America, San Francisco, CA, 2005.

“Burning Issues in Sexually Transmitted Diseases” 2005 South Carolina HIV/STD Conference, Greenville, SC, Oct 2005.

Church P, Judson MA. Paradoxical Reactions and the Immune Reconstitution Inflammatory Syndrome. In Schlossberg D, ed: Tuberculosis and Nontuberculous Mycobacteria, 5<sup>th</sup> ed. New York, NY, McGraw-Hill, 2006: 400-411.

Olivier CN, Fioto B, Church LWP. New Pulmonary Cavitory Lesions in Patients Treated with Interferon- $\alpha$  for Hepatitis C. Poster # 302, 44<sup>th</sup> Annual Meeting of the Infectious Diseases Society of America, Toronto, Canada, 2006. "HIV Infection and Surgery – What Surgeons Need to Know," Medical University of South Carolina Surgery Grand Rounds, Charleston, SC, December, 2006.

"Tuberculosis: Current Controversies," Medical University of South Carolina Medicine Grand Rounds, Charleston, SC, August, 2007.

Virella G, Church P, Gattoni-Celli S, Sleasman J. HIV and AIDS, in syllabus for Infection and Immunity, 2007.

Wray D, Church P, Gomez J. Importance of TEE in Nosocomial Endocarditis. Poster # , 45<sup>th</sup> Annual Meeting of the Infectious Diseases Society of America, San Diego, CA, 2007.

Church LWP. The Enterobacteriaceae. In Schlossberg D, ed: Current Therapy of Infectious Disease, 3<sup>rd</sup> ed. New York, NY, McGraw-Hill, 2007.

"STD Update", 2008 South Carolina HIV/STD Conference, Columbia, SC, October, 2008.

#### **Recent local presentations (MUSC, Ralph H. Johnson VAMC):**

Update: 9<sup>th</sup> conference on retroviruses and opportunistic infections  
Frequently encountered issues in management of fungal infections  
Malaria and clinical tropical medicine  
Cryptococcal meningitis  
Meningitis and encephalitis  
Herpesviruses (annual lecture for Infection and Immunity, 2003-2006)  
Viral zoonoses and arboviruses (annual lecture for Infection and Immunity, 2003-present)  
Gastroenteritis (annual lecture for Infection and Immunity, 2003-present)  
Immunodeficiency diseases for medical students  
Smallpox  
Controversies in antifungal therapy  
Update: 10<sup>th</sup> conference on retroviruses and opportunistic infections  
RNAi: time to shoot the messenger?  
Update: 11<sup>th</sup> conference on retroviruses and opportunistic infections  
Bactericidal Therapy for *S. aureus* bacteremia: Help or Hype?  
Seasonal and Pandemic Influenza  
Sexually transmitted diseases (annual lecture for Infection and Immunity, 2007-present; annual lecture to PA students 2004-present)  
Anaerobes (annual lecture for Infection and Immunity, 2008-present)  
Paristology (5 part lecture series for Infection and Immunity, 2008 –present)
