

Building BRIDGES Through Research

Community Celebration

Saturday, January 21st, 2012

St. John's High School, 1518 Main Road, John's Island, SC

Time: 10:00am—2:00pm (Lunch 1:00pm-2:00pm)

Researchers at MUSC plan to share major findings from research conducted among the Sea Islands communities. Please join us to hear reports from doctors, nurses, and patients about findings from:

- Project SuGar (Diabetes)
- COBRE (Dental disease)
 - SLEIGH (Lupus)
 - REACH (Diabetes)
- Center for Health Disparities Research

Event Co-sponsors: St. John's High School, Councilwoman Anna Johnson of Charleston County District 8, International Ministerial Alliance (IMA), Sea Island Alliance of Ministries, Medical University of South Carolina, SC Clinical & Translational Research Institute (SCTR), SCTR Center for Community Health Partnerships, Center for Health Disparities Research, Hollings Cancer Center, College of Medicine, College of Nursing
